CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

ELECTION DEPARTMENT.

Printing of Ballots

DEAR SIR:

The Board of Election Commissioners respectfully requests that permission be given them to award the contract for printing the Preliminary Municipal Election Ballots to the firm of Wright & Potter Printing Company of 32 Derne street, Boston, without advertising for bids, at the following prices:

For 27,500 "Challenged" ballots (100 for each of the 275 voting machine precincts) printed "Challenged Ballot" in red ink across filing, \$425.65.

For voting machine cards and specimen ballots for 275 precincts (718 Shoup and 745 Automatic Voting Machines) with 10 specimen ballots for each precinct, \$5,586.85.

Total, \$6,012.50.

The ballots for the Preliminary Municipal Election will contain 275 precinct changes and 22 ward changes in the make-up. Great care will be required on the part of the printer, as the time for printing such ballots and ballot labels and making a delivery to this office is very limited.

The Wright & Potter Printing Company is the only printing concern especially equipped to do this work, having printed the State and City of Boston ballots for a long period of years. For this reason, and to safeguard the

voters of the city as far as possible against error, this request is made.

Respectfully yours,
BOARD OF ELECTION COMMISSIONERS,
DAVID LASKER, *Chairman*.

Transporting Voting Machines

DEAR MR. MAYOR:

The Board of Election Commissioners respectfully requests permission to award the contract for the transportation of voting machines within the City of Boston to P. A. Milan, Inc., 202 State street, Boston, without the usual advertising. The proposed rate is \$19.75 for the moving of a voting machine one way—this being the contract sum that prevailed in the year 1960.

For the further information and approval of your Honor, it is proposed that the contract period be the calendar year 1961, and that the contract be written for the sum of \$10,000, which represents our present estimate of what will be the current year's cost for this service.

Respectfully yours,
BOARD OF ELECTION COMMISSIONERS,
DAVID LASKER, *Chairman*.

The Commissioner of Public Works of the City of Boston, Room 511, (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for highway reconstruction in Auckland street (part), Avenue Louis Pasteur, Carson street, Doris street, Edison Green, Elton street, Hallam street, Harbor View street, Old Colony terrace, Roach street, Rundel park, South Sydney street, Sydney street, Taft street, Thornley street, Treadway road, and Victoria street, in Public Works Districts 3 and 10, Dorchester and Roxbury. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, less the amount of \$11,000, will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Highway Reconstruction in Auckland Street (Part), Avenue Louis Pasteur, Carson Street, Doris Street, Edison Green, Elton Street, Hallam Street, Harbor View Street, Old Colony Terrace, Roach Street, Rundel Park, South Sydney Street, Sydney Street, Taft Street, Thornley Street, Treadway Road and Victoria Street, in Public Works Districts 3 and 10, Dorchester and Roxbury," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. (Eastern Daylight Saving Time) of FRIDAY, OCTOBER 6, 1961, with a certified check for SEVEN THOUSAND (7,000) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. There will

be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

THIRD-HAND WATER

By the year 2,000 most Americans will be drinking third-hand water, Oklahoma Senator Robert S. Kerr recently declared. He predicted to the eighth annual watershed congress that the United States would be using all of its stream flow by then, making re-use and pollution-removal methods imperative throughout much of the nation.

PARKS AND RECREATION DEPARTMENT.

INVITATION FOR GENERAL BIDS FOR REPLACING DEFECTIVE CONCRETE BLOCKS IN WALKS IN THE PARK SYSTEM.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for replacing defective concrete blocks in walks in the Park System.

Proposals will be received until 2 o'clock P.M., (Eastern Daylight Saving Time), Tuesday, October 3, 1961, at the office of the Commissioner, first floor, 33 Beacon street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained at the Engineer's office, Parks and Recreation Department, 33 Beacon street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of \$1,000, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the Engineer's office of the Parks and Recreation Department.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY OF BOSTON.

FIRE DEPARTMENT.

INVITATION FOR GENERAL BIDS FOR INSTALLING A NEW BOILER AND OIL BURNER AT ENGINE COMPANY 40, LOCATED AT 260 SUMNER STREET, EAST BOSTON, MASS.

The City of Boston, acting by the Fire Commissioner, hereinafter referred to as the Awarding Authority, invites sealed general bids for installing a new boiler and oil burner

at Engine House 40, located at 260 Sumner street, East Boston, Mass.

General bids will be received up until 12 o'clock noon (Eastern Daylight Saving Time), Monday, October 2, 1961, at the office of the Awarding Authority, second floor, 115 Southampton street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids shall be submitted in duplicate on the form for general bids obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$300. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids. The specifications need not accompany, or be submitted with, either copy of the general bid.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts, under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27-D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The general bids will be deemed to relate to that signed set of specifications for the project on file at the office of the Awarding Authority designated above and bidders will act at their own risk if any variance exists between the aforesaid set of specifications and the set (or sets) of specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of specifications furnished to the bidder is a true and complete copy of the set of specifications on file as aforesaid.

Specifications and other contract documents may be obtained at the office of the Awarding Authority upon deposit of a certified check in the amount of \$25 per set of specifications, payable to the City of Boston. The amount of the deposit per set of specifications will be refunded upon return thereof in good condition to the Awarding Authority with the general bid or upon return thereof to the Awarding Authority in good condition not later than thirty (30) days after the opening of general bids (Saturdays, Sundays, and legal holidays excluded).

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149 of the General Laws, as amended.

CITY OF BOSTON,

THOMAS J. GRIFFIN,

Fire Commissioner.

ON-THE-SPOT POLICE REPORTS

San Francisco policemen are practicing up on their penmanship.

A new plan is designed to save patrolmen 30 per cent of their time. They are to start writing up reports at the scene of incidents, instead of going to the station house and typing them.

Police Chief Thomas Cahill said the handwritten reports will be photostated.

PARKS AND RECREATION DEPARTMENT.

INVITATION FOR GENERAL BIDS FOR REPAIRS AND REPLACEMENTS OF PARK BENCHES AT BOSTON COMMON AND AT OTHER LOCATIONS WITHIN THE PARK SYSTEM.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for repairs and replacements of park benches at Boston Common and at other locations within the Park System.

Proposals will be received until 2 o'clock P.M. (Eastern Daylight Saving Time), Tuesday, October 3, 1961, at the office of the Commissioner, first floor, 33 Beacon street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained at the Engineer's office, Parks and Recreation Department, 33 Beacon street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of \$1,000, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the Engineer's office of the Parks and Recreation Department.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws, (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY OF BOSTON,

MARTIN F. WALSH,

Commissioner of Parks and Recreation.

GOV. CENTER LAND TAKING NOW HAS U. S. GUARANTEE

Mayor John F. Collins, on September 25, outlined the steps now to be taken to acquire 53.4 acres of downtown property which must be cleared as a building site for Boston's new Government Center.

On that day federal and city officials were gathered in the Mayor's office to witness the exchange documents whereby the city accepted a \$21,260,470 loan contract, and an approved project budget, from the U. S. Urban Renewal Administration. The loan is the first of its kind to be granted to any city in the nation. It is the result of recent federal legislation designed to alleviate hardship on property owners who, because of scheduled activity in an urban renewal area, find it difficult to rent or sell their property. It will permit the early rehousing of families and relocation of business establishments in the Government Center.

General Information

Official

Proposed date of land taking is impossible to state exactly since under contract with federal government, federal concurrence is necessary. However, schedule calls for BRA to be in a position to make land taking before October 31. Relocation assistance is to begin immediately. However, relocation payments may not be made until after taking. Demolition will not begin until after January 1, 1962.

Relocation Assistance

BRA study indicates that there will be sufficient vacant space in Boston to rehouse businesses displaced by Government Center. Complete survey of every family and business in the area is in process with completion expected by October 15. Survey data will be used to refine previous information regarding relocation needs of families and businesses. Then BRA will work to match needs with available resources. Relocation site office will be set up soon, possibly in Wayfarers' Home on Hawkins

street. *Relocation staff will aid families and businessmen to find new quarters, process relocation payment claims, provide general assistance.

Relocation payments to families can be in amounts up to \$200 for reasonable and necessary moving expenses. Payments to business concerns will cover the actual, certified moving expenses, regardless of amount. Under certain conditions, relocation payments may include limited amounts for direct loss of personal property.

Additional aids to businesses in the area may be available through the Small Business Administration. This federal agency provides advice, technical assistance, and long-term, low-interest rate loans to businesses displaced by an urban renewal project. Local businessmen may contact this agency directly at its local office, 470 Atlantic avenue, Boston.

Project includes City Hall and State and Federal office buildings. Federal government has given preliminary agreement to the size and location of parcel proposed for its use. Excellent progress

* Immediate information on relocation payments, rules and regulations can be obtained by calling the North Margin St. site office of the Boston Redevelopment Authority, RI 2-1740.

Statement of U. S. Urban Renewal Commissioner

Following is the statement by Urban Renewal Commissioner William L. Slayton on announcement of the \$21 million federal loan:

¶ Mayor Collins—Today is an event of considerable significance. It marks a first in a major development in the Urban Renewal Program. It is a first that should do much to accelerate the program and to mitigate hardships heretofore unavoidable. It is a first that will—I hope—provide the kind of demonstration needed to convince other cities of this new development's value. You are to be commended on your leadership in this operation.

¶ The first to which I refer is the Urban Renewal Administration's approval of a loan of \$21 million to enable Boston to undertake what we call an early land acquisition program in the Government Center project. Early land acquisition is a pedestrian, operational phrase for an activity that will cut many months from the time normally required to carry out a project. It will also alleviate the hardships of property owners who, because of scheduled activity in the area, find it difficult to rent or sell their property. It will also permit the early rehousing of families—and should diminish their concern and fears over the unknown future—worries that increase rapidly when time lags between project announcement and land acquisition.

Pioneer Effort

¶ Your desire and willingness to pioneer in this important activity shows your concern with the human and social problems of urban renewal and your determination to meet and solve these problems. By the seemingly simple device of acquiring land in the project area while completing your development plans, you have made all these things possible. But you and I both know that the seemingly simple is often very difficult—and in this case you have, by taking the lead, broken the bottleneck.

¶ And it is not only for your pioneering activity in early land acquisition

that I want to congratulate you. Your recent urban renewal activity in Boston is evidence of your great faith in Boston's future and your determination to rebuild a newer, more vigorous, and handsomer Boston.

¶ This is particularly true in your Government Center project where you combine the need for beauty, the preservation of the historic, and the provision of new economic activity.

Good Appearance Essential

¶ Too often our rebuilding activities ignore the importance of beauty and esthetics. Too frequently we allow the expediency

of easy production or the exigencies of time persuade us that criteria other than esthetics should take precedence. But not so your program for Government Center. I understand that your new City Hall will be selected on the basis of a design competition. I understand also that the Boston Redevelopment Authority will use design as a major criterion in the selection of private developers in the Government Center area and, of course, the new Federal Building is being designed by your acclaimed Walter Gropius.

¶ We should all remember that we do not often have an opportunity to rebuild our cities—and that when we do, we should build them well. Posterity will remember us for the quality and design of the buildings and areas we produce today—and these structures and areas will last for many many years to come. We have a tremendous trust. We cannot treat it lightly or frivolously.

Preserve Historic Character

¶ But an emphasis on good design does not mean the obliteration of the old. In fact the opposite is true. The truly historic, the truly great architecture of the past, for which Boston is so noted, must wherever possible, be retained—and restored. The blending of the desired new and the desirable old can produce an area richer by far than that which is completely new.

¶ And this you are doing in Government Center.

¶ And of course you must create new economic vitality and vigor in these rebuilt areas if the city as a whole is to prosper. And areas such as Government Center will produce such new economic activity.

¶ Your Government Center project combines all these elements—design, historic structures, and economic vigor, plus the pioneering activity of early land acquisition. You are truly to be congratulated.

Statement of Mayor Collins

Following is the statement of Mayor John F. Collins on the acceptance of the federal loan:

¶ Yesterday's announcement that the Urban Renewal Administration had approved the Redevelopment Authority's application for a loan for early acquisition of land in the Government Center and today's very quick follow-up with an approved project budget and the loan contract itself, all insure a fast start on the Government Center project.

¶ To all of us in Boston this is fresh evidence that our renewal program is indeed gaining momentum. The new City Hall, the new Federal office building, the new State buildings, and the private construction alongside all provide dramatic evidence of Boston's rebirth, but today our main satisfaction must be with the impact of this announcement to the people who own property in the Government Center area. They have known for many years that plans were afoot to take their property and necessitate relocation. The whole purpose of this move today is to assist them in relocation as rapidly as possible.

¶ In previous urban renewal projects in Boston and throughout the nation, land acquisition and relocation could not be started until the redevelopment plans for the project were approved by the locality and the federal government. This meant that there was a long period of time during which property owners and tenants in a project area did not know where they stood. If property owners were able, on their own, to find a suitable home, office or store in which to relocate, they were oftentimes not able to find someone who would be willing to buy their property. Many times these property owners were forced to take a loss if they really wanted to relocate. During this period of waiting, and of declining business, neither owners nor tenants were entitled to relocation payments for their necessary moving expenses. Faced with these factors, many people in the

past did not move, and many of them thereby lost good opportunities to re-establish themselves.

¶ But today this is no longer so, thanks to the early land acquisition procedure. Even though it may be some months before the final plans for the project are fully approved, the Redevelopment Authority will shortly begin to acquire property and provide relocation services to families and businesses. Thus, the many months of watching and waiting will be considerably shortened. Those families and businesses that have found potentially desirable new quarters

will soon be able to move into them and with their reasonable moving expenses paid for by the Redevelopment Authority.

¶ We are grateful indeed to Urban Renewal Commissioner William L. Slayton, Regional Administrator Lester Eisner, Jr., and their staffs for the help and cooperation they have given us in our work to rebuild Boston. We look forward to working with them in this and future projects in Boston.

Following is the joint statement of the Boston Redevelopment Authority on the land acquisition.

¶ The Authority is very pleased indeed that acquisition and relocation may begin in the Government Center area without delay. For many months now we have been working on this project as our top priority and we hope to be able to provide helpful relocation and financial assistance to both businesses and families now that this program will be getting under way. The project area itself will be a major factor in the rebirth of downtown Boston. Today's announcement will enable us to set up a relocation office, help us prepare plans for negotiation for properties, and make relocation payments within the very near future.

HARVEST STREET WIDENING

Dorchester

The Mayor and Public Improvement Commission have approved the widening and construction of Harvest street, Dorchester district, at the southwest corner of Dorchester avenue.

The project is described as follows:

The highway named Harvest street is hereby widened at the southwest corner of Dorchester avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Joseph A. and Stella C. Swiatek, bounded:

Easterly by Dorchester avenue, eight and 21-100 feet; northerly by the southerly line of Harvest street as it existed prior to this order, eight and 21-100 feet, and southerly by the southerly line of Harvest street as widened under this order, fourteen and 65-100 feet on a curve of twelve square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Harvest street as hereby widened is bounded:

Easterly by Dorchester avenue, eight and 21-100 feet; northerly by the southerly line of Harvest street as it existed prior to this order, eight and 21-100 feet, and southerly by the southerly line of Harvest street as hereby widened, fourteen and 65-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estate by the making of the public improvement consisting of the widening and construction of Harvest street, Dorchester district, at the southwest corner of Dorchester avenue, under an order of the commission of August 24, 1961, in the amount hereinafter respectively set against them, and awards said amount therefor.

Joseph A. and Stella C. Swiatek, 12 square feet, \$1.

MYSTIC BRIDGE VS TUNNEL

That often repeated question: Which handles more traffic, the Mystic River Bridge or the East Boston Tunnel? was answered in a traffic report by the American Bridge, Tunnel, and Turnpike Association. The report states the tunnel handled 867,300 vehicles in January, 1961, while 1,539,800 crossed the bridge.

AUGUST WELFARE EXPENDITURES UP 3 PER CENT

Following is a summary of the Welfare Department's report for August, 1961:

¶ During August expenditures for Public Assistance amounted to \$3,340,915, an increase of \$92,672 or 2.9 per cent as compared to the previous month. The case load also showed a continuation of its upward trend. There were 26,971 cases consisting of a total of 39,813 persons who received assistance during the month. The average grant per case, exclusive of other resources, was \$123.18. Of the 1,670 applications processed, 1,246 were approved and 424 rejected or withdrawn. There were 1,090 cases closed.

¶ Old Age Assistance: This category showed a decrease in both expenditures and case load. There were 148 applications approved and 214 cases closed for a net decrease of 66 cases. The primary reasons for closing were transfers to Medical Assistance for Aged and the death of the client. The 12,520 recipients received a total of \$1,056,045.

¶ Medical Assistance for Aged: The upward trend continued during the month with 300 applications approved as against 178 cases closed. The cost for the program was \$762,570, an increase of \$45,761 or 6.4 per cent. The average grant was \$208.21 for 3,655 cases, of which \$202.37 was paid for medical care and \$5.84 for personal care. Again, this amount is exclusive of resources available to the client.

¶ Aid to Dependent Children: The most marked case load increase occurred in this category. A total of 355 new cases were added and only 220 cases were closed. The case load rose by 135, bringing the end of the month case load to 5,790. The two major causes for this increase were desertion and unemployment. On a percentage basis, the case load increased 21.6 per cent with expenditures rising 22 per cent compared to a year ago.

¶ Disability Assistance: Increased medical payments were responsible for a 7.2 per cent increase in the cost of this category. Expenditures were \$423,256 and were apportioned among 3,035 recipients for an average of \$139.24. Of the 218 applications cleared during the month, 126 or 58 per cent were approved. The remaining 92 requests for assistance were rejected or withdrawn primarily due to lack of medical eligibility.

¶ General Relief: The case load showed a net decrease of 65 cases although there were 317 cases added. A vital factor in the reduction of the case load was the introduction of unemployment cases to the Aid to Dependent Children program. Formerly these persons would have been placed on General Relief. The case load as of the end of the month amounted to 1,468 cases for which \$142,929 were spent.

PUBLIC WORKS DEPARTMENT.

Proposals for Water Works in Itasca Street, Lawton Terrace, and Westview Street Extension, Public Works Districts 7 and 8, Dorchester and Hyde Park.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for water works in Itasca street, Lawton terrace, and Westview street extension, Public Works Districts 7 and 8, Dorchester and Hyde Park. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, less the amount of \$500, will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Water Works in Itasca Street, Lawton Terrace, and Westview Street Extension, Public Works Districts 7 and 8, Dorchester and Hyde Park," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. (Eastern Daylight Saving Time) of TUESDAY, OCTOBER 10, 1961, with a certified check for THREE HUNDRED (300) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without

cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

HOSPITAL DEPARTMENT.

INVITATION FOR GENERAL BIDS FOR ALTERATIONS TO GROUND FLOOR ROOMS, ADMINISTRATION BUILDING, SOUTH DEPARTMENT, BOSTON CITY HOSPITAL.

The City of Boston, acting by the Board of Trustees in charge of its Hospital Department, hereinafter referred to as the Awarding Authority, invites sealed general bids for alterations to the ground floor rooms, Administration Building, South Department, Massachusetts avenue, at the Boston City Hospital, 818 Harrison avenue, Boston, Mass.

General bids will be received up until twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, October 25, 1961, at the office of the Director of Hospitals, Room 204, Administration Building, Boston City Hospital, 818 Harrison avenue, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$300. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids and the subbids will be deemed to relate to that signed set of plans

and specifications for the project on file at the office of the Director of Hospitals as designated above in this advertisement and, bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

All subbids for a subtrade designated in Item 2 of the general bid form shall be filed with the Awarding Authority, at the office designated above, before twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, October 18, 1961, at which hour and place they will be publicly opened and read aloud. Every such subbid must be submitted in a sealed envelope with the following plainly marked on the outside: title of work, subtrade for which subbid submitted, subbidder's name, subbidder's business address.

All such subbids must be submitted on the form for subbid furnished by the Awarding Authority, and any such subbid not filed on the form for subbid so furnished by the Awarding Authority shall be rejected.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount specified in the following list for the respective subtrades, shall be submitted by each subbidder with his subbid as filed with the Awarding Authority:

Resilient Flooring.....	\$60
Painting	\$100
Laboratory Equipment.....	\$80
Mechanical	\$60
Electrical	\$200

No subbid may be withdrawn after the time limit for the filing of subbids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the date fixed for the opening of the general bids. In addition neither the subbids filed by (a) the three lowest responsible and eligible subbidders for a subtrade nor the subbids for the same subtrade as shown on the general bids of the three lowest responsible and eligible general bidders, may be withdrawn after the opening of the general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), after presentation of a subcontract to the subbidder selected for that subtrade, by the general bidder selected as the general contractor.

Plans and specifications and other contract documents may be obtained from the Awarding Authority, office of the Chief Clerk, upon receipt of a certified check payable to the City of Boston in the amount of \$100 per set of plans and specifications. The amount of the deposit, per set of plans and specifications, will be refunded upon return thereof in good condition to the Awarding Authority with the general bid not later than 30 days after the opening of general bids (Saturdays, Sundays, and legal holidays excluded).

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth of Massachusetts and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that less than three such subbids were received and that the prices are not reasonable for acceptance without further competition, in accordance with section 44D, chapter 149, of the General Laws, as amended.

INVITATION FOR PROPOSALS FOR FURNISHING ATTENDANTS AND MAINTENANCE SERVICE AT THE CONVENIENCE STATIONS ON BOSTON COMMON.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for furnishing attendants and maintenance services for four convenience stations on Boston Common in the City of Boston, Mass.

Proposals will be received until 2 o'clock P.M. (Eastern Daylight Saving Time), Tuesday, October 10, 1961, at the office of the Commissioner, first floor, 33 Beacon street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate. One copy shall be filed at the office of the Commissioner designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of \$500, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to attendants in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth.

The successful bidder furnishes and pays four attendants to maintain these convenience stations on the Common, two at Park street, one at West street, and one at Flagstaff Hill, and furnishes all supplies and equipment for cleaning and servicing the stations. The company retains the proceeds of the coin locks, which must be furnished and maintained by the company, and in recent years the city has paid, in addition, a sum of money for the services furnished.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws, (Ter. Ed.), chapter 152, to all

persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, in the sum of 100 per cent of the contract price, will be required of the successful bidder.

The agreement is for a one-year period from November 1, 1961.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

WORK IN ENGLISH HIGH SCHOOL, AVENUE
LOUIS PASTEUR, BOSTON, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for electrical work in English High School, Avenue Louis Pasteur, Boston, Mass.

General bids will be received up until twelve o'clock noon (Eastern Daylight Saving Time), Tuesday, October 10, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$100. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of specifications for the project on file at the office of the Superintendent of Construction of the Department of School Buildings designated above and bidders will act at their own risk if any variance exists between the aforesaid set of specifications and the set (or sets) of specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of specifications furnished to the bidder is a true and complete copy of the set of specifications on file as aforesaid.

Specifications and other documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

terest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

NEW TRAFFIC DEPT. SETUP PROPOSED BY SURVEY GROUP

Abolition of the Boston Traffic Commission and placing its administrative control under a single Commissioner of Traffic and Parking was recommended, on October 4, by the Automotive Safety Foundation of Washington, D. C., after a six-month survey of Boston's traffic problems undertaken at the request of Mayor John F. Collins.

Provisions For Appeal

The Commissioner of Traffic and Parking, as recommended in the survey, would be responsible for public off-street parking and street lighting in addition to existing duties.

An Appeal Board would be set up under the plan comprising the Public Works Commissioner, the newly-created Traffic and Parking Commissioner, and the Development Administrator (Edward J. Logue). This Board would take over the function of the present Public Improvement Commission and would retain that title.

The three-man Public Improvement Commission, as presently constituted, is made up of the Commissioners of Public Works, Traffic, and Real Property.

Comprising the present five-man Traffic Commission, which would be abolished under the new plan, are the Commissioners of Traffic, Public Works, Parks, Fire, and Police.

No Decision Yet

Mayor Collins said now is the best time for long-range planning of the city's traffic patterns to go along with the urban development program. He said he has made no

decision as to the report until he has studied all the details. Abolition of the Traffic Commission and setting up of a one-man administrator requires action of the Massachusetts Legislature. The Mayor has authority to realign the Public Improvement Commission duties.

Other Recommendations

Other recommendations are that Legislation be sought providing for:

1. Reasonable regulation of pedestrians; (no jaywalking).
2. Transfer of authority to establish taxicab zones from the Police Commissioner to the Commissioner of Traffic and Parking.
3. Exempting the City of Boston from the requirement to obtain state approval for individual traffic controls.

Technical Competence A Must

Employment of a top caliber professional engineer to serve as Traffic Director and to be responsible for the professional and technical competence of the department is essential to meet Boston's growing needs in the traffic field, the Foundation told the Mayor.

Total employment in the Department of Traffic and Parking would be increased to 142 from a present level of 128 if the Foundation's recommendations are carried out.

Four Major Divisions

This level of staffing is comparable to that in other cities of Boston's population. Some of the proposed positions are new and

others would be transfers from other departments.

The report recommends that the work of the Department of Traffic and Parking be carried out by four major divisions, Traffic Planning, Traffic Operations, Traffic Services, and Administrative.

The first three of these divisions would be headed by a professional engineer and the Administrative Division by a Deputy Director.

According to the Foundation one of Boston's major needs is for more advance planning so that a sound traffic program can be developed on a long-range basis.

"Nowhere in the present traffic and transportation function is Boston weaker than in planning. Facts necessary to guide every decision, from the location of a 'No Parking' sign to the designs needed for a redevelopment area, are meager, out-of-date or nonexistent" the report noted.

Because of the profound impact that the redevelopment program will have on Boston's traffic, the Foundation urged close coordination between the work of the redevelopment agency and the Department of Traffic and Parking.

Small Budget Increase

It also recommended the establishment of Liaison Teams at the staff level to provide for coordination with the Police, the Fire Department, and other agencies whose activities have an impact on traffic.

The Foundation noted that the adoption of all of its recommendations would add less than 15 per

cent to the prsonal service budget of the Department of Traffic and Parking and that this is a low price for improved traffic service.

The Automotive Safety Foundation is a nonprofit research organization supported by more than 600 private companies and industry associations and is now in its 24th year of operations.

Similar studies made by the Foundation at the request of other major cities, such as Detroit, Los Angeles, and San Francisco have resulted in marked improvements in traffic in recent years.

The Massachusetts Safety Council shared equally with the City of Boston in helping underwrite costs of the traffic management study and report.

At the request of Mayor Collins the Foundation's legal division is making an analysis to determine how Boston's traffic regulations compare with the Model Traffic Ordinance, which is the nationally accepted set of standards for cities. A report of these findings now is nearing completion and soon will be transmitted to the city.

COMMENDS POLICE FOR APPREHENSION OF DEER ISLAND ESCAPEE

Penal Institutions Commissioner Joseph V. McBrine, on September 28, sent the following communication to Police Commissioner Leo J. Sullivan:

DEAR COMMISSIONER SULLIVAN:

The work of the Boston Police Department in connection with the arrest of Thomas Monahan, an escapee from the House of Correction, merits the highest commendation. Detectives John Nee, Francis Powers, Joseph Cunningham, and James Moore worked diligently on this case and brought it to a successful conclusion by arresting Monahan in Roxbury on Sunday, September 24, 1961.

Monahan was given a hearing at the East Boston District Court on Monday, September 25, 1961, and held for the grand jury under chap-

ter 268, section 16, General Laws, as an escapee from a penal institution. He is now serving the balance of his sentence at Deer Island.

The arrest and return to custody of the escapee, Monahan, was another illustration of the efficient and conscientious service provided by your fine department. Thank you for your excellent cooperation in this case.

Sincerely yours,

JOSEPH V. McBRINE,
Penal Institutions Commissioner.

All-Night Parking Regulation Extended Through October 31

Chairman Thomas F. Carty of the Boston Traffic Commission announced, on September 27, that the Commission voted to continue the regulations permitting all-night parking on the odd-numbered sides of streets from September 30 through October 31.

This practice has greatly assisted the street cleaning forces and has become popular, also, with the residents.

O'CONNOR WAY WIDENING

South Boston

The Mayor and Public Improvement Commission have approved the widening and construction of Major Michael J. O'Connor Way, South Boston district, at the southeast corner of Dorchester avenue.

The project is described as follows:

The highway named Major Michael J. O'Connor Way is hereby widened at the southeast corner of Dorchester avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Alexander and Juzefa Daniszewski, bounded:

Westerly by Dorchester avenue, three and 30-100 feet; northerly by the southerly line of Major Michael J. O'Connor Way as it existed prior to this order, three and 30-100 feet, and southerly by the southerly line of Major Michael J. O'Connor Way as widened under this order, four and 45-100 feet radius, containing five square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Major Michael J. O'Connor Way as hereby widened is bounded:

Westerly by Dorchester avenue, three and 30-100 feet; northerly by the southerly line of Major Michael J. O'Connor Way as it existed

prior to this order, three and 30-100 feet, and southerly by the southerly line of Major Michael J. O'Connor Way as hereby widened, four and 45-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estate by the making of the public improvement consisting of the widening and construction of Major Michael J. O'Connor Way, South Boston district, at the southeast corner of Dorchester avenue, under an order of the commission of August 24, 1961, in the amount hereinafter respectively set against them, and awards said amount therefor.

Alexander and Juzefa Daniszewski, 5 square feet, \$1.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT.

Purchasing Division.

Perishable Foods

DEAR MR. MAYOR:

In accordance with letter approved by your Honor on February 9, 1961, authority is requested to award a contract, without public advertisement, to the following-named company for furnishing perishable foods, etc., to the various city departments from September 11, 1961, to March 31, 1962, inclusive:

Milton Silverman, Paul Later, a partnership, doing business as Federal Beef Company, 160 Atlantic avenue, Boston, Mass.

Respectfully yours,

MICHAEL A. DESIMONE,
Purchasing Agent.

BUILDING DEPARTMENT.

Building Demolition

DEAR MR. MAYOR:

The following houses have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous condition. These buildings are a menace to the neighborhood. The locations follow: 3 and 4 Webber place, Ward 8; 21 Kent street, Ward 9.

Accordingly, in conformity with the provisions of chapter 479, Acts of 1938, as amended, particularly section 116d thereof, I have asked and have received your Honor's permission to enter these various premises and to raze the structures.

Bidders were requested to submit an aggregate bid for the entire lot of houses, but to break down their bids to show the charge against each separate address. This breakdown is necessary for later departmental use in billing demolition costs incurred against the individual property owner of each house.

We have solicited invitation bids, award to be made to the lowest qualified bidder, and have received the following:

Lyons.—21 Kent street, \$1,300; 3 Webber place, \$385; 4 Webber place, \$400; total, \$2,085. Central.—21 Kent street, \$1,776; 3 Webber place, \$314; 4 Webber place, \$314; total, \$2,404.

The Lyons Wrecking Company has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance and it has done satisfactory work for this department in the past.

Bids for the demolition of individual houses were not requested because it would be a practical physical impossibility for several different wreckers to conduct efficient wrecking operations simultaneously in individual houses. Under such conditions, there would be much mutual interference, and each wrecker would be exposed to severe hazards not under his control, by the operations of adjacent wreckers. I also believe that the aggregate cost of individual bids would be much higher than the cost of one bid for the lot, and that handling

the houses as one unit results in lower administrative costs to the city than would result from handling the houses as separate bids and contracts. Unit handling results, however, in this case, in a contract price \$2,000 or over the statutory limitation upon awards that can be made without advertising, unless your Honor approves the transaction.

Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the city charter, of a contract in the sum of \$2,085 to the Lyons Wrecking Company.

Very truly yours,

ROBERT E. YORK,
Building Commissioner.

DEAR MR. MAYOR:

The following houses have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous condition. These buildings are a menace to the neighborhood. The locations follow: 29, 31, 33, 35, 37, 39, 41, 43, 45, 47, 49, 51, and 53 Warwick street, Ward 9, Roxbury.

Accordingly, in conformity with the provisions of chapter 479, Acts of 1938, as amended, particularly section 116d thereof, I have asked and have received your Honor's permission to enter these various premises and to raze the structures.

Bidders were requested to submit an aggregate bid for the entire lot of houses, but to break down their bids to show the charge against each separate address. This breakdown is necessary for later departmental use in billing demolition costs incurred against the individual property owner of each house.

We have solicited invitation bids, award to be made to the lowest qualified bidder, and have received the following:

L & L.—29 Warwick street, \$420; 31 Warwick street, \$420; 33 Warwick street, \$420; 35 Warwick street, \$420; 37 Warwick street, \$420; 39 Warwick street, \$420; 41 Warwick street, \$420; 43 Warwick street, \$420; 45 Warwick street, \$420; 47 Warwick street, \$420; 49 Warwick street, \$420; 51 Warwick street, \$420; 53 Warwick street, \$420; total, \$5,460.

49 Warwick street, \$420; 51 Warwick street, \$420; 53 Warwick street, \$420; total, \$5,460.

Maher & Fall.—29 Warwick street, \$498; 31 Warwick street, \$498; 33 Warwick street, \$498; 35 Warwick street, \$498; 37 Warwick street, \$498; 39 Warwick street, \$498; 41 Warwick street, \$498; 43 Warwick street, \$498; 45 Warwick street, \$498; 47 Warwick street, \$498; 49 Warwick street, \$498; 51 Warwick street, \$498; 53 Warwick street, \$498; total, \$6,474.

Agresta.—29 Warwick street, \$785; 31 Warwick street, \$785; 33 Warwick street, \$785; 35 Warwick street, \$785; 37 Warwick street, \$785; 39 Warwick street, \$785; 41 Warwick street, \$785; 43 Warwick street, \$785; 45 Warwick street, \$785; 47 Warwick street, \$785; 49 Warwick street, \$785; 51 Warwick street, \$785; 53 Warwick street, \$785; total, \$10,205.

L & B Building Wrecking and E. Polcari & Son submitted the lowest aggregate bids. Lots were drawn and L & B won the bid. This company is thoroughly familiar with this work, it carries all necessary insurance and it has done satisfactory work for this department in the past.

Bids for the demolition of individual houses were not requested because it would be a practical physical impossibility for several different wreckers to conduct efficient wrecking operations simultaneously in individual houses. Accordingly, the general public safety so requiring, I ask your Honor's approval for the awarding, without advertising, as required in the city charter, of a contract in the sum of \$5,460 to the L & B Building Wrecking.

Very truly yours,

ROBERT E. YORK,
Building Commissioner.

DEAR MR. MAYOR:

The following houses have been condemned by me as being in an unsafe and dangerous condition. Notices have been sent to the owners, but they have taken no steps to abate the dangerous condition. These buildings are a menace to the neighborhood. The locations follow: 19 Laurel street, Ward 12; 37 and 43 Fulda street, Ward 11.

Central.—19 Laurel street, \$1,684; 37 Fulda street, \$480; 43 Fulda street, \$1,380; total, \$3,544.

The Central Building Wrecking Company has submitted the lowest aggregate bid. This company is thoroughly familiar with this work, it carries all necessary insurance and it has done satisfactory work for this department in the past.

Bids for the demolition of individual houses were not requested because it would be a practical physical impossibility for several different wreckers to conduct efficient wrecking operations simultaneously in individual houses. ROBERT E. YORK,
Building Commissioner.

ELECTION DEPARTMENT.

Transportation of Voting Machines

DEAR MR. MAYOR:

On September 11, 1961, your Honor approved the written request submitted by the Board of Election Commissioners on September 1, 1961, looking toward the approaching primary and regular elections, for authorization to award a contract to P. A. Milan, Inc., 202 State street, Boston, for the transportation of voting machines from location to location within the city limits, all of which will necessarily be involved in conducting the two elections. Specifically, the Board was granted permission to dispense with the formalities of advertising and to enter into a written contract with the aforementioned motor carrier at the same unit price per machine, per one way trip, viz., \$19.75, as had been achieved by public advertising in 1960.

Indeed, the foregoing rate contrasts favorably with the \$20.75 unit price filed by the above-named firm, the only bidder, on July 27, 1961, in response to public advertising. That bid was subsequently rejected by the Board, being mindful of the higher price and cognizant of the element that moving operations ordered and required at other than normal working hours and days were to entail a per man hour overtime charge.

It has recently come to the Board's attention that P. A. Milan, Inc., declines to enter into the September 11, 1961, authorized contract for the subject transportation services unless a stipulation is included providing for payment of overtime (per man hour of work) if the carrier is ordered and required to perform work on a Saturday, Sunday, or legal holiday, or on weekdays at hours earlier than 8 A.M., or later than 5 P.M. The Board concedes that the contractor's position is not unreasonable under existing and long-followed employment practices and likewise that his now proposed charge for overtime of \$3.77 per hour is not excessive. Furthermore, in view of the fact that proprietors at a number of the premises to be used as voting sites steadfastly and absolutely refuse to permit voting machines to be deposited until, for all practical purposes, the virtual deadline for opening of the polls; it will be imperative to order and require the contractor to carry out some services during periods of overtime, to be paid for as stated, at a rate over and above the base unit price per trip. Again, it is impossible to set the total overtime costs with precision at this date, but it is the belief of the Board that the same will not amount to more than \$500.

Additionally, in the opinion of the Board of Election Commissioners, the \$10,000 amount specified in its initial letter of September 1, 1961, will not cover the entire transportation and moving services to be encompassed by the contract as it is now herein outlined. Naturally, if the actual carrying out of the subject moving operations begin to demonstrate that the final over-all costs will exceed the contract sum, it would be necessary to request your Honor's assent for the increase of that figure by appropriate amendment of the contract.

It is therefore the purpose of the Board in this writing to present your Honor with the foregoing information and to supplement its prior communication by respectfully requesting permission for the award of a contract, without publicly soliciting proposals therefor, to P. A. Milan, Inc., of Boston, to furnish to

the City of Boston transportation and voting machine moving services, for a period commencing with execution of the contract and terminating December 31, 1961, at the unit price (per one way trip per machine) and overtime rate, as aforesaid, the total contract sum not to exceed \$10,500.

Your Honor's prompt and favorable consideration of this request is most urgent. The moving of voting machines will need to ensue almost immediately as the date of the coming primary is September 26, 1961. It is also well beyond the time when prudent thought may be given to a repetition of public advertising and indeed, that course did not, either this year or last, engender competitive bidding. It is worthy of note, too, that the motor carrier named above has performed the subject functions for a number of years, always with efficiency and safety to the city's valuable voting machines.

Respectfully yours,
BOARD OF ELECTION COMMISSIONERS,
DAVID LASKER,
Chairman.

Printing of Ballots

DEAR MR. MAYOR:

On September 8, 1961, your Honor approved the written request submitted by the Board of Election Commissioners on August 28, 1961, for authorization to award a contract to the Wright & Potter Printing Company of 32 Derne street, Boston, for printing the Preliminary Municipal Election Ballots, without advertising for bids, for the sum of \$6,012.50.

However, because of an order by the court issued under date of September 18, 1961, to place the name of William P. Foley upon the ballot at the Preliminary Municipal Election (his name not having been certified by this Board and thus not submitted in our copy for ballot printing), it became necessary for the Wright & Potter Printing Company to redo some of the printing that already had been completed. Copy for ballot having been furnished the Wright & Potter Printing Company under date of September 11, 1961.

The Wright & Potter Printing Company has performed its duties as efficiently and expeditiously as the character of such an operation will allow, and, therefore, on behalf of the Board of Election Commissioners, I hereby respectfully request your authorization to amend, without advertising, the existing contract in the sum of \$735.32 to cover the cost of reprinting and punching ballot labels for voting machines, and the reprinting of challenged ballots.

Respectfully yours,
BOARD OF ELECTION COMMISSIONERS,
DAVID LASKER,
Chairman.

HEALTH DEPARTMENT. Consultation Service

DEAR SIR:

I respectfully request your permission and authorization to enter into a contract with the Boston Tuberculosis Association to furnish advice, assistance, and consultation in planning the development and evaluation of the medical-social service aspects of the tuberculosis program offered by the City of Boston. In addition to assistance in rehabilitation of tuberculosis patients and the benefit of their experience in social-economic problems of these patients, the Boston Tuberculosis Association will furnish the services of a full-time, qualified medical-social worker as part of this contract.

At the present time in order that the tuberculosis program may be more effectively conducted and to more nearly accomplish its objectives, we would be greatly benefited by entering into this contract with the Boston Tuberculosis Association. Obviously in view of the nature of the service to be performed, this organization—which has been associated with this disease for years—is the only one which is well equipped to take care of this type of service. Admittedly there is nothing to be gained by public advertising, since this is a highly specialized and technical field, and involves expert professional skill, training, and experience.

The Boston Tuberculosis Association would carry out and furnish as heretofore stated the services of a medical-social worker in addition

to other advice and consultation at a monthly cost to the City of Boston of \$550. The total cost of this contract will be in a sum not to exceed \$3,300, the proposed contract to be for a period beginning October 1, 1961, and ending March 31, 1962; payments to commence November 1, 1961, and successive monthly payments to be made on the first of the following months for the term of the contract, with a final payment to be made April 1, 1962.

I therefore respectfully request your written authorization to dispense with public solicitation of bids for this contract.

Respectfully,
F. ROBERT FRECKLETON, M.D.,
Health Commissioner.

HOSPITAL DEPARTMENT. Office Machinery

DEAR MR. MAYOR:

During 1960, International Business Machines Corporation data processing equipment was leased and installed at Boston City Hospital. This equipment is now in operation for patient billing procedures.

The Trustees of Boston City Hospital respectfully request your Honor's permission to award a contract to International Business Machines Corporation, without public advertising, in the amount of \$10,444.80, for rental of previously installed machines for the period of the calendar year 1961.

The rental contract details are as follows:
024, Alphabetical Punch, 2 at \$40, \$80.
056, Alphabetical Verifier, 2 at \$50, \$100.
082, Sorter, 1, \$55.
085, Collator, 1, \$125.
614, Reproducing Punch, 1, \$125.
548, Interpreter, 1, \$100.
403, Alphabetic Accounting Machine, 1, \$503.
Total monthly rental, \$1,088.

Total yearly rental, \$13,056; less, educational contribution, 20 per cent discount, \$2,611.20; annual total, \$10,444.80.

This proposal for a contract has been considerably delayed in its presentation. The delay has been due to negotiations leading to a decision making this hospital eligible for a 20 per cent educational deduction in the standard rental fee as an educational institution. A favorable decision has been received and the discount is reflected in the proposed rental contract price.

The decision to use IBM data processing equipment was made after lengthy and detailed study of various electronic machine systems available on the market. The IBM equipment best suited the particular requirements of the present and planned total data processing needs of this hospital.

Since the International Business Machines Corporation is the exclusive supplier of the equipment selected there is no advantage to be gained in this instance by publicly advertising.

Respectfully yours,
BOARD OF TRUSTEES,
WILLIAM H. ELLIS, JR.,
President.

Construction of Laboratory

Construction of a new laboratory within the Mallory Building at the Boston City Hospital, awarded to J. A. Singarella Company, in the amount of \$54,155.

The other bidders were:
Komac Construction Company, Inc., \$68,840;
H. H. Hawkins & Sons Company, \$60,516;
Rossano Construction Company, Inc., \$57,462;
M. Solimando, Inc., \$56,724; Edward Gorman, \$56,364; Parkman Construction Company, Inc., \$52,962; Peabody Construction Company, Inc., \$50,574.

The general bid of both Peabody Construction Company, Inc., and Parkman Construction Company, Inc., have been rejected by the Board of Trustees; in the former case because the general bid was incomplete, and in the latter instance because that bid was incomplete as well as obscure. Also the subbid of M. B. Foster Electric Company for the electrical work was rejected since it was incomplete and obscure.

The trustees have voted, subject to your Honor's approval, to award the contract for construction of a new laboratory within the Mallory Building at the Boston City Hospital to J. A. Singarella Company who is the lowest eligible and responsible bidder for the work.

In addition, both alternates No. 1 and No. 2 relating to painting and electrical work, respectively, and which were included in the invitation for general bids have been accepted; and it has been agreed to substitute the subbid of Kahn Electrical Corporation in the sum of \$5,726 for electrical work in place of the rejected M. B. Foster Electric Company subbid of \$5,445 as carried in the J. A. Singarella Company general bid. The acceptance of alternate No. 1 and alternate No. 2 necessarily result in additions to the J. A. Singarella Company bid price of \$1,325 and \$149, respectively, and the difference between the above two electric subbids of \$281, further increases the general bid sum in the amount of \$1,755, all of which adjusts the J. A. Singarella Company bid upwards from \$54,155 to \$55,910, which amount is the figure at which the contract is proposed for the award to J. A. Singarella Company.

Respectfully yours,
BOARD OF TRUSTEES, HOSPITAL DEPARTMENT,
By THOMAS J. GIBLIN,
President.

MAYOR'S OFFICE, YOUTH ACTIVITIES BUREAU. Consultant Services

DEAR MR. MAYOR:

I herewith request authorization to dispense with public advertising in awarding a 16-month contract to Brandeis University for conducting this Bureau's research program.

The contract will cover 16 months of research by the university under the direction of Dr. Howard Freeman and other members of the staff at a cost not to exceed \$4,800. The university will assist in the development of a program of on going operational research; a preliminary assessment of the impact of the agency on delinquent and asocial activity, and an examination of the potentialities for obtaining foundation grants. The reason for not inviting bids is because of the professional and highly special nature of the services to be rendered along with a reasonable fee the university has agreed to.

Respectfully,
JAMES A. TRAVERS,
Director.

PUBLIC WORKS DEPARTMENT. Repairs to Trucks

DEAR MR. MAYOR:

The Public Works Department operates eight heavy-duty White trucks, three of which are ten-ton units assigned to duty at the South Bay Incinerator and used seven days a week and twenty-four hours a day. Our Maintenance Branch does not have the facilities or the parts necessary to make major repairs to this equipment and such repairs should be made by an authorized agent who has the required personnel and equipment to do the work. The authorized agent for these units is the White Motor Company of 86 Coolidge avenue, Watertown.

Accordingly, your permission is requested to dispense with public advertising and to award a contract to the White Motor Company, 86 Coolidge avenue, Watertown, in the amount not to exceed \$4,000, for miscellaneous repairs to White trucks.

Respectfully yours,
JAMES W. HALEY,
Commissioner of Public Works.

TRAFFIC DEPARTMENT. Traffic Signs

DEAR MR. MAYOR:

On August 23, 1961, following my communication of August 21, 1961, your Honor authorized the award of a contract for furnishing and installing 600 traffic signs at various locations in the city to Standard Sign and Signal Company, Inc., in the sum of \$5,806.90. This firm, as your Honor will recall, was the lowest of the three bidders who submitted bids for the work.

It has now been called to my attention that acceptance of the bid submitted by the above-named firm was conditioned by that bidder upon the award being made for all eleven items of the proposal; whereas, the invitation for bids reserved to the Awarding Authority the right to award a contract for less than all the items contained in the proposal.

Nevertheless, it is in my opinion in the best interests of the city that the contract be awarded to Standard Sign and Signal Company, Inc., since that firm submitted the lowest total price for the work. Therefore, I propose, subject to your Honor's authorization, to reject all bids and to award the contract to Standard Sign and Signal Company, Inc., for the subject work in the amount of \$5,806.90 at the same unit prices as contained in its formal bid, without public solicitation for bids.

Additionally, with your permission the contract to be executed will include the standard so-called 25 per cent provision so as to allow up to that additional percentage of the stated contract quantities of work ordered done at the applicable contract unit price, all as had

been provided for under the August 12, 1961, public invitation for bids.

Respectfully,
THOMAS F. CARTY,
Commissioner.

VETERANS' WIDOWS ALLOWANCES

Applications for veterans' widows allowances have been approved by the Retirement Board for the following:

Katherine L. O'Brien, whose late husband, John J. O'Brien, died on August 9, 1961.

Mr. O'Brien was employed as a detective second-grade in the Police Department.

CLAIMS APPROVED

The Mayor, on recommendation of the Corporation Counsel, has approved the following votes of the City Council Committee on Claims:

Robert E. Bowie, 18 Oak street, Charlestown, to be reimbursed on account of his acts as an employee of the Fire Department on May 16, 1961, while the operator of fire apparatus attached to Ladder 9, on Green street, Charlestown, he struck the parked car of Anne Leib Lynch, causing damage thereto, by payment of \$60.

Robert E. Laing, 121 St. Rose street, Jamaica Plain, to be reimbursed as the result of an accident on January 31, 1961, while in the performance of his duty as the operator of a Fire Department vehicle, attached to Engine 22, on Symphony road, he struck a parked car owned by William E. Cook, Jr., causing damage thereto, by payment of \$250.

EXTENSION OF CONTRACTS

The Mayor has approved the following:

TRAFFIC DEPARTMENT.
Pavement Markings

DEAR SIR:

Your approval is respectfully requested of an extension of the time of completion of work under the contract with White Lines,

Inc., 173 Cedar street, Roxbury, Mass., for painting pavement markings on various road surfaces in the City of Boston for an additional ten calendar days. This contract was approved by your Honor on May 31, 1961.

Work was begun on June 18, 1961, and the basic requirements of the contract have been completed within the period of ninety calendar days specified in the contract.

A certain amount of extra work is considered desirable, much of it in the downtown

area, and since this work can best be carried out on Sunday, this extension is considered necessary to include two Sundays.

Funds are available under Article 3 of the contract, which allows an increase of the sum of the original proposal not in excess of 25 per cent.

Respectfully submitted,

THOMAS F. CARTY,
Traffic Commissioner.

KNOLL STREET WIDENING

West Roxbury

The Mayor and Public Improvement Commission have approved the widening and construction of Knoll street, West Roxbury district, at Selwyn street.

The project is described as follows:

NORTHWEST CORNER OF SELWYN STREET

The highway named Knoll street is hereby widened at the northwest corner of Selwyn street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Harry and Mary A. Norman, bounded:

Southeasterly by Selwyn street, ten and 00-100 feet; northeasterly by the southwesterly line of Knoll street as it existed prior to this order, ten and 00-100 feet, and southwesterly by the southwesterly line of Knoll street as widened under this order, fifteen and 71-100 feet on a curve of ten and 00-100 feet radius, containing twenty-one square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Knoll street as hereby widened is bounded:

Southeasterly by Selwyn street, ten and 00-100 feet; northeasterly by the southwesterly line of Knoll street as it existed prior to this order, ten and 00-100 feet, and southwesterly by the southwesterly line of Knoll street as hereby widened, fifteen and 71-100 feet on a curve of ten and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

SOUTHEAST CORNER OF SELWYN STREET

The highway named Knoll street is hereby widened at the southeast corner of Selwyn street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Leon W. and Josephine Jones, bounded:

Northwesterly by Selwyn street, eight and 00-100 feet; southwesterly by the northeasterly line of Knoll street as it existed prior to this order, eight and 00-100 feet, and northeasterly by the northeasterly line of Knoll street as widened under this order, twelve and 57-100 feet on a curve of eight and 00-100 feet radius, containing fourteen square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Knoll street as hereby widened is bounded:

Northwesterly by Selwyn street, eight and 00-100 feet; southwesterly by the northeasterly line of Knoll street as it existed prior to this order, eight and 00-100 feet, and northeasterly by the northeasterly line of Knoll street as hereby widened, twelve and 57-100 feet on a curve of eight and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ORDER FOR SPECIFIC REPAIRS

Voted, That this commission, having passed the order of notice relating to the public improvement hereinafter described, and having caused a copy of said order to be published July 8 and July 11, 1961, in the Boston American and the Boston Globe, two daily newspapers published in the City of Boston, and having given the public hearing, notice of which was given in said order, and being of the opinion that public necessity and convenience require, does hereby order that specific repairs be made in Knoll street, West Roxbury district, on the northeasterly side, from Centre street to Hazelmere road, consisting of the installation of artificial stone sidewalks; and that this commission estimates that the undermentioned parcels of land situated on the northeasterly side of Knoll street, between Centre street and Hazelmere road, as shown on a plan marked "City of Boston, Knoll Street, West Roxbury, August 21, 1961, John J. McCall, Division Engineer, Engineering Division, Public Works Department," and on file in the office of this department, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered, in the amounts hereinafter mentioned.

Each proposal must be accompanied either by a cashier's check or by a certified check in the amount of \$4,500 drawn on a Boston or New York City National Bank or Trust Company, the check made payable to the City of Boston, James E. Gildea, Collector-Treasurer. The check of any bidder to whom an award is made will be retained as part payment for the loans awarded. All other checks will be returned.

Accrued interest from November 1, 1961 to date of delivery is to be paid by the purchaser.

All proposals will be opened in the office of the Collector-Treasurer, Tuesday, October 24, 1961, at 12 o'clock M., Eastern Daylight Saving Time. The Collector-Treasurer reserves the right to reject any or all bids or to accept such bid or bids as may seem to him to be the most advantageous to the City.

JAMES E. GILDEA,
Collector-Treasurer.

ADVERTISEMENT CITY OF BOSTON.

LIBRARY DEPARTMENT.

INVITATION FOR PROPOSALS FOR DEMOLITION OF BUILDINGS, CONSTRUCTION OF PARKING LOT, AND MISCELLANEOUS WORK, AT CORNER OF EXETER STREET AND BLADGEN STREET, BOSTON, MASS.

The Trustees of the Public Library of the City of Boston, a corporation duly organized and existing under the laws of the Commonwealth of Massachusetts (see St. 1878, C. 114), hereinafter referred to as the Awarding Authority, invite sealed proposals for the demolition of buildings and construction of parking lot at the corner of Exeter street and Bladgen street, Boston, Mass., and other miscellaneous work.

Proposals will be received until twelve o'clock noon (Eastern Daylight Saving Time), Tuesday, October 24, 1961, at the office of the Trustees at the Boston Public Library, Copley square, Boston, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted on forms obtained from the Awarding Authority. The proposals shall be completely filled out, signed and enclosed in an envelope, sealed and plainly marked with the name of the bidder, and the description of the work bid upon.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the Trustees of the Public Library of the City of Boston, in the sum of five thousand dollars (\$5,000), shall be submitted with the proposal. The bid deposit shall be in a separate envelope plainly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The bid deposit shall become the property of the Trustees of the Public Library of the City of Boston as liquidated damages if, after an award is made to him, the bidder shall fail to enter into the required contract within ten days after notice of said award is mailed or delivered to him. All bid deposits, except the three lowest responsible bidders, will be returned within two days, Sundays and holidays excluded, after the opening of the proposals for the proposed work. The remaining bid deposits will be returned upon the execution and delivery of the contract for the proposed work or, if no award is made, then at the expiration of 30 days after the opening of bids therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of the General Laws (Ter. Ed.), chapter 149, sections 26 to 27D, inclusive, as amended, a schedule of which appears in the specifications.

The successful bidder shall be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Plans and specifications may be obtained on and after twelve o'clock noon (Eastern Daylight Saving Time), Monday, October 9, 1961, at the Business Office, Boston Public Library, Copley square, Boston, Mass. A deposit of ten dollars (\$10) in cash will be required for each set of plans and specifications taken out for estimating, said deposit to be refunded on the return of plans and specifications in good condition within thirty days after the opening of proposals.

A performance bond issued by a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

THE TRUSTEES OF THE PUBLIC LIBRARY OF THE CITY OF BOSTON, A CORPORATION DULY ORGANIZED AND EXISTING UNDER THE LAWS OF THE COMMONWEALTH OF MASSACHUSETTS (SEE ST. 1878, C. 114),

SO. BOSTON TO GET NEW ENGLAND'S LARGEST POWER PLANT

New testimony that the city is on the threshold of an era of rejuvenation and expansion was presented, on October 9, to the Boston College Seminar by Mayor John F. Collins with the announcement that the Edison Company will start construction in 1962 of a \$25 million generating unit at its L Street property in South Boston.

Edison Company President Charles F. Avila later revealed that scheduled completion of the huge facility has been set for the summer of 1965. Edison is already the city's largest taxpayer.

The new plant will have a normal capability of 340,000 kilowatts making it the largest single electric generating facility in New England.

In announcing the undertaking, at the Seminar, Mayor Collins stated:

"As we talk about the future of Boston, its rebirth so plainly indicated by the huge projects now underway or on the planning boards, and of the entire community's confidence that its greatest years lie ahead, I am happy at this time to make an announcement of tremendous significance.

"Charles F. Avila, President of Boston Edison Company, has told me that Boston Edison will build in South Boston the largest single electric generating facility in New England. It will cost in excess of \$25 million and this fact, of course, identifies the project as the largest investment by private capital, with the sole exception of the Prudential Center, in Boston's history.

"It will be located at the company's L Street Station property where power for the Greater Boston community has been produced since the turn of the century. The company has grown with Boston and will continue to grow with Boston. This action by Boston Edison Company reflects its confidence in the City of Boston and its entire metropolitan area.

"An investment of this magnitude is, I assure you, very important to the future of our city."

The South Boston plant will far out-produce Edison's Unit 6, which went into service last May at Mystic Station, Everett, and the familiar Edgar Plant at Fore River in Weymouth.

Economy and efficiency obtainable from the installation of a generating unit of this size were made possible by cooperative efforts with the New England Electric System and the New England Gas and Electric Association, it was explained. The decisions as to the size and location of this new power resource were made after an extended study of requirements, both within and beyond Edison's service area of 40 cities and towns of Greater Boston. The new facility places a huge source of electric power at the service of the core city where huge new construction plans are being finalized.

The project marks a major advance in strengthening the power interchange system of the New England area, it was stressed by Edison President Avila and by William Webster, president of the New England Electric System, and John F. Rich, president of the New England Gas and Electric Association. Residential, commercial, and industrial customers of the three companies will benefit from this cooperation, which has as its objective maximum economy and service reliability.

In the ten-year period between 1955 and 1965, the Edison's generating capability will have increased by 85 per cent.

The new turbine to be installed in South Boston, together with the single boiler which will supply the steam for its operation, would have supplied the peak electrical demand of the Edison system in 1941. At that time 70 boilers and 18 turbines were being operated and the peak demand was approximately one third of the estimated 1961 peak.

In height, the boiler supplying steam for the generator will be as high as a 16-story building and will consume two tons of soft coal every minute.

CIRCUMSTANCES SPECIFIED FOR CITY EMPLOYEE PHYSICAL EXAMINATIONS

Director of Administrative Services, Henry A. Scagnoli, on October 4, sent the following directive to all department heads:

Text of Directive

Effective as of October 10, 1961, there will be established a new "Pre-employment and Health Medical Program" for employees of the City of Boston and County of Suffolk, except uniformed forces of Fire and Police Departments and the School Department. This program will be conducted under the jurisdiction of the Supervisor of Personnel, Personnel Division, Administrative Services Department, and is established for the purpose of examining applicants for which the city might incur liability under the Workmen's Compensation Act.

The examinations will be conducted on the third floor of the Out-Patient Department of the Boston City Hospital by Dr. Robert Blackburn, Senior Executive Physician, assigned as Medical Examiner, on Tuesday and Thursday of each week between the hours of 2 P.M. and 4.30 P.M.

Upon request made by or for a department head by telephone [unless writing required—see (f)] to the Personnel Division of the Administrative Services Department, City Hall, Extension 295, the following will be examined:

- (a) All persons seeking employment;
- (b) All persons asking reinstatement after being separated from the service for more than three months for any reason;
- (c) All persons transferring from one position in the public service to a dissimilar position therein;
- (d) All persons returning to work after being absent, due to injury or illness, for more than ten consecutive working days;
- (e) All persons wanting to be placed on light duty because of physical disability; and
- (f) Any person whom a department head requests in writing be examined because of special circum-

stances (e.g., repeated absenteeism) specifically stated in such written request.

Requests for appointments must be made with employee of Personnel Division assigned to the program.

This employee will be located at Room 50, City Hall, Tel: La 3-5100, Extension 295, on days other than Tuesdays and Thursdays, when she will be at the examining office.

Appointments should be made in the morning on days when this employee will be at City Hall.

A suitable form has been prepared for record purposes. This form will be made in triplicate, the original of which will be retained at the unit, the duplicate returned to department, and the triplicate to the Personnel Division.

SUPPLEMENTARY STATEMENT

On October 9, Director Scagnoli sent the following supplementary to the original directive:

"Effective as of October 10, 1961, in relation to Directive No. 18 regarding the new Pre-Employment and Health Medical Program, your attention is called to the following:

"Please be advised that prior to the processing of Personnel forms for employees affected by paragraph 3, of Directive No. 18, it is mandatory that you have in your department a copy of the approved medical report.

"The Personnel Division of the Administrative Services Department will not process personnel forms until the instructions listed above have been conformed with."

FIRE DEPARTMENT ORDERS

October 5.

General Order No. 40.

FIRE PREVENTION WEEK.

Fire Prevention Week will be observed in the City of Boston from October 8 to 14, 1961, inclusive. Mayor John F. Collins has issued the following statement in connection with the observance of this week:

"Throughout the year, fire strikes an average of 800 American homes every day. Every three quarters of an hour, fire takes a life somewhere in the United States. The tragic thing about these fires is that thousands of them could have been avoided. They should never have happened.

"It is a reminder of this fact, that the nation and our city is observing Fire Prevention Week on October 8 to 14. I am very proud of the record relative to Fire Prevention in our city. During the past few years, we have reduced by 25 per cent the number of building fires. In relation to loss of life by fire, during the winter season, 1960-1961, we did not lose a single life as a result of space heater fires. This was brought about by research by the Boston Fire Department, and this information was disseminated on a country-wide basis and had a most telling effect in reducing life loss in other municipalities throughout the country. However, we cannot be satisfied or rest on our laurels, we must give our attention every day to the prevention of fire.

"As your Mayor, it is my earnest plea to you, our citizens, to keep your homes in good order, be careful of fire hazards, and call the Fire Department immediately in the event of fire."

The Boston Fire Department will again emphasize the Fire Prevention Week with a series of activities as follows:

(a) Fire stations shall be open to the public between the hours of 12 noon and 8 P.M. for inspection of the premises and for the conveyance of information concerning the Fire Department functions and fire prevention matters. When citizens come to a station during Fire Prevention Week, the man on house patrol shall summon the commanding officer who should be available and ready to either show the visitors around the station and to answer questions regarding the department, or to have a suitable person assigned to this duty.

(b) Fire Prevention literature will be passed out to children by the house patrol, but children will not be allowed to remain in quarters unless accompanied by a responsible adult.

(c) Canvas signs giving notice that Fire Prevention Week is in progress should be displayed from fire stations. Most stations have these signs in their possession from exhibitions of previous years, and it is the responsibility of company officers to see to it that these signs are kept in good condition from year to year. Signs should be displayed from Sunday to Saturday. Signs shall be checked daily by the officer in charge of quarters to assure that they are firmly affixed to the building in a proper manner.

District fire chiefs are directed to take an active interest in fire prevention programs in the following manner:

(a) By making arrangements with the various plants and industrial enterprises within the district to hold fire drills during the week. By grading these drills as "Good," "Fair," or "Poor," and making a report of same to the Fire Prevention Division, indicating the name of the enterprise, the date of the drill and the grade. Same should be forwarded promptly. Each concern should be requested to acknowledge participation in Fire Prevention Week activities

via written correspondence. These drills should be conducted by a company officer after arrangements are made. At plants where there are special or company fire brigades, particular attention should be given to assignments and/or response procedures. It is requested that the name of the company officer conducting the drill be furnished. It is anticipated that not less than three drills be conducted in each district.

(b) All public and private schools within each district shall be visited by a district chief or duly delegated company officer. School fire drills shall be held during Fire Prevention Week in all schools, both public and private. Permission should be obtained for the presentation of a five-minute talk on the subject of fire prevention—such addresses should not be read from a printed manuscript. Every effort should be made to speak effectively and emphatically.

The School Department in cooperation with the Fire Department is going to distribute "Home Inspection Blanks." Distribution of these blanks shall be by company officers within whose subdistricts the schools are located, and they shall be distributed during Fire Prevention Week. The teachers shall collect the completed blanks from the pupils, and in turn the company officers will collect from the various schools and return these blanks to the Fire Prevention Division with a summary of schools and total numbers collected on or before November 1. Posters for bulletin boards, two for each school, will also be distributed.

(a) An essay contest is being conducted in all parochial and public schools in the city for the sixth, seventh, and eighth grades of the grammar schools. The topic is "Fire Prevention in the Home," and the essay is to be of 150 words or less. All officers and members are requested to show an interest in this essay contest and to answer questions concerning it to any student who may request information relative to Fire Prevention in order to complete his essay.

The district fire chief should compile a list of fraternal, social, civic, and professional organizations within the district and advertise to them the willingness of the Fire Department to provide company officers for the purpose of lecturing on Fire Prevention at any time. District fire chiefs should make a concerted effort to bring the activities of the department before these organizations and arrange for lectures to be given. The name of any organization so participating should be reported to Fire Prevention Division, specifically, if the organization can be urged to forward on their own stationery a notation of the event, it would be to the greater advantage of the Fire Department.

Throughout the week, all fire fighters are to wear the department uniform going to and from the fire stations, even though they may be driving in their cars.

The uniforms shall be neat and clean

and regulation blue shirts and black ties shall be worn in conjunction therewith. Fire fighters are to pay special attention to the observance of fire hazards and to the duty of observing and locating fire hazards along the route followed by them in their coming to and going from daily work. Dilapidated buildings, rubbish accumulations, and other hazards should be reported to the Fire Prevention Division. The public expects uniformed members of the Fire Department to know something about fire prevention work and to have an interest in this subject since they are public employees engaged in this field. Fire fighters, therefore, during Fire Prevention Week should have this subject uppermost in their minds, and they should not pass by a fire hazard at any time without making a note of it for reference to the Fire Prevention Division. In short, every uniformed man in the Fire Department is a fire prevention inspector at all times.

The Governor's Proclamation on Fire Prevention is being issued with this order. Fire Prevention posters are being furnished separately. Company commanders upon receipt will post these items in a suitable location at the front of each fire station where they will be visible to the public. They will remain posted until October 15, 1961.

October 6.

General Order No. 41.

FIRE PREVENTION PARADE

The annual Fire Prevention parade will be held Sunday afternoon, October 8, 1961, in downtown Boston. All members of the department off duty at that time, fire fighters and members of branch divisions, are requested to participate in the parade. The parade will assemble at Arlington and Boylston streets at 1.30 p.m. It is earnestly requested that every off-duty member who can possibly do so volunteer to parade and to assist the department with its fire prevention program.

The assistant fire chief of Fire Prevention shall detail all off-duty members to march in the parade. The deputy fire chief of Division 1 shall detail two members from each district, three of these members will be officers; Division 2 shall detail two from each district, three of which will be officers. Regulation uniform and white gloves shall be worn.

NEW CONSTRUCTION NOW SLIGHTLY BEHIND 1960

The value of new construction for which building permits were issued in Boston by the end of September was \$40.6 million, or \$3.7 million below the nine-month total for 1960.

Severe weather conditions in the first three months of 1961 are given as the reasons for the slight lag in new construction so far this year as compared with the previous year. However, the gap has been speedily closing in over the past three months and there are indications that by the end of the year new construction may catch up or even overtake last year's total.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

HEALTH DEPARTMENT.

Business Machines

DEAR SIR:

The Boston Health Department is desirous of entering into a contract for the period April 1, 1962, to March 31, 1963, with the International Business Machines Corporation for the equipment listed herein in an amount not to exceed \$6,360, and respectfully requests your approval of such contract:

One accounting machine; one electronic sorter; one card counter, Device 65; one printing card punch; one verifier.

This request for prior approval is being submitted in order that we may have the authority to sign an agreement with the IBM this year for a rental in 1962, as normally there is a waiting period of six months for delivery of part of this equipment.

We have discussed this matter with Mr. Scagnoli and some of his advisers, and we are in accord that the rental of this equipment will vastly improve our management and program control.

Respectfully,

F. ROBERT FRECKLETON, M.D.,
 Health Commissioner.

WELFARE DEPARTMENT.

Business Machine Rental

DEAR MAYOR COLLINS:

About three years ago the Welfare Department became interested in increased machine accounting as a part of its administration and with the approval of the then Director of Administrative Services negotiated with the International Business Machines Corporation for the installation of a Random Access Machine Accounting device. At that time we were informed that delivery would be one and one half to two years because of the demand for this particular machine. However, when word was received that the machine was available, the department was not in a position to accept it and again discussed the entire situation

with Mr. John P. McMorro, the then Director of Administrative Services, who approved the leasing of the equipment.

The machine has now arrived and it is the opinion of the administrative staff that ultimately the automation will dispense with the services of 20 persons. It is not the proposal of the department to dismiss these persons but rather through normal attrition to reassign them to other sections of the department. The machine seems particularly adaptable to the functions and needs of the department because of its unusual ability to receive and store information making it possible for us to assemble financial, statistical, and social data with an accuracy not possible with present equipment. The machine is to be used principally to expedite payment of reimbursement claims to the City of Boston by the Commonwealth of Massachusetts and the Federal Government and, in addition, vast statistical information can be obtained.

The RAMAC 305 is a computer system consisting of five components described below:

Type 305, Model 1, Processing Unit, 1 at \$1,285 a month.

Type 323, Model 1, Card Punch, 1 at \$225 a month.

Type 340, Model 1, Power Supply, 1 at \$325 a month.

Type 350, Model 1, Disk Storage, 1 at \$650 a month.

Type 380, Model 1, Console, 1 at \$400 a month.

The use of these newer machines is essential in order to effect an even more efficient, satisfactory and expeditious performance of the work and services carried on by this department; and in view of the fact that equipment of this nature is in no way generally obtainable for use, it is considered that public advertising for these machines would not be advantageous to the city.

The department now has an existing contract for the lease of certain equipment from the International Business Machines Corporation and it is respectfully requested that you authorize the amendment of this contract in a sum not to exceed \$18,762.50, said amount to cover the period from September 15, 1961, to March 31, 1962, inclusive. As in the past, this request is made to amend the contract without the requirement of public advertising.

Very truly yours,

WILLIAM F. LALLY,
Director.

ACTING FOR FIRE COMMISSIONER

The Mayor has approved the following:

DEAR SIR:

Your Honor's permission is hereby requested to have Chief of Department John A. Martin sign the payrolls of the Fire Department for the four-week period beginning October 2, 1961.

The reason for this request is that many times it is necessary for the Fire Commissioner to be absent from the Headquarters office on department business; and, as the payrolls should be signed immediately upon completion in order to prevent a delay in paying the employees, the foregoing procedure is necessary.

Very truly yours,

THOMAS J. GRIFFIN,
Fire Commissioner.

PUBLIC WORKS DEPARTMENT.

Proposals for Minor Sewerage Works in East Cottage Street, Jamaica Street, Ruggles Place, and Russell Street, Public Works Districts 1, 2, 3, and 7, Charlestown, West Roxbury, and Dorchester.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for minor sewerage works in East Cottage street, Jamaica street, Ruggles place, and Russell street, Public Works Districts 1, 2, 3, and 7, Charlestown, West Roxbury, and Dorchester. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, less the amount of \$1,500, will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Minor Sewerage Works in East Cottage Street, Jamaica Street, Ruggles Place, and Russell Street, Public Works Districts 1, 2, 3, and 7, Charlestown, West Roxbury, and Dorchester," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. (Eastern Daylight Saving Time) of WEDNESDAY, OCTOBER 25, 1961, with a certified check for ONE THOUSAND (1,000) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

INVITATION FOR PROPOSALS FOR FURNISHING AND ERECTING CHRISTMAS TREES AT VARIOUS LOCATIONS IN BOSTON, MASS.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for furnishing and erecting Christmas trees at various locations in Boston, Mass.

Proposals will be received until 2 o'clock P.M., (Eastern Daylight Saving Time), Friday, October 20, 1961, at the office of the Commissioner, first floor, 33 Beacon street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained at the Engineer's office, Parks and Recreation Department, 33 Beacon street, Boston, Mass., on Friday, October 20, 1961. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of \$500, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the Engineer's office of the Parks and Recreation Department.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

LOCATION OF NEW CITY HALL NOW DETERMINED

—COURTESY OF BOSTON "GLOBE"

A brochure setting forth the exact location of the new City Hall in the Government Center area, together with other pertinent information, was sent out, on October 18, to some 300 architects all over the nation and in Mexico and Canada by the Boston Redevelopment Authority.

The layout shows the new City Hall to be the key structure in the Government Center area, serving as the focal point for spacious pedestrian malls in the present Scollay Square and Dock Square areas. Indicated also is the finally determined street pattern for the Center area.

The new Congress street, designed to run parallel to, and a short distance east of what is now Washington street, tunnels underground across what is now Dock square. A spacious open park area is thereby created between new City Hall and Faneuil Hall.

Another feature disclosed in the plan is the widening of Pemberton square to the east of Suffolk County Courthouse.

The center that now emerges, in present plans, are devoted, in major part, to pedestrian, not auto, traffic. City Hall and the Federal Building occupy an immense vehicle-free square, bounded on three sides by

Cambridge street, relocated Sudbury street, and relocated Congress street.

On the fourth side, will be a group of private buildings, including the present Veterans' Administration and Ames Building, at least three new structures, and either two other new structures, or what are now the Sears Crescent building. The fate of the much-discussed Sears Crescent has yet to be determined by the Boston Redevelopment Authority.

The brochure set forth the specifics in connection with the architectural competition conducted by the

Brought to Station 16, the subjects identified themselves as Otis R. Chapman, 19 years, of Waverly Hall, Georgia; Marshall S. Flake, 18 years, of Memphis, Tennessee; John J. Bedard, 18 years, of Sylvia street, Jamaica Plain, Mass.; James R. VanAlstine, 18 years, of Ox-mard, California, all four attached to the Otis Air Force Base, Falmouth, and one Joe Ledale Flake, 21 years, of Memphis, Tennessee, a civilian and brother of the above Marshall S. Flake whom he was visiting. All five were booked on suspicion of attempted robbery.

On the morning of September 14, 1961, these defendants were arraigned on warrants in Boston Municipal Court before Judge Roberts, charged with assault and battery with intent to rob. After hearing the evidence, Judge Roberts held all five in \$10,000 bail for the grand jury.

The Police Commissioner is pleased to recognize the excellent police work performed in this case by the above-named officers. As a result of their perseverance and devotion to duty, they accomplished the apprehension of five persons who, in all probability would have continued their vicious activities with serious consequence to unsuspecting victims.

FIRE DEPARTMENT ORDERS

October 10.

General Order No. 42.

I. WILLIAM F. BURKE.

It is with deep regret that the Fire Commissioner announces the death, on September 29, 1961, of Fire Fighter William F. Burke of Ladder Company 11. Fire Fighter Burke was appointed to the department on April 27, 1949.

The funeral was held from the J. Warren Sullivan Funeral Home, 35 Henshaw street, Brighton, at 8.45 A.M., Tuesday, October 3, 1961, followed by a Requiem High Mass in St. Anthony's Church, Holton street, Allston, at 9.45 A.M.

The chief of department made the customary detail to act as a funeral escort and members of Engine Squad 29 and Ladder Company 11 were excused from duty in order to attend the services.

II. FIRE ALARM BOX INSTALLED.

The following fire alarm box, which was established in General Order, No. 39, dated September 26, 1961, has been installed and connected into circuit card No. 26:

12-2354, Riverway Manor, Wheelock College, 214 Riverway.

Company commanders shall add the above box to circuit card No. 26.

III. FIRE ALARM BOX ESTABLISHED.

In the near future the following fire alarm box will be established:

12-7273, American Brush Company, 99 Atkinson street.

The assignment of apparatus for this fire alarm box will be the same as for Box 7273 and the circuit number will be 24.

IV. CALL'S ASSIGNMENTS.

Company commanders shall add the following signal numbers to Call's assignment cards in this department:

Signal 292, Supreme Market, 1230 Veterans of Foreign Wars Parkway. (Waterflow.) Apparatus to respond: Engine 30, Ladder 25, District Chief 10. Nearest box is 2883.

Signal 293, A. W. Perry, Inc., 230 Boylston street. (Waterflow.) Apparatus to respond: Engine 7, Ladder 17, District Chief 4. Nearest box is 1531.

Government Center Commission which will result in the design for the new City Hall. The contest will be concluded on May 4, 1962, when the winner will be notified.

The competition will be in two phases: Registration by competing architects closes on December 11, 1961, and entries are due by January 17, 1962. Eight finalists, each to receive \$5,000 if he complies with competition conditions, will be chosen about January 25, 1962.

Only sketches and preliminary designs will be required for the first phase, but detailed designs and models will be required of the finalists

PLANS ANNOUNCED FOR A \$22 MILLION BUILDING IN FINANCIAL DISTRICT

A plan to build a 25-story office building in the downtown financial district on a site primarily occupied by a city-owned parking lot was announced, on October 18, by Mayor Collins.

The proposed site is bounded by Franklin, Pearl, Oliver, and High streets, and includes a large parking lot.

Estimated cost of the structure is \$22 million according to Richard Wood of Hunneman & Co., Inc., realtors of Arlington street, Back Bay.

His firm with Ryan, Elliott Co., Inc., 140 Federal street, have been retained by separate development companies to buy the downtown tract containing 72,391 square feet.

The prime tenant, according to Mr. Wood, will be "a very well known and large company," with remaining space to be designed for multi-tenant office use.

POLICE DEPARTMENT ORDERS

October 10.

General Order No. 957.

The resignation of Patrolman Samuel M. Range of the Crime Prevention Bureau, having been presented, it is hereby accepted, to take effect Tuesday, October 17, 1961, at 5.45 o'clock P.M.

October 13.

General Order No. 958.

Patrolman John T. Murray, detailed to Division 11, from the Crime Prevention Bureau, is hereby commended for the performance of meritorious police duty and is granted three days' additional vacation.

On the morning of Monday, September 25, 1961, while investigating breaks which had taken place on Division 11, Patrolman Murray observed a boy in a shed at the rear of the YMCA, where summer day-camp equipment was stored. Asked why he was at this shed, the youth stated he was trying to get in out of the rain. The officer brought this sixteen-year-old boy to the YMCA office, where he was searched and found to have in his possession two sets of keys taken from that office. During questioning, the boy took Patrolman Murray to a location at the end of the YMCA ball field and pointed out a typewriter, completely demolished as a result of being thrown over a 10-foot chain link fence by the boy.

The youth was brought to Station 11, where during interrogation he confessed to the following: breaking and entering the YMCA on the previous evening and also in April of this year, when he stole a camera, slide projector, ash trays, and various items; breaking and entering Joey's Pizza Shop on Dorchester avenue and stealing \$20 in currency, a peanut machine, and a gum-ball machine; breaking and entering the Hudson diesel engine shop at Tenean street, Dorchester, and breaking open a Coke machine; breaking locks of three trucks in the rear of Mal's Department Store at Gallivan Boulevard and stealing three cases of Prestone antifreeze and a toaster.

On the morning of September 26, 1961, this youth was arraigned in District Court on five counts of breaking and entering and one count of larceny. His case was continued to October 3, 1961, and on that date he was adjudicated a delinquent on all counts, five of which were filed and one kept open for one year, and he was returned to the Lyman School from which he was on parole.

The Police Commissioner is pleased to recognize the devotion to duty of Patrolman John T. Murray and his diligence in the investigation of cases involving the activities of juveniles on Division 11.

October 16.

General Order No. 959.

The resignation of Patrolman Louis L. Chenette, Division 9, having been presented, it is hereby accepted, to take effect Wednesday, October 18, 1961, at 7.45 o'clock A.M.

October 16.

General Order No. 960.

The attention of all members of the department is directed to the changes in the General Laws of the Commonwealth

enacted during the Legislative Session of 1961 for the enforcement of which they are responsible.

The publication of changes in statutes with which the police must be familiar has been again made possible by the cooperation of the Attorney-General of the Commonwealth, Edward J. McCormack, Jr., who has authorized the reproduction of the official compilation edited and prepared by his office.

A copy of this publication is available for each member of this department who desires one for his personal use upon request of his commanding officer.

October 16.

General Order No. 961.

The reassignment of the following-named police officer is hereby ordered, effective Wednesday, October 18, 1961, at 7.45 o'clock A.M.:

Patrolman James H. O'Brien, from Division 10 to Crime Prevention Bureau.

October 17.

General Order No. 962.

Sergt. Charles V. Barry, Detective Philip J. DiNatale, and Patrolman James F. Mellon, Division 16, are hereby commended for the performance of meritorious police duty and each is granted three days' additional vacation.

During continuing surveillance of the Public Garden and environs for the purpose of detecting any criminal activities in that area, the above officers, on the night of Wednesday, September 13, 1961, observed a Ford convertible bearing a Tennessee registration plate parked at the curb in Charles street, near Beacon, later identified as the property of one Joe Ladale Flake, 21 years, of 738 North Parkway, Memphis, Tennessee. In the car were five individuals who appeared to be observing persons entering and leaving the Public Garden.

Parking the department vehicle nearby, the officers, in plain clothes, returned to the vicinity of the Tennessee car and, with Sergeant Barry and Detective DiNatale keeping watch on the occupants, Patrolman Mellon entered the Garden through the gate at Charles and Beacon streets. When about 50 yards inside the Garden, he heard running footsteps from behind him and turning saw the above-described subjects approaching. He heard one of them say, "Get Him," whereupon he was surrounded by the five. One had a length of chain wrapped around his wrist and brandished it in a threatening manner. Another had a large screw driver in his hand, the handle of which was taped. Patrolman Mellon was knocked to the ground by a football-type block and heard one of the youths say "Get his money." Regaining his footing, the officer identified himself and displayed his badge of office. At this point, he was joined by Sergeant Barry and Detective DiNatale, who had followed the youths and assisted in their arrest.

DORSET STREET WIDENING

Dorchester

The Mayor and Public Improvement Commission have approved the widening and construction of Dorset street, Dorchester district, at the southwest corner of Dorchester avenue.

The project is described as follows:

The highway named Dorset street is hereby widened at the southwest corner of Dorchester avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto.

A parcel of land, supposed to belong to John C. and Elizabeth Leonitias, bounded:

Easterly by Dorchester avenue, eight and 42-100 feet; northerly by the southerly line of Dorset street as it existed prior to this order, eight and 42-100 feet, and southerly by the southerly line of Dorset street as widened under this order, fourteen and 76-100 feet on a curve of twelve and 26-100 feet radius, containing eighteen square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Dorset street as hereby widened is bounded:

Easterly by Dorchester avenue, eight and 42-100 feet; northerly by the southerly line of Dorset street as it existed prior to this order, eight and 42-100 feet, and southerly by the southerly line of Dorset street as hereby widened, fourteen and 76-100 feet on a curve of twelve and 26-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estate by the making of the public improvement consisting of the widening and construction of Dorset street, Dorchester district, at the southwest corner of Dorchester avenue, under an order of the commission of August 24, 1961, in the amount hereinafter respectively set against them; and awards said amount therefor.

John C. and Elizabeth Leonitias, 18 square feet, \$1.

REPORT ON CONVENTION

The Mayor is in receipt of a report from John R. McGillivray, Superintendent of Long Island Hospital, on his attendance at the convention of the American Hospital Association and the American College of Hospital Administrators at Atlantic City, New Jersey, on September 24.

CENTRAL SQ. RECONSTRUCTION

East Boston

The Mayor and Public Improvement Commission have approved the following:

That this commission, having passed the order of notice relating to the public improvement hereinafter described, and having caused a copy of said order to be published June 10 and June 13, 1961, in the Boston Globe and the Boston Herald, two daily newspapers published in the City of Boston, and having given the public hearing, notice of which was given in said order, and being of the opinion that public necessity and convenience require, does hereby order that specific repairs be made in Central square, East Boston district, consisting of the installation of traffic divisional islands between Saratoga street and Liverpool street; increasing the curb radius at the southerly corner of Porter street, the northerly corner of Bennington street, and the southerly corner of Saratoga street, as shown on a plan marked "City of Boston, Central Square, East Boston, September 5, 1961, John J. McCall, Division Engineer, Engineering Division, Public Works Department," and on file in the office of said department.

TRAFFIC RULINGS

Temporary

The Traffic Commission has voted as follows:

ALTERNATE PARKING

That as urgently required by considerations of public safety and convenience, the Traffic Rules and Regulations of the City of Boston are amended as follows, from October 1, 1961, to October 31, 1961, inclusive:

The provisions of Article IV, Section 15A, prohibiting parking on alternate sides of the street on alternate days outside the downtown area of the city are suspended and the following regulation is substituted therefor:

Parking of vehicles is prohibited between 12:01 A.M. and 8 A.M. on the even-numbered side of all streets outside the downtown area of the city; provided that this regulation shall not apply on the even-numbered side of any street where parking is prohibited at all times on the odd-numbered side of such street, unless parking is otherwise prohibited.

The Traffic Commissioner has promulgated the following:

SAGAMORE STREET

During the emergency created by the frequency of accidents at the intersection of Belfort street and Sagamore street, Dorchester, emergency remedial measures were invoked as of October 11, whereby for the period aforesaid, the following street is declared an isolated "Stop" street:

Sagamore Street, Dorchester.
At Belfort street.

WEST END STREETS

INVITATION FOR GENERAL BIDS FOR BRICK WORK ON NO. 2 BOILER IN THE POWER HOUSE AT THE SANATORIUM DIVISION OF THE BOSTON CITY HOSPITAL, 249 RIVER STREET, MATTAPAN, MASS.

The City of Boston, acting by the Board of Trustees, Hospital Department, hereinafter referred to as the Awarding Authority, invites sealed general bids for brick work on No. 2 boiler in the Power House at the Sanatorium Division, 249 River street, Mattapan, Mass.

General bids will be received until twelve o'clock noon, Tuesday, October 31, 1961, at the office of the Superintendent, Sanatorium Division, 249 River street, Mattapan, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on forms obtained from the office of the Superintendent designated above. Each copy of the general bid shall be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority at the office of the Superintendent designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$200. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest eligible, responsible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, as amended, a schedule of which rates appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The general bids will be deemed to relate to that signed set of specifications for the project on file at the office of the Superintendent, Sanatorium Division, and bidders will act at their own risk if any variance exists between the aforesaid set of specifications and the set (or sets) of specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of specifications furnished to the bidder is a true and complete copy of the set of specifications on file as aforesaid.

Specifications may be obtained at the office of the Superintendent, Sanatorium Division, 249 River street, Mattapan, Mass., on Wednesday, October 25, 1961, upon receipt of a certified check, payable to the City of Boston, in the amount of five dollars (\$5) per set of specifications. The amount of the deposit per set of specifications will be refunded upon return thereof, in good condition, to the Superintendent of the Sanatorium Division at 249 River street, Mattapan, Mass., with the general bid, or upon return thereof, in good condition, to him, not later than thirty (30) days after the opening of the general bids (Saturdays, Sundays, and legal holidays excluded).

A performance bond and also a payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of one hundred (100) per cent of the contract price will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities. The Awarding Authority also reserves the right to reject any or all general bids if it be in the public interest so to do in accordance with section 44D of chapter 149 of the General Laws, as amended.

The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days (Saturdays, Sundays, and legal holidays excluded), after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of com-

pensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

INVITATION FOR GENERAL BIDS FOR ROOFING AND METAL WORK AT THE ALEXANDER HAMILTON SCHOOL, STRATHMORE ROAD AND CHESTNUT HILL AVENUE, BRIGHTON, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for roofing and metal work at the Alexander Hamilton School, Strathmore road and Chestnut Hill avenue, Brighton, Mass.

General bids will be received up until twelve o'clock noon, Wednesday, November 1, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$150. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of specifications for the project on file at the office of the Superintendent of Construction of the Department of School Buildings designated above and bidders will act at their own risk if any variance exists between the aforesaid set of specifications and the set (or sets) of specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of specifications furnished to the bidder is a true and complete copy of the set of specifications on file as aforesaid.

Specifications and other documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

SALE OF PIGS AT THE HOUSE OF CORRECTION, DEER ISLAND, BOSTON, MASS.

SOLICITATION OF BIDS TO PURCHASE PIGS AT DEER ISLAND, BOSTON, MASS.

Sealed bids for the sale of one hundred (100) surplus pigs, weight about one hundred (100) pounds each, will be received by the Penal Institutions Commissioner, Room 805, City Hall Annex, Boston, Mass., up to 10 A.M. (Eastern Standard Time), November 6, 1961, and shall immediately thereafter be publicly opened and read aloud.

Said pigs were raised at Deer Island and may be seen there any day, except Sundays and holidays, between 8 A.M. and 4 P.M.

The conditions of sale of pigs will be as follows:

1. Bids are to be made on a basis of price per pound for the entire lot.

2. Weighing of pigs to be by a representative of the Sealer of Weights and Measures Department, City of Boston.

3. The delivery of the pigs will be made at the piggery at Deer Island.

4. Any attendant charges in connection with the sale are to be assumed by the successful bidder.

5. Terms of Sale: F.O.B. Deer Island. The sum of two hundred and fifty dollars (\$250), cash or certified check, made payable to the City of Boston, is to be deposited by each bidder together with the bid. The \$250 shall be considered as part payment for the pigs by the successful bidder. The balance, cash or certified check, made payable to the City of Boston, is to be paid on delivery of pigs after being weighed.

6. The bid deposits of all other bidders will be returned immediately following payment of balance of purchase price by the successful bidder. If the successful bidder does not pay the balance of the purchase price and remove the pigs from Deer Island

not later than November 14, 1961, the bid deposit shall become the property of the City of Boston as liquidated damages. The next highest bidder will then be designated as the successful bidder by the Penal Institutions Commissioner.

7. The successful bidder will provide the transportation for the pigs from Deer Island and shall remove the pigs from Deer Island not later than 4 P.M. (Eastern Standard Time), November 14, 1961.

8. The Commissioner reserves the right to accept or reject any and all bids.

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

No. 43

CITY MAKES GOVERNMENT CENTER LANDTAKING

Quick clearance of the Government Center site was assured on October 25, when the city took formal possession of 50.3 acres, including nearly 400 buildings, in the area now covered by Scollay, Bowdoin, Dock, and Haymarket squares.

Mayor Collins and Development Administrator Edward J. Logue emphasized, however, that demolition would not begin at once and every precaution and care will be taken to relocate residents and businesses in the area.

In connection with the land-taking, Mayor Collins stated as follows:

Mayor's Statement

¶ Action today by the BRA completes the steps required by the City of Boston to begin early acquisition of land in the Government Center project.

¶ A month ago we obtained approval of a \$21 million loan from the Federal Urban Renewal Administration. This was the first loan approved in the nation to finance early land acquisition activity. We have moved fast to make use of this loan so that its benefits can be applied to the property owners and occupants in the project area.

¶ During the past months I have consistently expressed my earnest desire to move forward

aggressively on the Government Center project and at the same time minimize the hardships for property owners and tenants in the area. The early land acquisition program has been the essential element in the formula for achieving these goals. Accordingly, I can now say confidently that our efforts have been rewarded. All of Boston can take pride in these accomplishments.

¶ Now we enter a new phase of activity. Land can be acquired. Orderly and humane relocation of families and businesses will begin. Assistance to those displaced can be provided. Arrangements for demolition of structures following relocation can be made. Public and private developers can be assured that the Government Center project is a firm reality.

¶ We shall continue to give this project the careful attention to detail that is required to bring about successful execution. I am proud to recognize today's action as one more important step in the rebirth of Boston, to which I rededicate my every effort.

Demolition In Stages

Demolition will be in stages. The first area will be the site bounded by Scollay square, Hanover, Portland, and Sud-

bury streets. This five-acre tract is where the federal building will be located.

In a year, BRA officials estimate, the federal government will be ready to build. Unoccupied buildings will be torn down first, probably starting within a month. The Mayor said there will be no loss to the city in taxes. Rentals from tenants will be used to reimburse the city, in lieu of taxes, through 1962. The total land taken had an assessed valuation of about \$16 million.

The landtakings stretched from Staniford street, next to the West End redevelopment project, to part of Court street, and from Pemberton square to Blackstone street.

Fate of Sears Block

Included in the takings was the famed Sears Crescent block on Cornhill which historical groups have been fighting to retain. Administrator Logue, who at first recommended that the triangular area formed by Cornhill, Court street, and Washington street be left out of the project boundaries, changed his recommendation and asked the Redevelopment Authority members to include it in the takings. He emphasized the Sears block will not be torn down until a further

Landtaking . . .

(Continued from Front Page)

study is made. A report on the block's future is expected within two months, Mr. Logue told the Authority members.

Excluded from the takings was the structure at 10 Tremont street, an office building with a drugstore on the street floor, the Veterans' Administration Building on Court street, and the Ames Building at Court street and Washington street.

Welfare Building Excluded

Other parcels excluded were a triangular parking lot at Merrimac and Friend streets, the Telephone Building in Bowdoin square, and four city-owned parcels. These are the Wayfarers' Lodge on Hawkins street which is to be the site office for the redevelopment project, to be demolished later; a school warehouse on Norman street; a lot on Hale street, and the Welfare Department building on Chardon street.

Tight Budget Controls In Effect for the Remainder of 1961

Director of Administrative Services Henry A. Scagnoli, on October 23, sent the following directive to all Department Heads and County Officers.

¶ After consultation with the City Auditor and the Supervisor of Budgets, it has been deemed necessary to exercise at this time greater control of expenditures by all departments. Effective immediately, all requisitions must be approved by the Supervisor of Budgets prior to their being processed by the Purchasing Division. Also, Service Order work *will not* be initiated until the contractor has received the appropriate forms from the city except in cases of extreme emergency. It is then mandatory that a letter be attached describing in full detail the emergency involved.

¶ All requests for expenditures *must be carefully checked* by the Department Head before submission and will be scrutinized by the Supervisor of Budgets to make certain that the department has complied with the following requirements:

- (a) The purchase or service is essential and needed at this time.
- (b) That it is specifically covered in your budget.
- (c) That sufficient funds are available.

¶ In view of the fact that there will be no "Available Sources" for the transfer of funds this year, it is of vital importance for Department Heads to be cognizant of the following:

1. It is essential that you familiarize yourself with the personnel item as authorized in the 1961 budget.
2. Payrolls should be projected *immediately*, and if necessary, consultations should be arranged with your budget analyst, to anticipate that sufficient moneys are available for the balance of the year.

If the projection indicates a possible deficit, funds in other departmental accounts must be reserved to cover this shortage. You are hereby directed that only those vacancies vital to the efficient operation of the department will be approved for the balance of the fiscal year 1961.

CREDIT UNION TO ELECT NEW DIRECTORS, NOV. 21.

Annual election of directors for the City of Boston Employees' Credit Union will be held Tuesday, November 21, 1961, Martin A. Fulton, president announced on October 16.

Nomination papers may be obtained at the Credit Union Office. Last date for filing is Tuesday, October 31, at 2 P.M. Nominees must obtain a minimum of 20 Credit Union members' names on their nomination blanks. Voting will be from 12 noon to 6 P.M. on Election day. There will be no nominations from the floor at the annual meeting of the Credit Union membership which will be held on that day.

Christmas Festival Opens December 1

Boston's 12th annual Christmas Festival will open Friday afternoon, December 1.

Mayor Collins announced this week that H. Frederick Hagemann, president of the State Street Bank and Trust Company, has been named chairman of the finance committee to raise funds for support of the world-famed festival.

Avery Sawyer, assistant vice president of the same bank, was named assistant chairman of the finance committee.

Both men have helped in financing the production of the festival since its inception in 1950. They served in 1953 and 1954 in capacities similar to their duties this year.

MAYOR URGES EMPLOYEES OF CITY TO APPLY FOR TOP HOSPITAL JOBS

City employees and residents of Boston were, on October 26, urged by Mayor Collins to apply, "if qualified," for three top-paying positions at Boston City Hospital.

The jobs are those of Business Manager, General Services Manager, and Director of Physical Facilities. Salaries are open, and will be commensurate with those paid in private industry. (See "City Record" issue of September 16, 1961.

George S. Conn, an executive of Cresap, McCormick & Paget, management consultants at 342 Madison avenue, New York City, is in charge of the survey to find the best qualified men or women to fill these positions. Mr. Conn told the Mayor that over 100 applications have been submitted. Candidates have written from every state in the nation, plus one from the Virgin Islands.

Further information regarding the City Hospital posts may be obtained from Mr. Conn at his New York address, but Mr. Conn urged interested parties to apply at once.

Mr. Conn and consultants will be in Boston next week to hold interviews for the posts.

FIREFIGHTERS LOCAL JOINS FIRE DEPARTMENT IN UNIQUE PROTECTION OF DISABLED PERSONS

Mayor John F. Collins, on October 17, announced that a joint effort by Boston's Fire Department and the Firefighters Local Union 718 to prevent loss of life by fires will begin with the distributions of a new red and black decal-type sticker which will be available to families where a blind or disabled person resides.

The round sticker, 5 inches in diameter, will be placed on the front door or window of buildings with the apartment number or floor designated on the front of it.

There are two stickers, one for blind and one for disabled persons. In the event of a fire, the firefighters will look for the display of stickers

and can immediately determine if a blind or disabled person resides in any of the apartments.

These stickers are now available at the local firehouses free of charge. Families with blind or disabled persons are urged to avail themselves of the new stickers by requesting them, in person, at the local fire stations.

Chief of Department John A. Martin explains that these stickers are distributed on a strictly voluntary basis and that they must be picked up in person.

John E. Burwell, President of Boston's Firefighters Local 718, said his union will defray 50 per cent of the cost of the new stickers;

Mayor in Plea for 1961 United Fund

The Mayor, on October 19, sent the following communication to all departments:

¶ The annual appeal for the United Fund is now under way and will continue until November 21, 1961.

It is not necessary for me to call attention of city employees to this worthy cause which is sponsored by the United Fund of Greater Boston.

¶ I have designated Mr. William L. Dowling, Assistant Collector-Treasurer of the City of Boston, as chairman of this drive.

¶ Returns should be made to Mr. William L. Dowling, Assistant Collector-Treasurer. All department heads shall assign a responsible person from their respective departments who will contact Mr. Dowling and obtain the necessary information in connection with the drive.

¶ I sincerely and respectfully urge department heads and collectors to make a special effort to make this year's contribution by city employees a really successful achievement.

Typographical Error

Editor's Note: In the "City Record" issue of October 7, 1961, page 771, the first name of Katherine Craven, as it appeared on the list of City Council nominees, was spelled, through error, with a "C" instead of a "K."

POLICE DEPARTMENT ORDERS

October 23.

General Order No. 963.

Sergeants Michael J. Keightley and George V. Scanlon and Patrolman Gregory Mazares and Patrick J. Spillane, Division 4, are hereby commended for the performance of meritorious police duty, and each is granted three days' additional vacation.

About 7 A.M., on Thursday, October 12, 1961, a Division 4 patrolman found one Murcy Wilburn, 52 years, married, 546 Shawmut avenue, city, lying face up on the sidewalk in front of 1813 Washington street, in an unconscious condition. The victim was removed by ambulance to Boston City Hospital, where he was found to have a puncture wound of the chest and dead on arrival.

Sergeants Keightley and Scanlon with Patrolmen Mazares and Spillane, assigned to investigate, questioned persons in the area relative to the victim's background, habits, and associates. As a result of information received, the officers made a systematic search of vacant houses in Camden street which Wilburn was said to frequent and brought to the station for questioning five men known to have been with him the previous day and evening. One of them stated that he had slept at 18 Camden street in a vacant house on Wednesday night, October 11, leaving at about 6.30 the next morning. This man was arrested without a warrant on suspicion of Wilburn's murder and held for questioning. Meanwhile, the officers continued interrogation of persons frequenting the area of Camden and Washington streets in an effort to find witnesses.

During Friday, October 13, the arrested subject was questioned at length by Sergeants Keightley and Scanlon and Patrolmen Mazares and Spillane. He

finally admitted to being present when Wilburn was stabbed in the chest with a knife in front of 1813 Washington street and named a Michael Sweeney as Wilburn's assailant. Shown a picture of Sweeney obtained from the police files, he made positive identification. Further questioning and investigation resulted in the above officers arresting that evening, without a warrant on suspicion of murder, one Michael Sweeney 52 years, single, in his home at 1904 Washington street, Roxbury. The prisoner revealed that he and Wilburn had an argument over money and that as an aftermath he stabbed Wilburn in the chest with a knife at about 6.45 A.M., on Thursday, October 12, 1961, in front of 1813 Washington street, and that he then went home and remained there until his arrest.

On the morning of Saturday, October 14, 1961, Michael Sweeney was arraigned in Central Municipal Court on a warrant for the murder of Murcy Wilburn, before Judge Adlow. He was held for the grand jury without bail.

The commissioner is pleased to recognize the devotion to duty of Sergeants Keightley and Scanlon and Patrolmen Mazares and Spillane. In this investigation, initiated without the benefit of eyewitnesses or clues, they displayed zeal and intelligence resulting in an early solution of this crime and arrest of the murderer.

October 23.

General Order No. 964.

The resignation of Patrolman George E. Wentworth, Division 1, having been presented, it is hereby accepted, to take effect on Wednesday, November 1, 1961, at 7.45 o'clock A.M.

UPWARD TREND NOTED IN SEPTEMBER WELFARE COSTS

Following is a summary of the Welfare Department report for September:

¶ Public Assistance payments amounted to \$3,432,442 during September. This represented an increase of \$91,527 compared to August. Payments to recipients rose by \$54,132 due primarily to the resumption of the fuel grant to those in unheated apartments. Medical care costs increased by \$37,395. There were 26,931 cases which received an average grant of \$126.32 for the month. Of the 1,470 applications processed, 1,110 or 75 per cent were approved. The remainder, 360, were rejected or withdrawn. A total of 1,027 cases were closed making a net caseload increase of 83.

¶ Old Age Assistance: As noted above, fuel grants were included resulting in an increase of expenditures although there was a decrease in the caseload. Expenditures were \$1,124,154 received by 12,412 clients for an average monthly payment of \$89.42. With 120 applications approved and 199 cases closed, the caseload dropped 79 cases.

¶ Medical Assistance for Aged: The upward trend continued with 408 applications serviced of which 264 were approved. There were 153 closings, leaving a net increase of 111 cases. Being designed to care for medical needs, \$201.76 was paid for this type of care on behalf of each client. Total expenditures amounted to \$771,752 for assistance rendered to 3,714 recipients.

¶ Aid to Dependent Children: The largest increase in any category occurred in this category which had a rise of 152 cases. There were 357 approvals as against 205 closings. With this rise in caseload, costs increased by \$34,034 to a total of \$990,149 for the month. Unemployment as an eligibility factor was primarily responsible for this increase. The inclusion of the fuel allowance also figures prominently in this category.

¶ Disability Assistance: Expenditures were \$421,046, shared by 3,022 clients for an average of \$139 during the month. This category experienced a slight decrease in caseload but appears to remain constant. Since many clients in this category live at home, payments directly to them amounted to \$226,596 or 53.8 per cent of the total.

¶ General Relief: This category showed a decrease caused primarily by the opening of Aid to Dependent Children for families of unemployed men and short term illness situations. These cases formerly were eligible only for General Relief. For the most part, the caseload is now composed of unattached persons. There were 1,722 cases which received a total of \$125,341 for an average of \$65.02.

MERIDIAN ST. WIDENING

East Boston

The Mayor and Public Improvement Commission have approved the widening and construction of Meridian street, East Boston district, on the easterly side approximately 100 feet south of Porter street.

The project is described as follows:

The highway named Meridian street is hereby widened on the easterly side approximately 100 feet south of Porter street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Peter G. Gonis, bounded:

Westerly by the easterly line of Meridian street as it existed prior to this order by two measurements, twenty-five and 60-100 feet and twenty-five and 60-100 feet, and easterly by the easterly line of Meridian street as widened under this order, forty-nine and 88-100 feet on a curve of forty-nine and 88-100 feet radius, including fifty-nine square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Meridian street as hereby widened is bounded:

Westerly by the easterly line of Meridian street as it existed prior to this order by two

measurements, twenty-five and 60-100 feet and twenty-five and 60-100 feet, and easterly by the easterly line of Meridian street as hereby widened, forty-nine and 88-100 feet on a curve of forty-nine and 88-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned person sustains damages in his estate by the making of the public improvement consisting of the widening and construction of Meridian street, East Boston district, on the easterly side approximately 100 feet south of Porter street, under an order of the commission of September 7, 1961, in the amount hereinafter respectively set against it, and awards said amount therefor.

Peter G. Gonis, 59 square feet, \$1.

PUBLIC WORKS DEPARTMENT.

Proposals for Repairs to Nos. 3 and 4 Pumps at the Calf Pasture Pumping Station, Dorchester, Mass.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least one half thereof is owned by a citizen or citizens of the United States, for repairs to Nos. 3 and 4 pumps at the Calf Pasture Pumping Station, Dorchester, Mass. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, less the amount of \$350, will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposals should be signed, enclosed in an envelope, sealed, marked "Proposal for Repairs to Nos. 3 and 4 Pumps at the Calf Pasture Pumping Station, Dorchester, Mass.," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of MONDAY, NOVEMBER 6, 1961, with a certified check for TWO HUNDRED (200) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JAMES W. HALEY,
(Oct. 28.) Commissioner of Public Works.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing and installing new cast-iron boiler in the M. Gertrude Godvin School, 300 Walnut Avenue, Roxbury, 19, Mass.

General bids will be received up until twelve o'clock noon, Wednesday, November 8, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$250. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rate appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Superintendent of Construction of the Department of School Buildings designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

INVITATION FOR PROPOSALS FOR DEMOLITION OF BUILDINGS, CONSTRUCTION OF PARKING LOT, AND MISCELLANEOUS WORK, AT CORNER OF EXETER STREET AND BLAGDEN STREET, BOSTON, MASS.

The Trustees of the Public Library of the City of Boston, a corporation duly organized and existing under the laws of the Commonwealth of Massachusetts (see St. 1878, C. 114), hereinafter referred to as the Awarding Authority, invite sealed proposals for the demolition of buildings and construction of parking lot at the corner of Exeter street and Blagden street, Boston, Mass., and other miscellaneous work.

Proposals will be received until twelve o'clock noon, Wednesday, November 8, 1961, at the office of the Trustees at the Boston Public Library, Copley square, Boston, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted on forms obtained from the Awarding Authority. The proposals shall be completely filled out, signed and enclosed in an envelope, sealed and plainly marked with the name of the bidder, and the description of the work bid upon.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the Trustees of the Public Library of the City of Boston, in the sum of five thousand dollars (\$5,000), shall be submitted with the proposal. The bid deposit shall be in a separate envelope plainly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The bid deposit shall become the property of the Trustees of the Public Library of the City of Boston as liquidated damages if, after an award is made to him, the bidder shall fail to enter into the required contract within ten days after notice of said award is mailed or delivered to him. All bid deposits, except the three lowest responsible bidders, will be returned within two days, Sundays and holidays excluded, after the opening of the proposals for the proposed work. The remaining bid deposits will be returned upon the execution and delivery of the contract for the proposed work or, if no award is made, then at the expiration of 30 days after the opening of bids therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of the General Laws (Ter. Ed.), chapter 149, sections 26 to 27D, inclusive, as amended, a schedule of which appears in the specifications.

The successful bidder shall be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Plans and specifications may be obtained on and after twelve o'clock noon, Monday, October 30, 1961, at the Business Office, Boston Public Library, Copley square, Boston, Mass. A deposit of ten dollars (\$10) in cash will be required for each set of plans and specifications taken out for estimating, said deposit to be refunded on the return of plans and specifications in good condition within thirty days after the opening of proposals.

A performance bond issued by a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority, in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

PUBLIC WORKS DEPARTMENT.

Proposals for Highway Reconstruction in Barker Street, Bothwell Road, Brackett Street, Brookdale Road, Corinne Road, Donnybrook Road, Foster Street (Part), Glenmont Road, Goodenough Street, Hobart Street, Montfern Avenue, Raneleigh Road, Regal Street, South Hobart Street, Trapelo Street, William Jackson Avenue, and Willoughby Street, Public Works District 4, Brighton.

The Commissioner of Public Works of the City of Boston, Room 511, (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for highway reconstruction in Barker street, Bothwell road, Brackett street, Brookdale road, Corinne road, Donnybrook road, Foster street (part), Glenmont road, Goodenough street, Hobart street, Montfern avenue, Raneleigh road, Regal street, South Hobart street, Trapelo street, William Jackson avenue, and Willoughby street, Public Works District 4, Brighton. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, less the amount of \$10,500, will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Highway Reconstruction in Barker Street, Bothwell Road, Brackett Street, Brookdale Road, Corinne Road, Donnybrook Road, Foster Street (Part), Glenmont Road, Goodenough Street, Hobart Street, Montfern Avenue, Raneleigh Road, Regal Street, South Hobart Street, Trapelo Street, William Jackson Avenue, and Willoughby Street, Public Works District 4, Brighton," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of FRIDAY, NOVEMBER 10, 1961, with a certified check for SEVEN THOUSAND (7,000) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. *There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out.* If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this con-

tract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JAMES W. HALEY,
(Oct. 28.) Commissioner of Public Works.

DEPARTMENT OF SCHOOL BUILDINGS.

INVITATION FOR GENERAL BIDS FOR CARPENTRY REPAIRS IN VARIOUS SCHOOLS IN BOSTON, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for carpentry repairs in various schools in Boston, Mass.

General bids will be received up until twelve o'clock noon, Monday, November 13, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$150. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of specifications for the project on file at the office of the Superintendent of Construction of the Department of School Buildings designated above and bidders will act at their own risk if any variance exists between the aforesaid set of specifications and the set (or sets) of specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of specifications furnished to the bidder is a true and complete copy of the set of specifications on file as aforesaid.

Specifications and other documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

CITY OF BOSTON,
WILLIAM A. MCPHERSON,

READVERTISEMENT CITY OF BOSTON.

PARKS AND RECREATION DEPARTMENT.

INVITATION FOR PROPOSALS FOR FURNISHING ATTENDANTS AND MAINTENANCE SERVICE AT THE CONVENIENCE STATIONS ON BOSTON COMMON.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for furnishing attendants and maintenance services for four convenience stations on Boston Common in the City of Boston, Mass.

Proposals will be received until 2 o'clock P.M., Tuesday, November 7, 1961, at the office of the Commissioner, first floor, 33 Beacon street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate. One copy shall be filed at the office of the Commissioner designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of \$500, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to attendants in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth.

The successful bidder furnishes and pays four attendants to maintain these convenience stations on the Common, two at Park street, one at West street, and one at Flagstaff Hill, and furnishes all supplies and equipment for cleaning and servicing the stations. The company retains the proceeds of the coin locks, which must be furnished and maintained by the company, and in recent years the city has paid, in addition, a sum of money for the services furnished.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner, in the sum of 100 per cent of the contract price, will be required of the successful bidder.

The agreement is for a one-year period from December 1, 1961.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY OF BOSTON,
MARTIN F. WALSH,
Commissioner of Parks and Recreation.

FIN. COM. REVIEWS BOSTON'S FISCAL CONDITION

October 26, 1961.

To the Governor
To the General Court
To the Mayor
To the City Council
Gentlemen:

Introduction

The statute which defines the power and duties of the Finance Commission emphasizes that a principal purpose of the Commission's reports and findings shall be "to enable the mayor, the city council, the governor, or the general court to receive the reports and findings of said commission as a basis for such laws, ordinances, or administrative orders as may be deemed meet." At this time the Finance Commission feels impelled to review the city's financial situation in the hope that suitable legislation at the state level and legislation and administrative orders at the local level will result wherever such action is indicated in the following analysis.

The Financial Situation

As a practical matter, the key facets of the financial picture can best be covered by appropriate comment on the several factors which enter into the determination of the tax rate.

DEBT. The city is finally paying the price for a policy, extending over many years, of deferring expenditure for essential maintenance of plant and equipment. The Finance Commission, recalling the city's experience in the 1930's, has emphasized that such a policy together with the city's failure to appropriate regularly for the maintenance of plant and equipment is false economy; that the cost of catching up with such deferred maintenance increases in geometric progression with the passage of time.

As a direct result of said deferring policy of expending for maintenance, the city is now faced with the necessity of borrowing \$8,000,000 for plant and equipment; \$3,000,000 for equipment and \$5,000,000 for repair of plant. The only prudent and defensible policy for the city to follow in the future is to appropriate

annually for plant maintenance and to replace equipment on the basis of a replacement cycle.

This borrowing, while meeting a situation, adversely adds to the city's volume of debt.

City Debt (Net)	\$97,954,383 74
Authorized (Not Issued)	53,691,348 98
Metropolitan Debt (Boston's Share)	71,973,270 92
	\$223,619,003 64

The question arises as to how far a municipality may safely proceed in incurring debt. Boston incurs a large volume of debt outside the legal debt limit. The city cannot, therefore, be said to have an effective formal limitation in fencing in the Boston debt picture.

One rule of thumb for measuring debt levels suggests that a municipality's debt, direct and overlapping, should not exceed 10 per cent of its assessed valuations (equalized valuations).^{*} The Massa-

	June 30, 1960	June 30, 1961
Sewer	\$10,547,503 20	\$11,944,894 70
Water	48,407,593 94	54,637,111 46
Parks	2,032,976 22	5,545,707 26
	\$60,933,078 36	\$72,177,713 42

In the Metropolitan District Commission's fiscal year ending June 30, 1961, \$12,697,000 of new Water Debt was issued and \$3,850,000 of new Park Debt.

There is another element in the debt picture that calls for special scrutiny before a conclusion can be reached on the debt picture. That element is the potential debt that may be incurred through the urban renewal program.

It is argued by municipal officials that the impact of borrowing for urban renewal will not raise the present debt level materially. This conclusion is arrived at by the following reasoning: (1) that as debt is retired no new debt for capital improvements will be incurred other than the capital improvements entailed in the urban renewal program; (2) that borrowing for this purpose will not exceed the normal amount of borrowing.

Actually, the question is whether urban renewal represents an acceleration of the capital improvement program? Complete assurance can-

Three elements must be considered to place Boston's debt in proper perspective. As of June 30, 1961, the three categories of debt which affect the city were the following:

chusetts Tax Commission in March of 1961 set Boston's equalized valuations at \$2,200,000,000. When Boston's debt figure of \$223,619,004 is set against 10 per cent of the equalized valuation figure, the city's debt issued and authorized occupies a relatively safe position. It is time, however, to sound the warning bell.

Boston's share of the metropolitan district debt increased sharply over a year ago as shown below:

	June 30, 1960	June 30, 1961
Sewer	\$10,547,503 20	\$11,944,894 70
Water	48,407,593 94	54,637,111 46
Parks	2,032,976 22	5,545,707 26
	\$60,933,078 36	\$72,177,713 42

not be given on this point. To the extent that the urban renewal financing for capital improvements exceeds the normal expenditure for this purpose, the debt level will be raised.

ABATEMENTS. At first glance it appears that the thorny problem of abatements is well in hand, since the volume of abatements granted in 1961 is well below the level of former years. The following table shows the monthly abatement figures:

January	\$1,077,766 72
February	465,934 70
March	610,120 41
April	234,096 05
May	571,840 23
June	137,871 05
July	126,482 58
	\$3,224,111 74

^{*} "A Check List for Determining Debt Policy," E. B. Mikrut, Municipal Finance Officers Association (1-1-61)

In 1960 the figure was \$5,538,597, as compared with the Auditor's figure for the last year of the previous administration, which was \$10,387,214.

But there is a grave doubt as to whether the apparent decrease

in abatements from \$10,387,214 in 1959 to \$5,538,597 in 1960 and possibly less in 1961 represents the true measure of the abatement picture.

The number of Boston's cases pending before the State Appellate Tax Board is alarming.

Boston Cases Pending Before Appellate Tax Board

Changes in Case Load During State Fiscal Year	Number of Cases Pending	Assessed Value	Taxes Assessed
On hand, 6-30-60	11,406	\$640,128,851	\$59,506,433 93
Filed during year	4,883	350,007,610	37,058,856 30
Disposed of during year	3,899	276,767,200	25,758,448 41
On hand, 6-30-61	12,390	713,369,261	70,806,841 82

Boston's assessed valuation for the entire city at tax rate declaration time, June 15, 1961, was \$1,467,906,900.

The assessed valuation of Boston's cases pending before the Appellate Tax Board as of June 30, 1961, was \$713,369,261 just about half of Boston's entire valuation as of that date.

In 1960 Boston's taxpayers filed with the Boston assessors just about as many applications for abatements as they had in the preceding year—something over 7,000. Of this number 4,883 eventually wound up before the Appellate Tax Board.

How much will be added to the abatement figure will not be known until all the Appellate Tax Board cases are disposed of. It is only after the disposal of such cases that it can be truly ascertained whether there has been a real decrease in abatement volume.

OVERLAY DEFICITS. Overlays are set up to provide for abatements. When abatements granted exceed the overlay for the levy year, the resulting deficit must be appropriated in the following year. Overlay deficits appropriated in 1961 totaled \$863,550.

Now that the funding loan is history, and no longer supplies a cushion for overlay deficits, it can be expected that overlay deficits will again become a fixture to be reckoned with in the computation of the tax rate.

It is impossible to foresee what overlay deficits will be in the years immediately ahead, but some speculation may be made in the light of the following considerations.

As previously stated, there are 12,390 Boston cases pending before the Appellate Tax Board as of June 30, 1961.

These cases may be disposed of either by decision of the State Appellate Tax Board after trial or withdrawn and settled by the Boston assessors after a so-called prehearing.

It is the considered opinion of many observers that settlement of a case by the Boston assessors rather than permitting it to go to trial before the Appellate Tax Board works to the advantage of the city. However, in any case the cumulative impact of decisions or settlements of these cases may be staggering.

The subject of Appellate Tax Board cases also bears a relation to the city's limited program of equalized valuations which attempted to equalize property values for purposes of assessment. The program was supposed to have gone into effect in 1960. And, yet, in 1960 Boston taxpayers filed just about as many applications as in previous years—in excess of 7,000.

It appears then that the efficacy of the equalization program may well turn on the judgment of the Appellate Tax Board.

APPROPRIATIONS. In 1960 the administration managed to bring about a decrease of \$1,807,445 from the previous year in "General Maintenance," the "budget figure" which covers the cost of departmental operations in the city. In 1961 the general maintenance increase over 1960 was kept at

\$594,054. Departmental budget estimates for 1961 for said maintenance totaled \$120,546,607; the Mayor's allowance totaled \$112,302,289 (1960 appropriations were \$112,665,784) and an additional \$919,500 in the "Supplemental Appropriations." The figures do show the determination of the administration not to exceed the 1960 appropriations.

The appropriation for general maintenance in county departments increased in 1961 by \$147,890 over 1960. Of this increase, \$58,200 can be charged to increases in judicial salaries.

If it was difficult to hold down expenditures in 1961, it is certain that various inevitable increases will make it even more difficult to maintain a holding action next year.

SCHOOLS. The ever-increasing cost of operating and maintaining the school system, an increase of \$1,557,995 over 1960, is only one of the serious problems in this area. Again, "Excess Appropriations," that amount needed by the School Department that is over and above the School Committee statutory appropriation limit, reached a new high, \$10,945,077, bringing the total school appropriations to \$35,414,803.

In spite of the over-all increased appropriations for school purposes, the appropriation for "School Buildings Alterations and Repairs" year after year falls below the actual needs of the department; in fact, it falls short of the statutory appropriating power for the purpose of keeping the schools in repair. This ties in with the necessity for borrowing \$5,000,000 for plant repair discussed previously in this report, because approximately \$2,000,000 of this amount will have to be spent on the repair of school buildings which have been neglected over the years.

The school appropriations for all purposes is broken down as follows:

\$21,200,000 00	Statutory Appropriation (School Committee)
1,541,925 51	Balances and Income Appropriated
10,945,077 49	Appropriated by City Council
\$33,687,003 00	Total School Purposes
91,200 00	Land and Buildings
1,636,600 00	Alterations and Repairs
\$35,414,803 00	Total Appropriations

It should be noted that an absurd point has been reached in the school budgetary process when over 30 per cent of needed school appropriations has to be appropriated by the City Council. What was intended originally as a supplementary appropriation, namely, appropriation by the Council, has now assumed the proportion of a substantial part of the school budget. The continuous practice of divided budgeting between the School Committee and the Mayor and Council is a far cry from sound budgetary practice. The city must face up

to the fact that a more realistic appropriation limit for school expenditures must be devised.

Two appropriation impositions, often the subject of criticism by the Finance Commission and many others, continue on apace—the assessments by the Metropolitan District Commission, and the Metropolitan Transit Authority.

METROPOLITAN DISTRICT COMMISSION. The financial significance of the assessment levelled on Boston to finance the operations of the Metropolitan District Commission lies in its growing size. In 1961 the assess-

ment had grown to \$2,940,894, approximately three and one half times what it was in 1945. New Metropolitan District Commission water and park debt issued between June 30, 1960, and June 30, 1961, totaled in excess of \$21,000,000.

This assessment is a striking example of arbitrary taxation, since the affected municipalities do not participate in the administration of the function or policy of the Metropolitan District Commission.

At least there are now signs of hope. In 1961 a metropolitan planning bill for the Greater Boston area came close to passage. There is currently growing interest in metropolitan planning and in an effort to create a planning council whose power would be solely advisory. This would be a first step in the direction of a community voice in the matter of a Metropolitan District Commission policy.

METROPOLITAN TRANSIT AUTHORITY. The operating deficits of the Metropolitan Transit Authority added another \$1.32 to the tax rate through the increase in 1961 over 1960 of \$1,941,495 in the Metropolitan Transit Authority charges. The 1961 Metropolitan Transit Authority charge of \$14,576,016 represents \$9.95 in Boston's tax rate, very close to 10 per cent of the 1961 tax rate. The assessment of the Metropolitan Transit Authority's deficit has become one of the thorniest problems facing the city. The Finance Commission first analyzed the problem in 1948 and since then has sought and supported legislation to achieve a new basis for the assessment of the deficit—all without avail. The time has come for radically new thinking on this matter. In fact, the question may well be raised: With the decline of railroad commuting, has not public transportation become a state problem?

VALUATIONS. For the second successive year the tax base has increased by small amounts—by \$2,956,100 in 1960, by \$2,381,800 in 1961. This increase, of course, is a net increase; taxable values were lost through public works, community development and deterioration, while new values were

VETERANS' SERVICES DEPARTMENT. SEPTEMBER 1961—MONTHLY REPORT

Expenditures for Veterans' Benefits for September, 1961, show a decrease of \$57,431.47 in comparison with expenditures for the corresponding period of 1960.

The 1,368 cases aided during the month of September, 1961, represented a total of 3,049 individuals benefited through the facilities of the Veterans' Services Department.

There were 101 cases closed during the month of September, 1961, because of obtaining employment, having been awarded unemployment compensation, receiving social security and becoming eligible to receive financial assistance for miscellaneous reasons.

During the month of September, 1961, the department collected \$2,461.00 which represents refunds by former beneficiaries of veterans' benefits who were found to have drawn aid under circumstances which warranted its return to the City of Boston.

EDMUND F. HOHMANN, Commissioner.

added. The total city valuation in 1961 is \$1,467,906,900. Of the increase of \$2,381,000 in 1961, a mere \$521,500 represents real property, while personal property shows an increase of \$1,860,400. While there has been this minute over-all rise in property valuations in the years 1959 to 1961, Boston's tax base will, in all probability, decline for the immediate future due to such factors as the Government Center, urban renewal program (with its time gap between demolition of taxable property and reconstruction of new values), the Inner Belt (when and if it becomes a reality), the extension of tax-

exempt institutional developments, etc. The total rewards of urban renewal are set too far in the future to have any appreciable effect on valuation levels for the immediate future.

REVENUES. Besides revenues derived from departmental operations, fees and licenses, special grants, *et al.*, the city must look to the state for needed funds. At the present time this means, largely, the state-shared income and corporation taxes.

The expectation of state-shared taxes for 1961 appears to be stated at its fullest, as indicated in the following comparison:

	Actual 1960 Receipts	"Cherry Sheet" 1961 Figures
Income Taxes	\$8,229,505 82	\$8,271,350 28
Corporation Taxes	7,601,038 59	7,631,939 70
Meals Tax	626,453 82	756,064 96

It represents the net increase in valuation occasioned by the greater amount of new valuation as against the valuation that was lost through public works and demolition.

At this point attention should be called to the "creaming off" process related to the state income taxes. This important point is emphasized by City Auditor Lally in his 1959 "Financial Statement and Statistics." In that statement he pointed out that the total distribution of income tax was \$83,891,863, of which Boston received \$9,287,985. In 1930 the total distribution was \$30,815,560, of which Boston received \$7,572,205. In other words, while the total distribution increased by \$53,976,303, Boston's share increased by only \$1,715,780. He added: "This extraordinary and inequitable situation has been brought about by the method of financing new programs of aid for education and a revision of the chapter 70 school aid formula. As new programs were instituted, the annual state budget appropriation statute provided that the funds for payment thereof be appropriated from the income tax receipts available for distribution."

Until this inequitable situation is corrected, the impact of substantial state-collected income tax

will continue to be greatly watered down by the time the distribution reaches Boston.

Moreover, it appears that not enough additional revenue can be reasonably expected from such sources as better hospital collections, increased fees, higher water rates, and proposed sewer rental charges, and the like, to reverse or meet the upward thrust of expenditure levels generated by the necessity for increased appropriation.

Proposed new tax sources, such as sales tax and other tax sources used in other jurisdictions, all generate terrific resistance when proposed. But the situation is not hopeless.

There is one area in which a beginning could be made toward resolving the revenue problem. What is needed is an entirely new philosophy which would underlie the distribution of state-shared taxes. The present formulas on which distribution of state-shared taxes are based are oriented to equalized property valuations. Under present formulas of distribution the relation of the equalized valuation of a municipality to the total valuation of all municipalities in the state determines how much state-shared taxes each will receive in the distribution. This approach rewards the mu-

nicipality that has a high equalized valuation without reference to the problems and fixed costs of that municipality.

Under chapter 559 of 1945, the law now in use in the distribution of state taxes, the relation of Boston to the total is 22 per cent. The Biennial Report of the State Tax Commission on Equalization and Apportionment (March, 1961) would place Boston at, roughly, 11 per cent. Thus, equalized valuation as a basis places Boston at an increasing disadvantage. It is acknowledged that there would be more school aid forthcoming by the new equalized valuations if enacted; however, in the over-all picture, Boston would suffer.

This is completely unrealistic. Municipalities should receive financial assistance according to the degree and size of their problems.

The problem is well stated in the September, 1961, issue of "Tax-talk" (Massachusetts Taxpayers Federation):

"The crucial property tax problems are to be found in metropolitan centers. These include all of the larger cities, a number of smaller cities and some towns. Almost all of them share certain characteristics—declining populations, depressed property values, very little replacement of older structures, and limited opportunities for new residential, commercial or industrial building. Taken as a group they have also suffered from the failure of the State Government to recognize their special needs in its financial assistance programs."

Indeed, the strongest presentation of the case for a radical change in legislative thinking on this point has been made by the Massachusetts Tax Commission, itself, in a transmittal letter to the General Court in March of 1961.

"Obviously, the answer to the problem of fair sharing by the cities and towns in the proceeds of state taxes lies not with the substitution of a rather poor equalized valuation list for a very poor one, but with the adoption of a whole new system based on factors more nearly related to the actual needs of the cities and towns and more accurate of determination than equalized valuation can ever be."

What are the needs of Boston which should be met in increasing

measure by state-shared taxes? They are the fixed costs that lie in so large a measure outside the control of the municipality and spring from such factors as the social and economic composition of the city, its position in the metropolitan community, and the imposition of arbitrary assessments at the state level.

The most convincing proof of this contention may be seen in

Hospitals	\$19,074,646
Welfare	25,657,889
Veterans	2,479,517
Schools	35,414,803
Metropolitan District Commission Assessments	2,940,894
Metropolitan Transit Authority Assessments	14,576,016

Although the city receives reimbursements in several of these categories, the fact is that the city must appropriate to the limit indicated by these figures. Moreover, the greatest reimbursement, which comes in the area of welfare, is slow in arriving in the city's treasury. It is understood that the Mayor will file a bill designed to overcome this time lag of reimbursement by directing the State Welfare Department to make advance estimates of welfare needs each month and provide the sums in time for disbursement instead of waiting for the city to submit its record of payment.

At least, the above list indicates the major areas in which the city makes its greatest expenditures; areas which are beyond the control of municipal administration in a very large measure.

Boston needs help—Boston deserves help!

As the capital city of the Commonwealth and the very heartbeat of the metropolitan region, this city can no longer be permitted to struggle alone.

The city has done its level best to meet its mounting problems. A desperate attempt has been made to hold the line on appropriations. Debt has had to be incurred up to the very limit of safety, perhaps beyond. Strenuous efforts in a hundred directions are being made within the city by many agencies to restore the city and re-establish its status.

the following listing of six items in the 1961 appropriations for the City of Boston. The total appropriations for Boston are \$200,450,539. The total of six items, which are listed and are clearly areas not wholly subject to the control of the municipality, represent \$100,143,763, or just about one half of the city's total appropriations. These items and their respective amounts are:

The full extent and effect of tax losses due to urban redevelopment and public works, particularly state-directed highways, are unknown but formidable prospects. The city is helpless in the face of state-imposed Metropolitan District Commission and Metropolitan Transit Authority assessments which have climbed to intolerable heights. The cost of welfare, education, and hospitals, and other social services which arise from the composition of the population, represent enormous growing costs which must be met but which are not subject to municipal control. Boston, more than any other municipality, is so besieged!

If Boston is to surmount conditions that are not of the city's making and assume its rightful place in the life of this Commonwealth, it must, in simple justice, be accorded sympathetic legislative treatment.

The Economic Outlook panel will have as its moderator Dr. Wilson F. Payne, Dean of the Graduate School of Business Administration, Babson Institute. Panelists include: John T. Galvin, Managing Director, World Trade Center of New England; Francis E. Lavigne, Director, Department of Education, State Labor Council, AFL-CIO; Hon. John E. Powers, President of the Massachusetts Senate, and Don S. Greer, President of Associated Industries of Massachusetts, Inc.

Coordinator for all six of the panel sessions is Lawrence W. Costello, Administrative Secretary, Department of Administrative Services, City of Boston.

RETIREMENT BOARD ISSUES OPINION ON DISMISSAL OF A CITY OFFICIAL

The Boston Retirement Board on November 1, issued the following:

¶ This is to certify that the Boston Retirement Board on October 17, 1961, at Room 43, City Hall, Boston, Massachusetts, held a public hearing upon the request of Albert L. O'Banion pursuant to General Laws, Chapter 32, Section 16, (1) and (2) to determine whether his discharge from the position of Superintendent of the Fire Alarm Division of the Boston Fire Department by the Fire Commissioner of the City of Boston was justified.

¶ Thereafter, after consideration of all the evidence, at a meeting of the said Board at City Hall, Boston, Massachusetts, on November 1, 1961, it was

Voted: That the discharge of Albert L. O'Banion as Superintendent of the Fire Alarm Division of the Boston Fire Department, was not justified, due to the lack of sufficient credible evidence to support the charges upon which said discharge was based and that said Albert L. O'Banion, shall forthwith be restored to the position of Superintendent of the Fire Alarm Division of the Boston Fire Department, without loss of compensation.

INSTRUCTIONS ISSUED ON FISCAL YEAR CLOSING

City Auditor Joseph P. Lally, on October 24, issued the following instructions to all department heads:

¶ In order to assure an early and orderly closing of 1961 accounts, a schedule of deadline dates has been established for the execution of the various acts which affect the closing. Because of these deadlines, to which there will be strict adherence, department heads must anticipate departmental requirements for the balance of the year and make certain that the necessary paper work is completed on or before the dates specified.

¶ Make no commitments for purchases or services in excess of amounts appropriated for your department. Budget item deficits must be provided for by transfers from budget item surpluses within your own department.

¶ Your attention is directed particularly to the instruction pertaining to the 1961 Unliquidated Re-

INSTRUCTIONS ISSUED ON UNITED FUND DEDUCTIONS

City Auditor Joseph P. Lally, on October 24, issued the following information to department heads and payroll supervisors:

¶ Under the provisions of Chapter 180, section 17B, of the General Laws, payroll deductions for United

Fund contributions may be made from the compensation of those employees who authorize a deduction in writing. Deduction authorization cards are available, and upon completion by employees they are to be sent to the Auditing Department Payroll Division. There is no limit to the amount of the deduction. Any authorization may

serve. Invoices presented for payment in 1962 for supplies or materials delivered or for services rendered in 1961 will definitely not be approved for payment unless sufficient reserve has been established from 1961 appropriations to provide for payment.

¶ Your cooperation by compliance with these deadlines and instructions will be greatly appreciated. Additional copies are available. Will you please request enough copies so that all employees of your department concerned with any matter affected may be fully informed?

COMMISSIONER ISSUES STATEMENT ON PROBE OF BUILDING DEPARTMENT

Building Commissioner Robert E. York, on October 27, stated as follows:

I want to thank Mayor John F. Collins and the City Law Department for giving me their full support in digging into allegation of wrong-doing in the Building Department. This is the first time this type of effort has been made by an administration in many, many years.

The complaints we have received to date pertain to events which occurred long before Mayor Collins was elected and I was Building Commissioner. Once again I ask anyone with any information regarding alleged wrongdoing to personally come to my office to discuss these charges.

FLAGS AT HALF-MAST FOR TIMOTHY J. O'CONNOR

Mayor Collins ordered flags on City of Boston public buildings flown at half mast this week for Former Fire Commissioner Timothy J. O'Connor who died October 31.

Mr. O'Connor, a native of Charlestown, entered the city service in 1911 and spent most of his career in the Traffic Department. He was appointed Traffic Commissioner in 1957 and Fire Commissioner in 1959. He retired January 1, 1960.

On Friday, November 3, a delegation of city officials attended the funeral Mass at the Church of the Infant Jesus, West Roxbury Parkway, and the burial service at Walnut Hill Cemetery.

WILLERS STREET SEWER

West Roxbury

The Mayor and Public Improvement Commission have approved new sewerage works for Willers street, West Roxbury.

The project is described as follows:

A parcel of land, owners unknown, being part of the private way known as Willers street, bounded:

Southwesterly by Edgemere road, fifteen and 15-100 feet; northwesterly by the northwesterly line of Willers street, one hundred forty-one and 40-100 feet; northeasterly by City of Boston sewer easement taken October 20, 1938, fifteen and 15-100 feet, and southeasterly by City of Boston sewer easement taken August 18, 1931, one hundred forty-one and 40-100 feet, containing two thousand one hundred twenty-one square feet, more or less.

A parcel of land, owners unknown, being part of the private way known as Willers street, bounded:

Southwesterly by Edgemere road, fifteen and 15-100 feet; northwesterly by City of Boston sewer easement taken August 18, 1931, and by City of Boston sewer easement taken July 22, 1931, one hundred sixty-six and 65-100 feet; southwesterly by City of Boston sewer easement taken July 22, 1931, twenty-five and 25-100 feet; northwesterly by the northwesterly line of Willers street, two hundred thirty-seven and 15-100 feet; northeasterly by another portion of Willers street, forty and 00-100 feet, and southeasterly by the southeasterly line of Willers street, four hundred thirteen and 28-100 feet, containing fourteen thousand five hundred ninety-nine square feet, more or less.

The sewerage works to be constructed are as follows: 190 linear feet of 42-inch concrete pipe surface drain and 200 linear feet of 12-inch pipe sewer, including 190 linear feet of 42-inch concrete pipe surface drain in the same trench, and two catch basins at an estimated cost of \$14,060.60.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of said Willers street will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; said parcels in the amounts hereinafter respectively set against them; said parcels and the supposed owners thereof being shown on the aforesaid plan and on file in the office of this department.

ACTION ON DAMAGES

Voted, That this commission determines that no person sustains damages in his estate by the making of the public improvement consisting of the taking of an easement for sewerage purposes in Willers street, West Roxbury district, under an order of the commission of August 24, 1961, and awards no damages therefor.

Owner unknown (Willers street), 14,599 square feet, nothing.

WASHINGTON ST. REPAIRS

Brighton

The Mayor and Public Improvement Commission have approved the following:

That this commission, having passed the order of notice relating to the public improvement hereinafter described, and having caused a copy of said order to be published August 12 and August 16, 1961, in the Boston American and the Boston Herald, two daily newspapers published in the City of Boston, and having given the public hearing, notice of which was given in said order, and being of the opinion that public necessity and convenience require, does hereby order that specific repairs be made in Washington street, Brighton district, from Cambridge street to the Brookline boundary line, consisting of increasing the curb radii at various locations, as shown on a plan marked "City of Boston, Washington Street, Brighton, July 18, 1961, John J. McCall, Division Engineer, Engineering Division, Public Works Department," and on file in the office of said department.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT.

Purchasing Division.

Hospital Supplies

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Sanatorium Division for 10M Tubex Streptomycin 1 gram (Wyeth only.)

An informal written quotation has been received from Wyeth Laboratories Division of American Home Products Corporation who is the manufacturer of the above product and is also the only source of supply.

In view of the foregoing facts, authority is requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to Wyeth Laboratories Division of American Home Products Corporation at a price of \$330 per M.

Approximate total amount of contract will be \$3,300 net, thirty days. Period of contract will be from November 1, 1961 to March 31, 1962, inclusive.

Respectfully yours,

MICHAEL A. DESIMONE,
Purchasing Agent.

Office Equipment

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Boston City Hospital for one (1) Automatic Card File Kardvex No. 5970 (including transferral of all cards and set-up of file). An informal written quotation has been received from the manufacturer of this equipment.

Inasmuch as the Remington Rand Corporation is the sole manufacturer of this equipment, it is my opinion that no advantage would be gained by publicly advertising for prices. Authority is, therefore, requested to dispense with public advertisement and award a contract, without public advertisement, to Remington Rand, Division of Sperry Rand Corporation.

Approximate total amount of contract will be \$3,905 net, thirty days.

Respectfully yours,

MICHAEL A. DESIMONE,
Purchasing Agent.

Perishable Goods

DEAR MR. MAYOR:

In accordance with the letter approved by your Honor on February 9, 1961, authority is requested to award a contract, without public advertisement, to the following named company for furnishing perishable foods etc., to the various city departments from October 16, 1961 to March 31, 1962, inclusive:

Fulton Packing Co., Inc., 10 Newmarket square, Boston, Mass.

Respectfully yours,

MICHAEL A. DESIMONE,
Purchasing Agent.

Electric Tractor

DEAR MR. MAYOR:

Invitation to bid on proposals for furnishing one (1) heavy duty electric tractor to the Boston City Hospital was advertised in the City Record. Subsequently, bids were to be publicly opened and read in this office on September 27, 1961; none were received.

Due to error, both copies of the bid of L-S Distributors, Inc., were deposited in the Auditing Department thus making their bid irregular. Inasmuch as this company was the only company that responded to the public advertisement, authority is requested to dispense with further advertising and award a contract, without public advertisement, to L-S Distributors, Inc., at the price submitted in their bid. This company is also the manufacturer of the equipment requested. It is my opinion that the best interests of the city will be served by awarding the contract as requested.

Approximate total amount of contract will be: \$4,150; less trade-in allowance, \$500; total, \$3,650; net, thirty days.

Respectfully yours,

MICHAEL A. DESIMONE,
Purchasing Agent.

BOARD OF ELECTION COMMISSIONERS.

Printing of Ballots

DEAR SIR:

The Board of Election Commissioners respectfully requests that permission be given them to award the contract for printing the city election ballots to the firm of Wright & Potter Printing Company of 32 Derne street, Boston, without advertising for bids, at the following prices:

For 27,500 "Challenged" ballots (110 for each of the 275 voting machine precincts) printed "Challenged Ballot" in red ink across filing, \$420.65.

For voting machine cards and specimen ballots for 275 precincts (718 Shoup and 745 Automatic Voting Machines) with 10 specimen ballots for each precinct, \$5,586.85.

For 5,000 Absent Voters' Ballots (275 precincts), \$415.60.

For 5,000 War Ballots (275 precincts), \$430.20.

For 1,500 white strips for blank columns, \$35.20; Total, \$6,882.50.

The ballots for the coming city election will contain 275 precinct changes and 22 ward changes in the make up. Great care will be required on the part of the printer, as the time for printing such ballots and ballot labels and making a delivery to this office is very limited.

The Wright & Potter Printing Company is the only printing concern especially equipped to do this work, having printed the State and City of Boston ballots for a long period of years. For this reason, and to safeguard the voters of the city as far as possible against error, this request is made.

Respectfully yours,

BOARD OF ELECTION COMMISSIONERS,
DAVID LASKER, Chairman.

PARKS AND RECREATION DEPARTMENT.

Granite Support and Granite Seat

DEAR SIR:

On September 26, 1961, a polished, monolithic, granite slab and seat located in the Parkman Plaza, La Fayette Mall, was damaged by a private automobile. This is one of seven such seats located in the plaza.

In the interests of public safety, it was necessary to remove the broken pieces of the slab and the granite supports.

The original construction of the plaza was completed by Seiba & Co., Inc., general contractors, 86 Shawmut avenue, Boston, Mass., on December 15, 1959.

This contractor has offered to furnish a new granite support and polished monolithic granite seat and all work in connection therewith, for the sum of \$2,300. The new seat will match in every detail the existing seats and artistry of the Parkman Plaza. It would

appear to be in the public interest that the contractor who had constructed and completed the entire plaza, should be employed to do the repair and construction work necessary in order to insure the harmonious artistry of the plaza. This seat is a most integral part of the plaza.

I therefore respectfully request your authority to dispense with advertising and that I be given permission to award a contract to Seiba & Co., Inc., 86 Shawmut avenue, Boston, Mass., for the sum of \$2,300.

Very truly yours,

MARTIN F. WALSH,
Commissioner.

EXTENSION OF CONTRACTS

The Mayor has approved the extension of the time limit on completion of the following contracts:

DEPARTMENT OF SCHOOL BUILDINGS.

Contract with Hartstone Construction Corporation for new retail sales room at the Jeremiah E. Burke High School, extended from September 30, 1961, to October 31, 1961, due to delay in receiving necessary materials.

Sellers Oil Burner Service, Inc., for installing oil-burning equipment in the Boston School of Business Education, extended from September 29, 1961, to November 15, 1961, due to delay in delivery of materials.

Sellers Oil Burner Service, Inc., for furnishing and installing oil-burning equipment at the Boston Trade High School, extended from September 29, 1961, to December 15, 1961, due to delay in delivery of materials.

Contract with Twombly Associates, Inc., for furnishing and delivering various furniture to various schools, extended from September 5, 1961 to November 30, 1961, because of delay in receiving shipments of material from factory.

Contract with Boston Gas Company, for furnishing and delivering gas ranges to various schools, extended from September 1, 1961 to October 31, 1961, due to deduction in contract.

Contract with J. F. Stack & Company, for repairing boiler and incinerator masonry in various schools in District 1, extended from October 15, 1961 to November 30, 1961, due to delay in getting castings from foundry.

Contract with Komac Construction Co., Inc., for repairing boiler and incinerator masonry in various schools in District 2, extended from October 15, 1961, to November 30, 1961, due to delay in obtaining castings from foundry.

Contract with Avondale Painting Co., Inc., for interior painting at the Donald McKay school, extended from October 27, 1961 to December 1, 1961, due to classes being in session schedule delayed.

Contract with Gledhill Brothers, Inc., for furnishing, delivering and setting up miscellaneous furniture and scientific equipment and apparatus in various schools, extended from August 15, 1961, to December 15, 1961, due to work being done by other contractors.

Contract with J. F. Stack & Company, for repairing boiler and incinerator masonry in various schools in District 3, extended from October 15, 1961 to November 30, 1961, due to delay in obtaining castings from foundry.

VETERAN'S WIDOW ALLOWANCE

An annual veteran's widow allowance has been approved by the Boston Retirement Board to Lena E. Rogers, 26 Forest street, Roxbury, whose husband, William J. Rogers, died on September 23, 1961.

At the time of his death, Mr. Rogers was employed as a laborer in the Sanitary Division of the Public Works Department.

I. CHANGE IN TIME.

Under the Daylight Saving Law, time will be retarded one hour at 2 A.M., Sunday, October 29, 1961. At that time, clocks in all department houses will be set back one hour.

All tower clocks without striking mechanisms will be set back at 6.30 A.M. All tower clocks with striking mechanisms will be stopped at 6.30 A.M. for one hour and then started. Only men who are regularly assigned to wind clocks should be detailed to change tower clocks.

II. FIRE ALARM BOX INSTALLED.

The following fire alarm box, which was established in General Order No. 37, dated September 6, 1961, has been installed and connected into circuit No. 31. Company commanders will add this box to circuit card No. 31.

3637, Ormond street, opposite Outlook road.

III. FIRE ALARM BOX RELOCATED.

The following fire alarm box has been relocated from Outlook road, opposite No. 20, to Hillsboro and Outlook roads. Designation of this box will read:

3635, Hillsboro and Outlook roads.

Company commanders will make above change in assignment cards.

IV. UNITED FUND CAMPAIGN FOR 1962.

Hon. John F. Collins, Mayor of Boston, has called attention to the fact that this year again the annual United Fund campaign is being conducted and will eliminate any separate Red Cross or Salvation Army campaign, as these agencies are now served by the United Fund. His Honor, the Mayor, hopes that the customary generosity of Fire Department employees will be repeated this year.

Pledge cards and literature concerning the United Fund campaign are being distributed to the department today. Company commanders and heads of branch divisions are requested to per-

sonally interview each member of their commands, including employees on sick and injured leave, and ask them to make a contribution. All pledge cards are to be made out and returned to Headquarters on or before November 6, 1961. However, completed cards, with initial donations, should be sent to Headquarters as soon as possible before the above date. Company commanders are requested not to hold a number of completed cards while awaiting the receipt of one or two others.

Also issued with this order is a white supplementary sheet for listing employee group pledges and a white report envelope. Company commanders are requested to list on the supplementary sheet the names of those contributing, giving the total number of pledges, the payment on account, and the balance due. All money donated, together with pledge cards and supplementary sheet, are to be placed in the report envelope by the company commander, and the front of the envelope is to be filled out as directed. The sealed report envelope is to be forwarded to Headquarters as soon as possible. It is desired that company commanders return as many pledge cards as possible on or before October 31, 1961.

The envelopes containing pledge cards, supplementary sheets, and currency will be received at Headquarters by Principal Clerk Joseph P. Cawley on or before November 6, 1961. Delivery of envelopes can be made on any weekday, except Saturday, and should be made between the hours of 9 A.M. and 3 P.M.

A member may pledge an amount of money and have it deducted on the department payroll in accordance with the provisions of chapter 180, section 17B of the General Laws. However, deductions can be made on the payroll only four times a year during the weeks in which there will be no Blue Cross-Blue Shield deduction, as follows: November 29, 1961, January 31, 1962, May 30, 1962, and October 31, 1962.

In the event that a man desires to have his contribution deducted from the payroll, his card shall not be placed in the report envelope but shall be sent to

Headquarters separately, and he shall note at the top left-hand side of the card his company number.

There is also a space on the card for a member who desires to pledge a certain amount, make a down payment, and have the United Fund bill him for the balance in four payments as indicated on the card, or on some particular date to be inserted on the card by the member.

Upon receipt of a contribution or pledge by a member, the company commander shall fill out the stub on the right-hand side of the card and give it to the member as his receipt.

Additional pledge cards, supplementary sheets, and envelopes can be obtained in the Headquarters Division.

District Fire Chief Joseph L. Dolan of District 3 has been designated as Unit Chairman for the Fire Department during the United Fund Drive. He will visit every fire station in the department to fully explain the purposes of the campaign.

POLICE DEPARTMENT ORDERS

October 24.

General Order No. 965.

The attention of all members of the department is directed to the 1962 United Fund Campaign which consolidates numerous local and national appeals into one annual fund-raising campaign. Commanding officers will give this appeal their personal attention and urge all personnel attached to their respective divisions and units to contribute their fair share to this worthy cause.

In responding to this appeal it will be remembered that these contributions are used to help people here in our own community.

Subscription cards are forwarded herewith to be filled out by every member of the department and retained at the several divisions and units until all payments have been made. If additional cards are required, requests for same will be made to the Hackney Carriage Office. The phrasing on subscription cards authorizing payroll deductions will be disregarded.

A sergeant will be assigned to receive weekly payments, and he shall keep a record of each payment made by every officer or other employee.

Officers detailed to other divisions or units will make their contributions at the division or unit to which they are detailed.

The first installment of checks made payable to the "United Fund" will be forwarded to Capt. William J. Taylor, Hackney Carriage Office, Friday, November 3, 1961. Final report to be made Friday, November 17, 1961.

ACTING FOR THE FIRE COMMISSIONER

The Mayor has approved the following:

DEAR SIR:

Your Honor's permission is hereby requested to have Chief of Department John A. Martin sign the payrolls of the Fire Department for the four-week period beginning October 30, 1961.

The reason for this request is that many times it is necessary for the Fire Commissioner to be absent from the Headquarters Office on department business; and, as the payrolls should be signed immediately upon completion in order to prevent a delay in paying the employees, the foregoing procedure is necessary.

Very truly yours,

THOMAS J. GRIFFIN,
Fire Commissioner.

ADVERTISEMENT CITY OF BOSTON.

REAL PROPERTY DEPARTMENT.

INVITATION FOR GENERAL BIDS FOR ALTERATIONS OF ELEVATORS NO. 10, 11 AND 12 IN THE FORMER HOUGHTON-DUTTON BUILDING, 55 TREMONT STREET, BOSTON, MASS.

The City of Boston, acting by the Commissioner of Real Property, hereinafter referred to as the Awarding Authority, invites sealed general bids for alterations of elevators No. 10, 11 and 12 in the former Houghton-Dutton building, 55 Tremont street, Boston, Mass.

General bids will be received up until twelve o'clock noon, Thursday, November 30, 1961, at the office of the Awarding Authority, 811 City Hall Annex, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$5,000. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids and the subbids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Awarding Authority as designated above in this advertisement and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

All subbids for a subtrade designated in Item 2 of the general bid form shall be filed with the Awarding Authority, at the office designated above, before twelve o'clock noon, Wednesday, November 22, 1961, at which hour and place they will be publicly opened and read aloud. Every such subbid must be submitted in a sealed envelope with the follow-

ing plainly marked on the outside: title of work, subtrade for which subbid submitted, subbidder's name, subbidder's business address.

All such subbids must be submitted on the form for subbid furnished by the Awarding Authority, and any such subbid not filed on the form for subbid so furnished by the Awarding Authority shall be rejected.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount specified in the following list for the respective subtrades, shall be submitted by each subbidder with his subbid as filed with the Awarding Authority:

Elevator Equipment.....	\$3,500
Furring, Lathing and Plastering.....	\$1,500
Ornamental and Miscellaneous Iron,	\$150
Painting	\$250

No subbid may be withdrawn after the time limit for the filing of subbids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the date fixed for the opening of the general bids. In addition neither the subbids filed by (a) the three lowest responsible and eligible subbidders for a subtrade nor the subbids for the same subtrade as shown on the general bids of the three lowest responsible and eligible general bidders, may be withdrawn after the opening of the general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) after presentation of a subcontract to the subbidder selected for that subtrade by the general bidder selected as the general contractor.

Plans and specifications and other contract documents may be obtained from the Awarding Authority, 811 City Hall Annex, Boston, Mass., on and after 9 A.M., Wednesday, November 8, 1961, upon receipt of a certified check payable to the City of Boston in the amount of \$100 per set of plans and specifications. The amount of the deposit, per set of plans and specifications, will be refunded upon return thereof in good condition to the Awarding Authority with the general bid not later than 80 days after the opening or upon return thereof in good condition of general bids (Saturdays, Sundays, and legal holidays excluded).

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth of Massachusetts and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that less than three such subbids were received and that the prices are not reasonable for acceptance without further competition, in accordance with section 44D, chapter 149, of the General Laws, as amended.

PROPOSALS FOR INSTALLING ONE THOUSAND (1,000) PARKING METER POSTS IN THE CITY OF BOSTON, MASS.

The City of Boston, acting by the Traffic Commissioner, hereinafter referred to as the Commissioner, with offices at 112 Southamptton street, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof

is owned by a citizen or citizens of the United States for installing one thousand (1,000) parking meter posts at various locations in the City of Boston, Mass. A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at 112 Southamptton street. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Installing One Thousand (1,000) Parking Meter Posts in the City of Boston, Mass.," one copy of which is to be left at 112 Southamptton street before 12 M. on Monday, November 13, 1961, with a certified check for five hundred (500) dollars, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor, at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or any item of a proposal.

One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$400. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bid-

ders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

ROBERT A. GRIMES COMPLETES HIS TWO-YEAR ASSIGNMENT

Commissioner of Assessing Robert A. Grimes, who since January, 1960, has cut city tax abatements in half and saved the city \$272,000 in interest on borrowings, notified Mayor Collins, on November 8, of his intention to resign in 30 days in order to devote his full time to the private practice of the law.

Mayor Collins expressed deep regret over losing Mr. Grimes whom he appointed upon taking office nearly two years ago. The Mayor noted, however, that Mr. Grimes had stayed on a year longer than he had intended in order to see the reorganization of the Assessing Department well under way.

In a report of his stewardship covering the past two years Mr. Grimes stated as follows:

"Dear Mr. Mayor:

"In January 1960, I was delighted to join your Administration as Chairman of the Board of Review in the Assessing Department because I accurately predicted that you would give a great Administration to the City of Boston. I agreed to do so for one year. In late 1960, I agreed to stay on for another year in order to conduct a reorganization of the Assessing Department.

"Under your strong leadership, we have cut the tax abatements for 1960 and 1961 in half from the abatement figures prior to your Administration. The Assessing Department has also in 1961 succeeded in declaring the tax rate on time for the first time in many, many years. The Assessing Department, by diligent management, got the tax bills out on time for the first time in

approximately ten years, resulting in the lowest interest cost for borrowing for the city since 1948. According to Treasurer Gildea, this resulted in a \$272,000 saving in interest on borrowings that normally would have occurred.

"An aggressive program was pursued by me to reduce interest paid on tax abatements, resulting in a reduction of approximately 90 per cent over interest paid in 1958, and approximately 70 per cent reduction over interest paid in 1959 and 1960. We have reduced the number of tax abatements filed in 1961 to 6,450 from a figure of 7,700 applications in 1959, a reduction of approximately 20 per cent. This is an indication that the assessing program is showing improvement.

"In the course of reorganization, there has been a conversion of the assessors from 47 part-time assessors, as of early 1958, to 22 full-time assessors, as of this writing. This is resulting in greater efficiency, better service to the public and more economy. In conducting the reorganization, in accordance with instructions from you, I have selected key personnel who are dedicated and conscientious.

"There has been an enthusiastic reception from many people who have had contact with the Assessing Department since its reorganization. In fact, to quote Emmett Kelly, President of the Assessors Association, who was the principal opponent, "This has turned out to be the finest thing that ever happened. In 25 years, I have never seen the Department running so efficiently."

"Under my direction the Department has conducted an intensive campaign in 1961 to break down the assignments of all personnel, and has put the assignments of the clerks, the assessors, the tabulating division, etc., on an assigned work quota basis, so that we are getting daily or weekly reports as to how much is being accomplished.

"The 1962 assessing was started by my direction on September 15, so that when it is completed there will be time and personnel available to devote task forces of men to special projects, such as those I directed last year pertaining to the funeral homes, nursing homes, parking lots, and bringing the standards up to date.

"The 1961 abatement applications have already been distributed to the four district directors with instructions to adjust those that should properly be adjusted so as to cut down on the backlog of future tax abatement cases. The deputy assessors are cooperating with me to that end.

"I have dedicated myself entirely to giving the Assessing Department a better organization, better supervision and direction, and as a result, the Assessing Department has now achieved a much better morale after a difficult period for its personnel and a very trying time for myself. There are no doubt many mistakes and inequities and other problems yet to be corrected, but having given the Department a new sense of direction, I feel that the time has come that I should be free

Resignation . . .

(Continued from Front Page)

to devote my time to my private law practice, which demands my attention.

"I deeply appreciate the co-operation you have given me, and admire the tremendous job that you are doing. I also appreciate and commend the excellent response to our programs from most of the personnel of the Assessing Department. I therefore submit to you this date my resignation as Commissioner of Assessing, effective December 8, 1961."

CITY AUDITOR ADVISES MAYOR THAT SCHOOL BUDGET FACES DEFICIT

Mayor Collins, on November 2, released the following communication from City Auditor Joseph P. Lally:

Dear Mr. Mayor:

"An estimate of school salary expenditures for 1961, based upon actual expenditures to October 31 and a projection of estimated expenditures for November and December, indicates that appropriations for school salaries will not be sufficient to meet salary requirements. The estimated deficit as of now is \$300,000 which includes the amount of \$35,000 for increases to teachers to be effective December 1, 1961. This estimated deficit is arrived at as follows:

	Surplus	Deficit
Administration.....	\$9,200	
Instruction.....	—	\$266,000
Attendance and Health Services.....	7,600	
Operation of Plant.....	4,400	
Fixed Charges.....	—	38,200
Community Services...	—	17,000
	<u>\$21,200</u>	<u>\$321,200</u>
Net deficit.....		<u>\$300,000</u>

"This estimate is subject to revision, and towards the end of this month, when actual November expenditures are available, it will be possible to make a more reliably accurate estimate.

"It will be noted from the above that almost the entire deficit will be

in the appropriation for "Instruction", school teacher salaries. The deficit in "Fixed Charges" is due to an insufficient appropriation for pensions to veterans and the deficit in "Community Services" is due to appointments of additional employees and salary increases not provided for in the budget.

"Included in the \$266,000 deficit for "Instruction" is the amount of \$35,000 for salary increases to be effective December 1 which was not provided for in the 1961 budget and which, if it becomes effective, will mean an increase in the 1962 budget of \$420,000 on account of this item.

It is significant that the balance of the deficit, \$231,000, closely approximates the reduction of \$227,932 that the school committee voted to cut from the appropriation for permanent teachers salaries in August. The conclusion could reasonably be drawn that although the school committee voted the reduction, the school committee blithely ignored it by subsequent actions.

Following is the comment of Mayor John F. Collins on the school deficit:

"It is fantastic that we now must compel city departments which have lived within their budgets to postpone necessary expenditures in an attempt to make available the necessary moneys to prevent payless paydays for our teachers.

City Registrar's October Report

City Registrar Charles H. Mackie published the monthly figures on Boston births, marriages, and deaths for October, as follows:

	1961	1960
Births.....	2,186	2,439
Marriages.....	660	628
Deaths.....	1,040	1,088

Totals for ten months, January to October, are as follows:

	1961	1960
Births.....	20,217	20,164
Marriages.....	5,965	6,130
Deaths.....	10,223	10,693

The above figures refer to births, marriages, and deaths which occurred in Boston regardless of official places of residence.

OPENS GOVT. CENTER RELOCATION OFFICE

Mayor Collins, on November 9, announced the opening of a Boston Redevelopment Authority relocation office in connection with the Government Center project. The facility is located in the Wayfarer's Lodge building on Hawkins street. The office will be opened daily from 9 A.M. to 5 P.M.

Trained relocation workers will assist businesses, families, and individuals who are required to move from the project area. Telephone number for the relocation office is RI 2-4655.

TIME OFF ALLOWED FOR CREDIT UNION ELECTION

Director of Administrative Services Henry A. Scagnoli, on October 31, sent the following directive to all department heads.

¶ The Annual Meeting and Election of Directors of the City of Boston Employees' Credit Union will be held at the City Council Chambers, City Hall, on Tuesday, November 21, 1961. The polls will be open from 12 Noon to 6 P.M.

¶ Mayor Collins requests that authorization be given to all Credit Union members in your department for time off to cast their ballots.

¶ In order not to interfere with your administrative requirements, the Directors have suggested a system which will allow the casting of ballots by various department personnel on a staggered time basis. The suggested times will be forwarded to you by the Directors.

¶ Although the Credit Union was established by the legislature many years ago and is not a city department, it nevertheless functions for the benefit of the city employee and his family.

Department Heads and Key Employees to Attend "Conferama"

Director of Administrative Services Henry A. Scagnoli, on November 2, sent the following directive to all department heads.

¶ On Thursday, November 16, and Friday, November 17, 1961, Mayor Collins and the City of Boston will again sponsor its Annual Conferama.

¶ The theme this year will be: "Boston in the Seventies". Many interesting subjects will be discussed including architecture, public utilities, automation, housing, urban renewal, business, industry, and the economic outlook.

¶ It is the belief of the Conferama Committee headed by Lawrence W. Costello, Conferama Coordinator, that the remarks of the panelists and moderators will be of particular interest to all city officials. It will acquaint officials, as well as key employees, to the fact that city

planning in all areas of endeavor should not necessarily be gauged on a year to year basis. Our speakers hold responsible positions in the fields of government, education, labor, and private industry and come before us to offer the benefit of many years of careful research and study.

¶ This year the Conference will be held at Alumni Auditorium, Northeastern University, on Huntington avenue, Boston.

¶ Mayor Collins has requested that all key personnel in your department be invited to attend and it is expected that all department heads will appear.

¶ Registration time on Thursday, November 16, will be at 8.30 A.M. and the Conference will open promptly at 9 A.M.

¶ Let us show by our presence that Boston's municipal team is eager to listen, cooperate with, and coordinate its thinking and planning with others who plan for a better Boston.

DISCHARGE OF FIRE ALARM DIVISION HEAD TO BE REVIEWED

Fire Commissioner Thomas J. Griffin, on November 7, issued the following:

¶ Last week the Boston Retirement Board ordered Albert L. O'Banion* restored to duties. This week the State Civil Service Commission in a decision dated November 6 and delivered to me today, finds the

appointing authority justified in the dismissing of Mr. O'Banion on all four counts.

¶ Since this is the first time that an employee who has been dismissed has appealed to both bodies, I have requested Corporation Counsel Arthur G. Coffey to appeal to the State Contributory Retirement Appeal Board and the Superior Court in order that we may have a judicial review of Mr. O'Banion's status.

¶ This procedure is necessary both in justice to Mr. O'Banion and to clarify the duties and responsibilities of each of these quasi judicial agencies in the future.

**Mr. O'Banion was former director of the Fire Alarm Division, Boston Fire Department. See "City Record" issue of November 4, page 843; issue of September 9, page 714; issue of August 26, page 672.*

A rate of \$4 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must be in hand by 5 P.M. Wednesday of each week to insure its publication in the Saturday issue.

Mayor Collins requests that authorization be given to all Credit Union members in your department for time off to cast their ballots.

In order not to interfere with your administrative requirements, the directors have suggested a system which will allow the casting of ballots by various department personnel on a staggered time basis. The suggested times will be forwarded to you by the directors.

Although the Credit Union was established by the Legislature many years ago and is not a City Department, it nevertheless functions for the benefit of the city employee and his family.

Yours very truly,

HENRY A. SCAGNOLI."

FIRE DEPARTMENT ORDERS

November 7.

General Order No. 44.

I. JOHN P. MANNING.

It is with deep regret that the Fire Commissioner announces the death on October 30, 1961 of Senior Fire Alarm Operator John P. Manning of the Fire Alarm Division. Senior Operator Manning was appointed to the department on November 1, 1939.

CONTRACTS AWARDED
WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT.
Purchasing Division.

Printing of Maps

DEAR MR. MAYOR:

This office is in receipt of a requisition from your office for 177,000 City of Boston maps as per specifications. Buck Printing Company, which has printed similar folders previously, has submitted an informal written quotation.

Inasmuch as this company has the plates on hand and will make all necessary revisions, authority is requested to dispense with publicly advertising for bids and award a contract,

without public advertisement, to Buck Printing Company. It is my opinion that, in this way, the best interests of the city will be served.

Approximate total amount of contract will be \$10,000, net.

Respectfully yours,
 MICHAEL A. DESIMONE,
 Purchasing Agent.

Water Meter Parts

DEAR MR. MAYOR:

This office is in receipt of several requisitions from the Water Division of the Public Works Department for water meter parts for Hersey meters.

Informal written quotations were received from Hersey-Sparling Meter Company who is the manufacturer of the parts requested. Inasmuch as this company is the manufacturer, it is my opinion that no advantage could be gained by publicly advertising for prices. Authority is therefore requested to dispense with public advertising and award a contract, without public advertisement, to Hersey-Sparling Meter Company. By awarding the contract as requested, I feel the best interests of the city will be served.

Approximate total amount of contract will be, \$21,022.78, less 42 per cent discount, \$8,829.57, total, \$12,193.21, net 30 days.

Respectfully yours,
 MICHAEL A. DESIMONE,
 Purchasing Agent.

Proposals for Earth Excavation
and Refilling to Assist the
Water Division Employees to
Install, Regulate or Repair
Water Division Structures and
Other Incidental Work in Area
No. 2.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for earth excavation and refilling to assist the water division employees to install, regulate or repair water division structures and other incidental work in Area No. 2. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Earth Excavation and Refilling to Assist the Water Division Employees to Install, Regulate or Repair Water Division Structures and Other Incidental Work in Area No. 2." and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of TUESDAY, NOVEMBER 21, 1961, with a certified check for ONE THOUSAND (1,000) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics,

teamsters, chauffeurs and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

BOSTON TRAFFIC DEPARTMENT.

PROPOSALS FOR INSTALLING ONE THOUSAND (1,000) PARKING METER POSTS IN THE CITY OF BOSTON, MASS.

The City of Boston, acting by the Traffic Commissioner, hereinafter referred to as the Commissioner, with offices at 112 Southampton street, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States for installing one thousand (1,000) parking meter posts at various locations in the City of Boston, Mass. A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at 112 Southampton street. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Installing One Thousand (1,000) Parking Meter Posts in the City of Boston, Mass.," one copy of which is to be left at 112 Southampton street before 12 M. on Monday, November 13, 1961, with a certified check for five hundred (500) dollars, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price of any item appears to the commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor, at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or any item of a proposal.

INVITATION FOR GENERAL BIDS FOR PLUMBING ALTERATIONS CONCERNING HAND WASHING FACILITIES AND DRINKING FOUNTAINS AT THE PHILLIPS BROOKS SCHOOL, PERTH STREET, DORCHESTER, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for plumbing alterations concerning hand washing facilities and drinking fountains at the Phillips Brooks School, Perth street, Dorchester, Mass.

General bids will be received up until twelve o'clock noon, Tuesday, November 21, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$200. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Superintendent of Construction of the Department of School Buildings designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to

the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

No. 46

POLICE DEPARTMENT SETS UP SPECIAL EMERGENCY SQUAD

Police Commissioner Leo J. Sullivan, on November 13, issued the following general order:

GENERAL ORDER NO. 984.

The Rules and Regulations of the Boston Police Department are hereby amended by inserting on Page 21, after Rule 15, the following new rule.

Rule 15A—Emergency and Disaster Procedures

The Department Drillmaster shall recruit and train a special squad of officers in emergency and disaster procedures. The selection, training, assigning and equipping of this Emergency Squad will be determined by the Drillmaster under the direction of the Commissioner and Superintendent. The training of the Emergency Squad will include full scale test alerts.

The officer in charge of the Central Complaint Room is designated as Operations Officer. The mobilization of the Emergency Squad and the Department Recall system is under the control of the Operations Officer, and the same will be placed in effect by him, either totally or partially, as conditions may warrant.

In the initial stages of an emergency or disaster of serious proportions, the Operations Officer at the Central Complaint Room shall immediately recruit personnel from other units on duty at Headquarters sufficient to fully man all emergency communications facilities until personnel of that unit can be summoned to duty.

A specially designed Log shall be maintained by the Operations Officer at the Central Complaint Room upon which will be entered chronologically all details concerning emergency or disaster operations, including complete information on all notifications.

An Emergency Mobile Field Office is assigned to the Central Complaint Room. This vehicle shall be dispatched by the Operations Officer, at his discretion, to the scene of any disaster or emergency of serious proportions for use as a Command Post. The Operations Officer may also dispatch this vehicle at the request of the officer in charge at the scene of any incident wherein the services of such vehicle would be of assistance.

Specially designed enlarged maps of each police division, in book form, shall be maintained at the Central Complaint Room. These maps shall be plainly marked in varying colors indicating the vulnerable areas and potential disaster locations on each division, important access routes and suggested command and briefing points for emergency operations as established by Division Commanders.

When a disaster of serious proportions occurs, the Operations Officer will direct local police divisions to immediately assign a sergeant and a sufficient number of patrolmen to the mortuaries and to the major hospitals to assist in police operations, to main-

tain order and to regulate traffic in the vicinity of such institutions during the emergency.

When a disaster of serious proportions with great loss of life occurs, upon notification by the Operations Officer a squad of specially trained officers from the Identification Section of the Bureau of Criminal Investigation shall be immediately dispatched to the Office of the Medical Examiner.

An all-service emergency truck completely equipped shall be maintained for immediate use and kept available at the Harbor Police Division, and be manned by personnel of that division.

A horse-van equipped to transport a number of horses and sufficient mounted officers shall be dispatched to an emergency scene at the discretion of the Operations Officer or at the request of the officer in charge at the scene.

A completely equipped emergency barrier truck for the transportation of barriers, ropes, stakes, lanterns, and other necessary equipment is assigned to the Director of Signal Service. This vehicle shall be dispatched to the scene of any disaster or emergency of serious proportions at the discretion of the Operations Officer or at the request of the officer in charge at the scene.

Each division of the department will be provided with a supply of barriers, lanterns, ropes, etc.,

POLICE DEPARTMENT ORDERS

November 7.

General Order No. 979.

Patrolmen George F. Shamon and Albert J. Hurst of Division 2 are hereby commended for meritorious police duty and each is granted three days' additional vacation.

At about 4.17 P.M., on Friday, October 20, 1961, Patrolmen Shamon and Hurst who were assigned to special duty in the offices of the Beneficial Finance Co., 8 Winter street, Boston, due to the recurrence of armed robberies at this location, observed a white man about 55 years, 5 feet 10 inches, 160 pounds, wearing a tan-colored trenchcoat and a gray soft hat, enter the office, turn to the right and as he entered the office enclosure, they saw him draw a gray steel automatic pistol from his right-hand coat pocket. This man approached one John P. Flaherty of 107 Rosseter street, Dorchester, the Assistant Manager, and said, "Where's the money?" at the same time brandishing the pistol in a threatening manner at the employees within the office enclosure.

Patrolman Shamon, having assumed the identity of an employee, arose from the desk within the enclosure as if to comply with the man's order and approached the gunman with his service revolver in his right hand which was concealed by his body. When about three feet from the gunman, Patrolman Shamon lunged at him and as he did so, the gunman whirled and jammed the semi-automatic pistol in the officer's stomach saying, "What are you doing?" During the struggle, both men fell over a desk to the floor. Patrolman Hurst, also within the office enclosure, rushed to the aid of Patrolman Shamon and both officers quickly overcame the resistance offered by the gunman, took possession of his pistol and placed him under arrest. He identified himself as Joseph A. Wilson, 55 years, single, of 76 West Newton street, Boston.

The prisoner was interrogated by Sergeant Detective John E. Howard of Division 2 and admitted having committed five (5) previous armed robberies at the same location, the Beneficial Finance Co., during a period of approximately three years and obtained about \$6,150 in United States currency in the commission of these crimes. Wilson was identified by the office employees as the man who had committed the five robberies.

On October 21, 1961, Joseph Wilson was arraigned in Boston Municipal Court and charged with the following crimes:

Five complaints for robbery while armed.

One complaint for attempted robbery while armed, assault with a dangerous weapon with intent to murder Patrolman George F. Shamon and unlawful possession of a firearm.

The cases were continued to October 25, 1961 for a hearing and bail set at \$25,000 double surety. On October 25, 1961, Judge Elias Shamon held the defendant for the grand jury and he publicly commended the arresting officers for the manner in which they effected Wilson's arrest.

Due to the number of robberies at the Beneficial Finance Co., on July 21, 1961, the day following the fourth holdup, a detail of two officers were assigned on a rotating basis starting at 3 P.M., each day to closing time, and this detail was concluded on October 20, 1961 when the robber was captured by Patrolmen Shamon and Hurst.

The Police Commissioner is pleased to recognize the intelligent police work performed by Patrolmen Shamon and Hurst in this case which resulted in the arrest of this individual without endangering the lives and safety of the many employees who were present during the commission of this latest holdup.

General Order No. 980.

The following-named officer having requested retirement under the provisions of the Statutes of 1892, chapter 353, as amended, for the reason that he is incapacitated, it is hereby

Ordered, His Honor the Mayor having approved the same, that he be retired from active service in the Police Department, effective Wednesday, November 8, 1961, at 7.45 o'clock A.M.:

Detective (First-Grade) Benjamin Goodman, Bureau of Criminal Investigation, 40 years of service.

November 8.

General Order No. 981.

The Boston Retirement Board having approved the same, the following-named police officer is retired from active duty under the provisions of the State-Boston Retirement System, effective as of Tuesday, June 27, 1961, at the close of business:

Patrolman Paul J. Welsch, Division 17.

November 8.

General Order No. 982.

Patrolman Michael J. DeSisto, Division 3, is hereby commended for exceptional meritorious police duty and is hereby granted three days' additional vacation.

At about 10.50 P.M., on Wednesday, November 1, 1961, Patrolman DeSisto, in civilian clothes, and after completing services for the Boston Police Relief Association, en route to his home went into the Harvard Gardens Restaurant, 310 Cambridge street, Boston, to eat. While talking with the Manager, George Coulouras, a man later identified as Salvatore Burrone, 38 years, single, of 67 West Eagle street, East Boston, went up to one John Green, the bartender in the establishment, and with his revolver in his hand, partly concealed by his hat,

pointed the firearm at Green and demanded all the money in the cash register. He complied and turned over all the bills which amounted to \$150. After Burrone, the gunman, made threatening gestures at Green and others in the immediate vicinity, he fled out the door in the direction of Grove street.

Upon learning of the holdup, Patrolman DeSisto, who was unarmed, raced without hesitation to the fire door in the rear of the premises with the intention of intercepting the robber on Grove street. Upon reaching the street, Patrolman DeSisto collided with and wrestled Burrone to the ground. The latter, with his gun-hand free, was able to fire two shots which entered the stomach of the officer who, although seriously wounded, held his prisoner on the ground.

In the meantime, the manager and bartender, Mr. Coulouras and Mr. Green, rushed to the assistance of the stricken officer who gave them the gun he had taken from Burrone and surrendered his prisoner before stating that he had been shot. Patrolman DeSisto then collapsed into unconsciousness. The police arrived simultaneously with the collapse of the officer and the prisoner, Burrone and the firearm were turned over to them.

Patrolman DeSisto was rushed to the Massachusetts General Hospital by fellow officers and upon examination by Dr. Kurt Block, he was found to be suffering from gunshot wounds of the lower abdomen and his name was placed on the danger list. An immediate operation took place to save the officer's life, but due to his critical condition, only one of the bullets was removed. A second operation will be necessary for the removal of the other bullet when the officer's condition warrants.

The money stolen in this robbery was recovered at the scene and delivered to the owner.

The Police Commissioner is pleased to recognize the outstanding devotion to duty and courage displayed by Patrolman DeSisto in this case, who, as the result of his bravery, and without regard for his own safety, took into custody the oft-convicted felon whose criminal record dates back some twenty years and is at present time wanted by other law enforcement agencies in this state.

In further recognition of Patrolman Michael J. DeSisto's heroic action on November 1, 1961, the Police Commissioner personally commended him at his bedside and promoted him to Detective Third-Grade.

LIBRARY DEPARTMENT.

INVITATION FOR GENERAL BIDS FOR REMOVAL OF EXISTING GLASS FLOORS AND FURNISHING AND INSTALLING NEW PREFABRICATED PANEL-TYPE FLOORS ON THIRD, FOURTH, FIFTH, AND SIXTH FLOORS OF ANNEX BUILDING, BOSTON PUBLIC LIBRARY, COPLEY SQUARE, BOSTON, MASS.

The City of Boston, acting by the Trustees of the Library hereinafter referred to as the Awarding Authority, invites sealed general bids for the removal of existing glass floors and furnishing and installing new prefabricated panel-type floors on third, fourth, fifth, and sixth floors of Annex Building, Boston Public Library, Copley square, Boston, Mass.

General bids will be received until twelve o'clock noon, Tuesday, December 5, 1961, at the office of the Awarding Authority, sixth floor, Main Library, Copley square, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid furnished by the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of twenty-five hundred dollars (\$2,500). The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of the General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Awarding Authority as designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

Plans and specifications and other documents may be obtained on and after twelve o'clock noon, Monday, November 20, 1961, at the Business Office, third floor, Main Library Building, Boston, Mass., upon receipt of a certified check payable to the City of Boston in the amount of \$10 per set of plans and specifications. The amount of the deposit, per set of plans and specifications, will be refunded upon return thereof in good condi-

tion to the Awarding Authority with the general bid, or upon return thereof in good condition to the Business Office not later than 30 days after the opening of general bids (Saturdays, Sundays, and legal holidays excluded).

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth of Massachusetts and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities. The Awarding Authority also reserves the right to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$2,500. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts, under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids and subbids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Awarding Authority designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

All subbids for a subtrade designated in Item 2 of the general bid form shall be filed with the Awarding Authority at the above address before 12 o'clock noon, Tuesday, November 28, 1961, at which hour and place they will be publicly opened and read. Every such subbid must be submitted in a sealed envelope with the following plainly marked on the outside: title of work; subtrade for which subbid submitted; subbidder's name; subbidder's business address.

All such subbids must be submitted on the form for subbid furnished by the Awarding

Authority, and any such subbid not filed on the form for subbid furnished by the Awarding Authority shall be rejected.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount as specified in the following for the various subtrades, as listed below, shall be submitted by each subbidder with his subbid as filed with the Awarding Authority:

Miscellaneous Steel and Iron.....	\$200
Plumbing	\$150
Heating	\$100
Electric Work.....	\$150

No subbid may be withdrawn after the time limit for the filing of subbids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the day fixed for the opening of the general bids. In addition, neither the subbids filed by the three lowest responsible and eligible subbidders for a subtrade nor the subbids for the same subtrade as shown on the general bids of the three lowest responsible and eligible general bidders, may be withdrawn after the opening of the general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) after presentation of a subcontract to the subbidder selected for that subtrade by the general bidder selected as the general contractor.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority, 33 Beacon street, Boston, Mass., upon deposit of a certified check for \$25 per set of plans and specifications, payable to the City of Boston. The amount of the deposit per set of plans and specifications will be refunded upon return thereof in good condition with the general bid, or not later than thirty days after the opening of general bids (Saturdays, Sundays, and legal holidays excluded).

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that less than three such subbids were received and that the prices are not reasonable for acceptance without further competition, in accordance with section 44D, chapter 149, of the General Laws, as amended.

FOR CRIMINAL BUSINESS.

NOTICE OF PROPOSAL TO DESTROY OR DISPOSE OF CERTAIN PAPERS.

In accordance with the provisions of General Laws, c. 221, s. 27A, as amended, and in accordance with the general rule relative to the disposal of obsolete and useless papers and records in the courts, adopted by the Supreme Judicial Court, June 24, 1946, and as amended March 31, 1947, and as amended July 1, 1952, and as amended October 28, 1953, by order of Elijah Adlow, Esquire, Chief Justice of the Municipal Court of the City of Boston, notice is hereby given that thirty days from the tenth day of December, 1961, it is proposed to destroy or dispose of the following papers and records for the years 1939 and 1940, now in the files of the Municipal Criminal Court of the City of Boston, to wit: all

general drunkenness, domestic relations, and automobile law violation cases, all release drunkenness cases, all copies of records of autopsies by medical examiners, all search warrants, all denials, expense bills, records of discharged convicts, and all bail slips for said years. Also, all traffic cases, other than those wherein a warrant is outstanding, and papers relating to so-called "charges" for alleged violations of Motor Vehicle Parking Rules or Regulations disposed of in the calendar year 1960 or prior thereto, in accordance with General Laws (Ter. Ed.), chapter 90, section 20A, as inserted by St. 1935, c. 176, and as most recently amended by Sts. 1961, c. 233 and c. 455 and corresponding provisions of earlier laws. Said papers for the years 1959 and 1960 which have been duly examined by the examiners of the Division of Accounts are to be destroyed each month as the full calendar year is completed.

CITIES BATTLEGROUND OF NEW FRONTIER—MAYOR COLLINS

Mayor Collins Addresses White House Regional Conference

Mayor John F. Collins, speaking before the general session of the White House Regional Conference of eastern seaboard mayors in New York City, November 16, stated as follows:

Two New Frontiers

America has two New Frontiers today. One is the world at large but focusing on the underdeveloped countries, their struggles for independence and against poverty, hunger, and disease. A whole new orientation is being given in the foreign aid program. Under President Kennedy's leadership, America is insisting that countries which receive our aid must adopt fair tax and land policies and otherwise make sure aid is used in the most effective way and reaches the people who most need it.

Here at home the cities are the real New Frontier. It is in the cities of America, north, south, east and west, that we find the important battleground in the struggle against slums and blight, crime and disease, poverty and discrimination. For too long the hard-pressed cities have been fighting a losing battle by themselves with too little federal aid given too late.

Revitalization of Cities

For the first time, thanks to the Housing Act of 1961, cities have the tools they need to renew and rebuild themselves. Again, thanks to President Kennedy's leadership, we are seeing a new dimension given to the federal program. Under Bob Weaver's leadership we are

seeing increased concern for programs which move ahead, which take their relocation responsibilities seriously, and which emphasize a comprehensive approach. I would like at this time to pay special tribute to the New Frontier team which has been assembled under Bob Weaver's leadership. They are a dedicated and dynamic group, and I am confident will put to full use the tools made available by the Housing Act of 1961.

Boston's Major Effort

My City of Boston is a major partner in this rebuilding effort. We are trying to change the face of Boston by major renewal programs, but we are doing it in a way I believe to be new and different. We are emphasizing rehabilitation rather than clearance, a comprehensive rather than a project approach, and above all, we are planning with people rather than for people. All over Boston we have neighborhood groups meeting and discussing the future of their neighborhoods with City Hall rather than in opposition to it. Planning has come down out of the ivory tower and into the meeting hall, and everyone is the better for it.

Citizen Participation

We had a dramatic example just yesterday of the faith this new approach is generating in the heart of old Boston. A parcel of publicly owned land was auctioned for twice what the city paid some years ago. A group of English investors, attracted by the un-

tapped possibilities in Boston, propose to put up a major office building in the heart of the downtown area. The private interest in our other development opportunities is increasing every day. I want to assure you all, however, that we are fully aware of our responsibility to preserve the heritage of this wonderful old city. I have just appointed a committee of forty citizens from all fields, interested in the problem of historic preservation, to prepare a specific and detailed program for the conservation of the old structures which give Boston its special character.

Human Side of Renewal

We are trying to pay attention, too, to the human side of urban renewal, and with foundation help we are attempting to pay attention to some of the problems which physical renewal alone cannot solve.

Finally, we have a special part of the New Frontier in Boston. It is not enough to do physical and human renewal. We must change the image of Boston and its city government. It seemed to me with our tax rate and past budgetary practices we had an urgent need to install an austerity program and hold-the-line policy on taxes. Those of you with direct experience in public office know the unceasing pressures for new programs, and all the other expenditures, each in themselves having merit. However, in this administration we have decided to put first priority in hold-

ing the tax line and I am pleased and proud to say that Boston is one of the few larger cities in the country which has been able to cut the tax rate, not by much but a trend in the right direction, for two years running.

Partnership Approach

In Boston there is a partnership approach, with the federal government which provides guidance, with private enterprise which provides capital for new investment and, above all, a new partnership between the people and City Hall, a new confidence that Boston's best days can be ahead. We are on the way in our part of the New Frontier, and we hope you will visit us soon and have a look for yourselves.

OUT-OF-TOWN MEETINGS REPORTED TO MAYOR

Reports have been filed in the Mayor's Office on the attendance of various city officials and personnel at out-of-town conventions and meetings pertaining to their respective fields of activity as follows:

appointment marks the filling of the first of six newly created positions at the hospital recommended for its reorganization under a report of the Cresap, McCormick and Paget consulting firm after an extensive survey.

Previous to his appointment as City Auditor, he served with the Collecting Department and the Boston Retirement Board. He is secretary of the Board of Commissioners of Sinking Funds of the City of Boston, secretary to the trustees of the George Robert White Fund, and a member of the Boston Retirement Board and the Administrative Services Board. He is chairman of the advisory board of Stonehill College, Easton, serving as its chairman, 1942-1954.

He is also a member of the Municipal Finance Officers Association of the United States and Canada, the Massachusetts Association of Accountants and Auditors, and the Massachusetts Society of Public Administrators. He is Past State Deputy of the Massachusetts State Council, Knights of Columbus, and former president of the Catholic Accountants Guild of the Archdiocese of Boston.

He was educated at Boston Latin School, the Boston University College of Business Administration, and Boston College Law School.

In his new post he will function as a deputy superintendent of the Main Hospital and a staff assistant to Dr. John F. Conlin, director of the hospital. He will direct admitting, budgeting and accounting, payroll, billing and cashing, credit management, management services and property control. He will recommend and, upon approval, direct the execution of short- and long-term financial programs for the Department of Hospitals.

NEW CATCH BASINS APPROVED

The Commissioner of Public Works has officially declared his intention to construct thirteen catch basins and connections, one manhole in East Cottage street, Ruggles place, Dorchester; Jamaica street, West Roxbury and Russell street, Charlestown, at an estimated cost of \$8,950.

WELFARE COSTS AT ALL-TIME HIGH IN OCTOBER

Following is a summary of the Welfare Department report for October:

¶ An increase in payments for medical care resulted in a departmental expenditure of \$3,513,549 for October, 1961. This was the largest amount ever expended for any single month. It was a rise of \$81,107 or 2.4 per cent compared to the previous month. Costs for hospital and nursing home care, drugs, and out-patient care figured prominently in causing the increase. Correspondingly, the caseload also went up with 1,135 cases added and 970 closed, a net increase of 165. There were 1,486 requests for assistance which were processed of which 76.4 per cent were approved and the balance rejected or withdrawn.

¶ Old Age Assistance: As noted above, medical costs were responsible for an increase in expenditures even though there was a slight decrease in the caseload. This trend has been continuous for the past ten years. There were 12,371 clients who received a total of \$1,172,625 for an average of \$93.42 for the month.

¶ Medical Assistance for Aged: Applications for this relatively new category continued at a high level with action taken on 443 requests for assistance; 276 or 62.3 per cent were approved and 167 were denied. Expenditures amounted to \$720,834 of which \$700,181 were for medical payments.

¶ Aid to Dependent Children: For the first time, the cost for this program went over the \$1 million mark. Actual expenditures were \$1,041,614, an increase of \$51,465 compared to September. The number of cases aided, 6,153, was the highest number ever aided under this program.

¶ Disability Assistance: This category remained fairly stable with an expenditure of \$435,666 for 3,017 persons. The average monthly cost per case was \$144.20. There were 105 applications approved and 122 cases closed, a net decrease of 17 cases.

¶ General Relief: Seasonal factors were responsible for an increase of 4.5 per cent in the caseload. Costs rose from \$125,341 in September to \$142,810, a rise of \$17,469 or 13.9 per cent. Of the 309 applications approved, 9 out of every 10 were in need due to loss of employment. There were 247 cases closed, primarily due to the client returning to work or being transferred to another category.

POLICE DEPARTMENT ORDERS

November 15.

General Order No. 988.

The following-named officer having requested retirement under the provisions of the Statutes of 1892, chapter 353, as amended, for the reason that he is incapacitated, it is hereby

Ordered, His Honor the Mayor having approved the same, that he be retired from active service in the Police Department, effective Thursday, November 16, 1961, at 7.45 o'clock A.M.:

Sergt. Mark Morrison, Division 17, 41 years of service.

November 16.

General Order No. 989.

A trial board, consisting of Capts. John J. O'Keefe, Michael F. O'Brien, and Edward F. Blake, having heard by reference a complaint made by Capt. Thomas M. Corbett, commanding Division 19, against Patrolman George J. Tarantino, Division 19, charging him with violation of the rules and regulations of the Police Department, has reported a finding of guilty, recommending punishment duty of 105 hours.

This recommendation is accepted and it is ordered that the said Patrolman George J. Tarantino perform 105 hours' punishment duty.

November 17.

General Order No. 990.

Detective Joseph P. Toomey and Patrolmen Albert J. Kniupis, John L. Ridlon, and Nelson M. White, Division 18, are hereby commended for the performance of meritorious police duty, and each is granted three days' additional vacation.

On October 5, 1961, following several months of investigation in connection with cases of breaking and entering on that division, Patrolmen Kniupis, Ridlon, and White arrested without a warrant on suspicion of breaking and entering a dwelling in the nighttime with intent to commit a felony, Carl T. Pilblad, 20 years, single, of 6 Washington street, Hyde Park, and Arthur T. Freeman, 22 years, married, of the same address. After intensive questioning by the officers, Pilblad and Freeman admitted to four cases of breaking and entering on Division 18 from May through August of this year. Two of these were at gas service stations and

two in dwellings, from one of which a collection of rare coins valued at \$1,000 was taken.

The prisoners were arraigned in West Roxbury Court on October 6, 1961, and held in \$5,000 bail for the grand jury; indicted on October 9 and cases continued to November 13. On that date Pilblad was sentenced to three to five years on each of three counts, concurrent, and Freeman was sentenced to six months in the House of Correction, probation for two years.

As a result of the foregoing arrests, the officers obtained the names of certain other suspects. Having no definite evidence on which to base arrest and prosecution of these, the officers spent many hours keeping them under surveillance. Finally, at about 2 A.M., on Thursday, November 2, 1961, Patrolmen Kniupis, Ridlon, and White arrested without a warrant two youths aged 16 and 18 years, as they attempted to break and enter Emmanuel's Spa, River street, Hyde Park, by means of a tire iron used to force the rear door. A car containing three other subjects sped from the scene but was apprehended by the officers about four hours later, when they arrested without a warrant Robert M. Boroff, 22 years, single 779 Central street, Stoughton, owner and operator of the car; Richard Woodward, 21 years, single, of 1 Eriesson street, Dorchester; and an 18-year-old youth. During questioning throughout the morning and afternoon by Detective Toomey and Patrolmen Ridlon, Kniupis, and White, Robert Boroff admitted to breaks on Division 18 from April through October, 1961, at a pharmacy, club, spa, television store, and dwelling.

On Friday, November 3, these defendants were arraigned in West Roxbury Court and their cases continued to November 10. On that date, before Judge Daniel Casey, the 18-year old was found guilty of attempted breaking and entering in the nighttime and placed on probation for one year; the 16-year old adjudged a delinquent and committed to the Youth Service Board. Robert Woodward and the youth arrested while fleeing with Boroff were found guilty as accessories before the fact of attempted breaking and entering and placed on probation for one year. Robert M. Boroff, the acknowledged ringleader of the group, was held for the grand jury in \$5,000 bail on five charges of breaking and entering in the nighttime and one charge of attempted breaking and entering.

In addition, and as a direct result of the above arrests, two warrants for breaking and entering were issued by the police of Dedham, Mass., against Boroff and one of the juveniles.

The commissioner is pleased to recognize the devotion to duty of Detective Toomey and Patrolmen Kniupis, Ridlon, and White. By their untiring investigations and questioning, much of which was carried out on their own time, these

officers were responsible for the solving of ten burglaries on Division 18, as well as two in the Town of Dedham, and bringing to a halt the activities of a gang of potential hoodlums.

November 20.

General Order No. 991.

The Boston Retirement Board having approved the same, the following-named police officers are retired from active duty under the provisions of chapter 32, section 58, General Laws (Ter. Edit.), effective at the close of business Tuesday, November 21, 1961:

Deputy Superintendent James J. Hinchey, Traffic Division.

Patrolman Walter M. Butterworth, Division 4.

Tractors

Furnishing tractors to the Parks and Recreation Department awarded as follows:

Authority was granted to award Items 1, 2, 5, and 6 to the lowest bidders meeting specifications. The bid submitted by Casey & Dupuis Equipment Corporation was irregular in that both copies of their bid were deposited in the Purchasing Division. However, this company was the lowest bidder on Item 3 and the lowest bidder meeting specifications on Item 4. Permission is therefore granted to reject all bids received on Items 3 and 4, dispense with further advertising, and award a contract, without public advertisement, to Casey & Dupuis Equipment Corporation at the prices submitted by this company at the public opening with the exception of correction of obvious mathematical error of 44 cents on trade-in allowance figure submitted on Item 4 which will not affect total delivered price as submitted at time of public bid. By awarding the contract in this manner the best interests of the city will be served.

Approximate total amounts of contracts were as follows:

H. F. Davis Tractor Company, Item 5, \$5,200, Item 6, \$11,995 — \$17,195, less 2 per cent, 15 days, less 2 per cent, quantity discount.

PARKS AND RECREATION DEPARTMENT.

The Mayor has approved the following:

Convenience Station Maintenance

DEAR SIR:

You are respectfully notified that advertised proposals were publicly opened and read at the office of the Parks and Recreation Commission, 33 Beacon street, on Tuesday, November 7, 1961, at two o'clock P.M., for furnishing attendants and maintenance service at the convenience stations on Boston Common, Boston, Mass., as follows:

Clean-Brite, Inc., 120 Liverpool street, East Boston, \$12,485.

This contract is on a year to year basis, because of the fact that the appropriation is included in our annual budget. One year ago the Clean-Brite Company were awarded the contract. The price submitted this year is well in excess of the price submitted in 1960, and this is occasioned by the increase in the cost of personnel, supplies and materials and diminishing attendance at the convenience stations. The price submitted above is still less than it would cost the Parks and Recreation Department to maintain the convenience stations, and further if we were to maintain the stations, it would necessitate adding four more employees to our personnel.

The Clean-Brite Company has maintained the stations in a very satisfactory manner. Under the terms of its contract, the company furnishes four attendants, all maintenance and cleaning materials, and also furnishes and services the coin locks. Under the present contract, and the one to be awarded with your approval, the company retains the proceeds of the coin locks.

I therefore respectfully request your approval for the award of the contract for the maintenance of the convenience stations on Boston Common to the Clean-Brite, Inc., 120 Liverpool street, East Boston, for the sum of \$12,485, for the term of one year, beginning December 1, 1961, and ending on November 30, 1962. The payment by the City of Boston is to be charged to the Parks and Recreation Department budget, Item 299 (1962 budget).

Respectfully yours,

MARTIN F. WALSH,
Commissioner.

PUBLIC WORKS DEPARTMENT.

Summer Street Bridge Repairs

Repairs to the Summer Street Bridge, over Reservoir Channel, Public Works District 5, South Boston, awarded to Builders Iron Works, Inc., in the amount of \$7,730.

The other bids were:

Frederick W. Byron, \$8,980; John J. Botti Company, Inc., \$10,940; Daniel Marr & Son Company, \$17,236; John M. Cashman, \$28,625.

Painting of Bridges

Cleaning and painting the Central Avenue Bridge, Jones Avenue Footbridge, and Toll Gate Way, Public Works Districts 2 and 7, West Roxbury and Dorchester, awarded to H. Piken & Co., Inc., in the amount of \$4,760.

The other bids were:

Horton Painting Company, \$7,614; William R. Dunlap, Inc., \$8,300; Joseph & Nicholas Bello, \$9,192; John J. Botti Company, Inc., \$10,485.

Highway Reconstruction

Highway reconstruction in Babson street and Crossman street, Public Works District 7, Dorchester, awarded to J. A. Susi & Sons, Inc., in the amount of \$86,526.

The other bids were:

M. Susi & Son, Inc., \$87,328; S. J. Tomasello Corporation, \$90,956; John J. Botti Company, Inc., \$96,663.50; Needham Construction Company, Inc., \$99,408; Dooley Brothers, Inc., \$107,466.

Water Works

Water works in Collins street, DeRoma road, Heath street, and Organ Park street, Public Works Districts 2, 6, 8, and 10, Roxbury, West Roxbury, and Hyde Park, awarded to R. A. Buccella & Sons, Inc., in the amount of \$12,480.

The other bids were:

Anthony Musto, \$12,527.50; John J. Botti Company, Inc., \$13,665; Roslindale Contracting Company, \$18,630.

Sewerage Works

Sewerage works in Auckland street, Kiernan road, Hallam street, and Treadway road, Public Works Districts 3 and 6, Dorchester and West Roxbury, awarded to Mystic Construction Company, Inc., in the amount of \$15,675.50.

The other bids were:

Anthony Musto, \$15,791; N. Bevilacqua & Son, Inc., \$17,192; Roslindale Contracting Company, \$17,762.50; Joseph Capone & Son, Inc., \$19,028.25; John J. Botti Company, Inc., \$19,460; R. A. Buccella & Sons, Inc., \$19,513.

Sewerage works in Babson street and Crossman street, Public Works District 7, Dorchester, awarded to J. A. Susi & Sons, Inc., in the amount of \$19,625.

The other bids were:

Mystic Construction Company, Inc., \$21,263; Joseph Capone & Son, Inc., \$22,837.90; R. A. Buccella & Sons, Inc., \$23,201; Anthony Musto, \$24,184; Roslindale Contracting Company, \$26,057.10.

Snow Removal, District 1B

Removing snow and furnishing labor and equipment for the purpose of supplementing the department forces and equipment in connection with the work of keeping highways and streets open following snow storms, during the 1961-1962 period, in District 1B South, City Proper, the Retail and Leather and Insurance Districts, awarded to Dooley Brothers, Inc., the second lowest bidder, in the amount of \$63,000.

Nardone & Magri, Inc., was the low bidder and is being awarded another district, and it was the opinion of the Public Works Commissioner that removal of snow in a major storm would exceed the capacity of the low bidder.

The bids were as follows:

Nardone & Magri, Inc., \$52,150; Dooley Brothers, Inc., \$63,090; John J. Botti Company, Inc., \$75,210.

WIDOWS' ALLOTMENTS APPROVED

Boston Retirement Board has approved the application for an annuity of Mrs. Mary A. Foley, widow of the late Coleman Foley, of the Boston Police Department; also the application of Mrs. Loretta Lynch, widow of the late Robert A. Lynch, Boston Police Department.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT.

Purchasing Division.

Cash Registers

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Boston City Hospital for two (2) National cash registers, Model Class 22, as per specifications. The National Cash Register Company, manufacturer of these machines, has submitted an informal written quotation.

Inasmuch as the above company is not only the manufacturer but is the only source of supply, no advantage would be gained by publicly advertising for prices. Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to the National Cash Register Company. It is my opinion that by awarding the contract as requested the best interests of the city will be served.

Approximate total amount of contract will be: \$2,300, less trade-in allowances, \$402—\$1,898, net.

Respectfully yours,
MICHAEL A. DESIMONE,
Purchasing Agent.

Furnishing Human Blood

DEAR MR. MAYOR:

On March 31, 1961, your Honor approved a letter to award a contract to Ortho Pharmaceutical Corporation in the amount of \$6,500 for furnishing Human Blood Grouping Sera as a result of bids on drugs which were publicly opened and read in this office on February 27, 1961.

The City Hospital has now notified this office that, in order to operate the Blood Bank until March 31, 1962, an additional contract in the approximate amount of \$11,000 will be necessary.

Since Ortho Pharmaceutical Corporation was awarded the original contract for being the lowest acceptable bidder, authority is requested to dispense with publicly advertising for bids and award a contract, without public advertisement, to this company for the period from November 1, 1961, to March 31, 1962, inclusive.

Approximate total amount of contract will be \$11,000, net.

Respectfully yours,
MICHAEL A. DESIMONE,
Purchasing Agent.

HOSPITAL DEPARTMENT.

Office Machinery

DEAR MR. MAYOR:

On September 25, 1961, your Honor approved the award of a contract to International Business Machines Corporation for rental of certain previously installed machines, Boston City Hospital, in the sum of \$10,444.80 for the calendar year 1961. At this time I would like to supplement that aforementioned letter by requesting that the contract be executed for the period April 1, 1961, to March 31, 1962, inclusive, so that this contract, the payments of which are on a monthly basis, will be in harmony with the other contracts executed by this and other departments throughout the city for contracts which are on a monthly service basis.

Respectfully yours,
BOARD OF TRUSTEES, HOSPITAL DEPARTMENT,
By WILLIAM H. ELLIS, JR.,
President.

Electric Service

DEAR MR. MAYOR:

On July 25, 1961, your Honor authorized the award of a contract to Boston Edison Company, to run a 75-kilowatt, three-wire, 120/240-volt direct current electric service from the street to Boston City Hospital's emergency motor generator unit at a cost not to exceed the sum of \$3,162.

The parties now deem it to be to the advantage of the city that this line be a 200-ampere, three-wire, 120/240-volt direct current electric

service from the street to Boston City Hospital's emergency motor generator unit, the price to remain the same.

Therefore, I desire to supplement the earlier letter so as to recite that the line shall be a 200-ampere, three-wire, 120/240-volt direct current electric service.

Your authorization is now requested to execute a contract with Boston Edison Company, in a sum not to exceed \$3,162, to run a 200-ampere, three-wire, 120/240-volt direct current electric service from the street to Boston City Hospital's emergency motor generator unit.

Respectfully yours,

BOARD OF TRUSTEES, HOSPITAL DEPARTMENT,
By WILLIAM H. ELLIS, JR.,
President.

LIBRARY DEPARTMENT.

Architectural Services

DEAR MR. MAYOR:

Your approval is respectfully requested to engage the services of Carl Koch & Associates, 55 Brattle street, Cambridge, Mass., as the architect for the proposed new branch library to be erected in the North End.

The cost of the proposed construction and related activities is not to exceed \$225,000, including the architect's fee. The architect will be paid a fee equal to the sum of 8.4 per cent of the full amount of the cost of said construction.

In view of the nature of the professional services involved no useful purpose would be served by advertising publicly for bids. Therefore the Trustees of the Public Library have

"Voted, That Carl Koch & Associates, 55 Brattle street, Cambridge, be, and hereby are, selected, in accordance with the contractual arrangements approved by the City of Boston for the purpose to design a branch library building to be erected on a parcel of land on Parmenter street adjoining 44 Prince street, Boston, to be made available to the City of Boston, in accordance with specifications to be set by the Library."

Your permission is respectfully requested to dispense with public advertising and to engage the services of Carl Koch & Associates as indicated above.

Respectfully,

THE TRUSTEES OF THE PUBLIC LIBRARY
OF THE CITY OF BOSTON,

By MILTON E. LORD,
Director.

HOSPITAL DEPARTMENT.

DEAR MR. MAYOR:

In accordance with section 22, chapter 3 of the revised ordinances of 1947, I hereby designate James V. Sacchetti, M.D., Assistant Superintendent, or Mr. Robert G. Curran, Administrative Assistant, to act in my capacity as Superintendent of the Boston City Hospital

in the signing of payrolls and other vouchers required for the Auditor's Office during such times as I may be absent from the institution for the period from October 30, 1961 through November 24, 1961, inclusive.

Respectfully yours,

JOHN F. CONLIN, M.D.,
Superintendent.

ENCROACHMENT PERMIT

The Mayor and Public Improvement Commission have approved the following:

That permission be granted to Tufts University, School of Medicine, 118-146 Harrison avenue, Boston Proper, to install and maintain an arway at 118-146 Harrison avenue, Boston Proper district, in the sidewalk adjacent to the building for purposes of induced ventilation, substantially as shown on a plan marked "New Research Facilities for Tufts School of Medicine, 118-146 Harrison Avenue, Boston, Steinmann, Cain & White, Architects, 101 Park Avenue, New York, N. Y., Medical Research Building, Basement Sheet 3, September 29, 1961," and on file in the office of the Commissioner of Public Works.

HOSPITAL DEPARTMENT (SANATORIUM DIVISION).

INVITATION FOR PROPOSALS FOR INTERIOR PAINTING OF BUILDING "A", THE PASSAGEWAY BETWEEN BUILDINGS "A" AND "B", AND THE OCCUPATIONAL THERAPY DEPARTMENT WORKSHOP AT THE SANATORIUM DIVISION OF THE BOSTON CITY HOSPITAL, 249 RIVER STREET, MATAPAN, MASS.

The City of Boston, acting by the Board of Trustees, in charge of its Hospital Department, hereinafter referred to as the Awarding Authority, invites sealed proposals for interior painting of Building "A", the passageway between Buildings "A" and "B", and the Occupational Therapy Department Workshop, at the Sanatorium Division of the Boston City Hospital, 249 River street, Mattapan, Mass.

Proposals will be received until twelve o'clock noon, Tuesday, December 12, 1961, at the office of the Superintendent, Sanatorium Division, 249 River street, Mattapan, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on forms obtained from the office of the Superintendent. Each copy of the proposal shall be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority at the office of the Superintendent designated above, accompanied by a bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston in the sum of \$750. The other copy of the proposal shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

No proposal may be withdrawn after the time limit for filing proposals and for two (2) days (Saturdays, Sundays and legal holidays excluded) from the opening of the proposals. In addition, no proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made at the expiration of thirty days after the opening of proposals.

The bids will be deemed to relate to that signed set of specifications for the project on file at the office of the Superintendent, Sanatorium Division, and bidders will act at their own risk if any variance exists between the aforesaid set of specifications and the set (or sets) of specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of specifications furnished to the bidder is a true and complete copy of the set.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the Office of the Superintendent, Sanatorium Division, 249 River street, Mattapan, Mass., on Monday, November 27, 1961, upon receipt of a certified check, payable to the City of Boston, in the amount of five dollars (\$5) per set of specifications. The amount of the deposit per set of specifications will be refunded upon return thereof, in good condition, to the Superintendent, Sanatorium Division, at 249 River street, Mattapan, Mass., with the proposal, or upon return thereof, in good condition, to him, not later than thirty

(30) days after the opening of the proposals (Saturdays, Sundays, and legal holidays excluded).

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority in the sum of one hundred (100) per cent of the contract price will be required of the successful contractor.

The Awarding Authority reserves the right to waive any informalities. The Awarding Authority also reserves the right to reject any or all bids.

SNOW REMOVAL NOW HAS CIVIL DEFENSE TIE-IN

Director of Administrative Services Henry A. Scagnoli, on November 22, issued the following directive to all department heads:

¶ This has reference to a snow coordinating table to be established at Boston Civil Defense Headquarters, 115 Southamptn street, Boston.

¶ Representatives of the following departments are to be members at this table: the Public Safety Commission, consisting of Building, Health, Civil Defense, Police, Public Works, School, Traffic, Fire, and MTA. as well as a representative of the Park Department, Real Property, Building Division, and the Public Utilities. All the departments mentioned above shall submit to me the name, home address, and home telephone number of the member to be present at this table and who has full authority to speak for his department.

¶ The Deputy Commissioner of the Public Works Department is hereby established as Chairman.

¶ The purpose of this coordinating table will be to establish a liaison between all city departments and others needed during potential disaster times.

All citizens of Boston will be invited to call their emergency problems into Civil Defense in order to facilitate their handling and to provide better service.

¶ The general public will be requested to use the telephone number, HI 2-3020, for all calls of this type, but will also be requested to direct to those city departments any activity that is normally associated with them, for instance; the Fire Department for any fire activity, the Police Department for any police activity, including emergency maternity cases.

¶ The departments listed below will be responsible for taking the action listed in addition to the above:

¶ CIVIL DEFENSE — to supply operators to maintain the telephone lines and to list the name, address, and nature of the call of the person telephoning. Coordinators to take the messages from the telephone operators to the coordinating table.

¶ TRAFFIC — to provide transportation that will become necessary. It should be noted here that all members of the coordinating table who desire transportation

in case the emergency exists during the evening hours or early A.M. should so stipulate when submitting their name, home address, and telephone. The Traffic Department is expected to supply motor pool cars when necessary.

¶ PUBLIC WORKS DEPARTMENT — (1) to furnish the necessary public relations representative; (2) to contact all members of the coordinating table to advise them when it has become necessary to activate this unit. Through their public relations man to notify all the communications services such as radio, television, and press, when the table has been activated in order that the public may then be invited to call the HI 2-3020 emergency number.

¶ There shall also exist so-called DIRECT LINES, which will be open telephone lines from Civil Defense to the Mayor's office; the Public Works office at Albany street, the Police Department headquarters, and the MTA. Each of these departments is requested to supply the necessary personnel to maintain the line at SNOW HEADQUARTERS, as well as the line in their respective headquarters.

MAYOR PROPOSES SEWER USE TAX TO SPREAD BURDEN

Mayor John F. Collins, on November 27, submitted to the City Council a proposal for a municipal sewer use tax.

In his communication to the Council the Mayor stated as follows:

Message of the Mayor

To the City Council

GENTLEMEN:

Since Section 16 of Chapter 83 of the General Laws was expressly inapplicable to Boston until the current year, it has not hitherto been possible to do other than raise the annual sewer costs in the yearly tax levy; but Chapter 311 of the Acts of 1961 has now stricken the familiar words "except Boston", so that Boston is now authorized to establish annual charges for the use of its common sewers.

The enclosed letter sent me by the Commissioner of Public Works shows that he immediately undertook a study of the advisability of establishing such charges in Boston. That study has led him to recommend adoption of the ordinance transmitted herewith.

I concur with him that Boston should follow the general trend throughout the country and treat its sewerage operation as a public utility function with separate charges, thereby warding off tax rate increases due to rising sewer costs while at the same time effectuating a more equitable distribution of those costs by making users pay in proportion to the amount of their respective use. Accordingly, I too recommend adoption of the ordinance transmitted herewith. You will note that it is drafted for passage in the current calendar year so that in fiscal 1962 the sewer function may be set up like the water service as an income operation.

Respectfully,

JOHN F. COLLINS,
Mayor.

Message of Commissioner Haley Recommending Sewer Tax

DEAR MR. MAYOR:

The annual tax levy has for years included the moneys necessary to maintain the sewers in Boston's streets, operate the disposal plant of the City's main sewerage system, and pay the assessments levied by the Metropolitan District Commission for receiving into its sewerage systems the flow from sewers in East Boston, Charlestown, Brighton, West Roxbury, Hyde Park and the southern part of Dorchester not connected with Boston's main sewerage system. In 1961 these sewer costs, which now approximate \$3,000,000 a year, added \$2 to the City's tax rate. Five years ago they were only \$2,500,000, so that there has been a 20 per cent increase in recent years; but greater increases lie ahead, for it is estimated that when the transfer of the main sewerage system to the Metropolitan District Commission is completed in 1965, M.D.C. assessments which in 1955 amounted to less than \$1,000,000 will exceed \$3,500,000. In the course of urban renewal, it will also be necessary to reconstruct many old sewers with incident annual debt service expense approximating \$750,000. In short, within four years annual sewer costs can be expected to double and represent \$4 on the tax rate if the tax levy continues the source of revenue.

By Chapter 311 of the Acts of 1961, the City of Boston has been authorized to establish annual sewer use charges. Such charges have long been part of the fiscal policy of several municipalities in Massachusetts as well as of many large cities throughout the country. They recognize that the sewerage system is essentially a public utility just as much as the water system, that for the most part sewer use is directly proportional to water use, and that just as tax exempt properties must pay for water supplied, so they ought also to contribute to sewer costs, especially when those

costs become a burden on the tax rate and such properties are large users of the sewerage service.

Accordingly, after such a study of the matter, including a special report by Camp, Dresser & McKee, consulting engineers, on sewer use charges in Boston, and an examination of the laws in municipalities having such charges, I requested the Corporation Counsel to prepare the enclosed ordinance for the purpose of establishing, with special provision for adaptation to unusual circumstances, annual charges for the use of the common sewers in Boston at the rate of \$1 for each 1,000 cubic feet of water supplied with a minimum of \$12 a year. I recommend the adoption of this ordinance as a means of prorating annual sewer costs on a more equitable basis.

Respectfully,

JAMES W. HALEY,
Commissioner of Public Works.

Text Of Proposed Ordinance CITY OF BOSTON

IN THE YEAR NINETEEN HUNDRED AND SIXTY-ONE

AN ORDINANCE

ESTABLISHING ANNUAL CHARGE
FOR THE USE OF THE
COMMON SEWERS.

Be it ordained by the City Council of Boston, as follows:

Chapter 30 of the Revised Ordinances of 1961 is hereby amended by adding after section 7 the following caption and section:

Annual Sewer Use Charges.

SECT. 8. Under authority of section 16 of chapter 83 of the General Laws and every other authority hereunto enabling, the annual charge for the use of the common sewers of the city by every estate in the city having one or more particular sewers discharging into such common sewers is hereby established as a primary charge of

twelve dollars, an additional charge of one dollar for every thousand cubic feet, in excess of twelve thousand cubic feet, of water supplied by the city to such estate and billed in the calendar year in which the charge established by this section is assessed, and a further charge of one dollar for every thousand cubic feet of water derived or received by such estate from any other source during the period covered by such billing; provided, however, that if water so supplied, derived or received is used on the estate in such a manner as not to enter the common sewers of the city, in determining the charge established by this section the quantity of water so used shall be deducted from the aggregate amount of water so supplied, derived or received during such period; provided further that in no case shall any charge be assessed under this section in excess of a just and equitable charge; and provided also that persons exempt from the payment of water rates and charges, but only such persons, shall be exempt from the charge established by this section.

The quantity of water supplied by the city through a water meter in good working order shall be determined by the readings of such meter. The quantity of all other water shall be estimated by the commissioner of public works by any reasonable and equitable method apt in the circumstances of the particular case to determine the quantity of water discharged through the particular sewer or sewers of the estate into the common sewers of the city; provided, however, in the case of water not supplied by the city but derived or received by an estate from another source, and also in the case of water used on an estate in such a manner as not to enter the common sewers of the city, that if such water is measured by one or more water meters in good working order installed and maintained on the estate by the commissioner of public works at the request and expense of the owner or tenant of such estate, the quantity of water so derived or received, or the quantity of water so used, or both, as the

case may be, shall be determined by the readings of such meter or meters. Water supplied by the city or any other source exclusively for fire pipe purposes shall not be included in determining the charge established by this section.

During the last three months of every calendar year commencing with the current year nineteen hundred and sixty-one, the commissioner of public works shall assess upon every estate in the city having a particular sewer discharging into the common sewers of the city, and in January of the next following calendar year commit to the collector-treasurer, the charge established by this section, which shall be due and payable at such time or times in such next following calendar year and in such instalments, if any, as said commissioner shall from time to time determine. Said commissioner shall in his order of assessment designate as the owner of a parcel assessed the person who was liable to assessment therefor on the preceding January first under the provisions of chapter fifty-nine of the General Laws.

PEARL-FRANKLIN STREETS LAND AUCTION APPROVED

The Mayor has approved the following:

At a meeting of the Real Property Board held on Wednesday, November 15, 1961, on motion duly made and seconded, it was unanimously

Voted to approve the sale at public auction of a parcel of land located at Pearl, Franklin, Wendell, and Hartford streets, Boston, containing 38,378 square feet more or less, to John K. Dineen, care of Weston, Patrick and Stevens, 84 State street, Boston, Mass., he being the highest bidder at the sale in the amount of \$800,000.

SO. END HOSPITALS IN JOINT PARKING SURVEY

Boston City Hospital is cooperating with the Medical Center in a survey designed to obtain a complete picture of parking problems at the hospital, Boston University Medical School, and Massachusetts Memorial Hospitals.

The survey will also seek to determine future residential needs in the area for the three participating institutions.

Survey questionnaires will be distributed during the week of December 4 to all personnel, students, part-time and volunteer workers, etc. The visiting physicians of the City Hospital staff will receive their questionnaires through the mail.

Originally the deadline for the return of the questionnaires was set for December 8, but because of the scope of the survey the deadline has been extended to December 15.

FIRE DEPARTMENT ORDERS

November 21.

General Order No. 47.

I. ASSIGNMENT AS FIRE FIGHTER (MASTER).

The following assignment, which became effective as of Wednesday, November 15, 1961, is hereby announced:

Fire Fighter James T. Giger, Engine Company 31 to fire fighter (Master).

II. CHANGE IN ASSIGNMENT OF ENGINEER, MOTOR SQUAD.

The following reassignment, which will become effective at 8 A.M., Wednesday, November 22, 1961, is hereby announced:

Fire Fighter (Engineer, Motor Squad) Martin J. Carney, Maintenance Division to fire fighter.

III. REINSTATEMENT.

The following reinstatement, which will become effective at 8 A.M., Wednesday, November 22, 1961, is hereby announced:

Fire Fighter Dennis F. Leahy to Engine Company 33.

IV. TRANSFERS.

The following transfers will become effective at 8 A.M., Wednesday, November 22, 1961:

Fire Fighter Frank B. Steele, from Engine 27 to Engine 50.

Fire Fighter Martin J. Carney, from Maintenance Division to Headquarters.

V. RETIREMENT.

The following retirement, in accordance with chapter 347, Acts of 1892, as amended by chapter 237, Acts of 1939 and chapter 594, Acts of 1951, which will become effective at 8 A.M., Wednesday, November 22, 1961, is hereby announced:

Fire Fighter (Engineer, High Pressure) Francis P. Donohue, 314 Savin Hill avenue, Dorchester, High Pressure Service.

Fire Fighter Donohue was appointed to the department on October 5, 1917, and he leaves the department with the best wishes of his associates.

VI. CALL'S ASSIGNMENT.

Company commanders shall add the following signal number to Call's running cards to this department:

Signal 294, 415 Summer street. (Sprinkler.) Apparatus to respond: Engine 39, Ladder 18, District 6. Nearest box is 712.

VII. RENUMBERING OF FIRE STATION ADDRESS.

Notice has been received from the Building Commissioner that the fire station housing Engine Squad 45, Engine 53, Ladder 16 and District 10, now numbered 315 Cummins Highway, Roslindale, has been renumbered so that it will read 945 Canterbury street, Roslindale. All records concerning the foregoing address should be changed accordingly.

VIII. HIGH COMMENDATIONS.

On August 27, 1961, an alarm was received from Box 7364, Fort Independence, Castle Island. Upon arrival of Engine Company 2 and Ladder Company 19 at Pleasure Bay, the members were informed that a boy about five years old had fallen off the pier while fishing and that his father had jumped off the pier in an attempt to rescue him, but being a poor swimmer, the father was also in difficulty. An unidentified man, who was on the pier, jumped into the water in an attempt to rescue both father and son, but he was also in difficulty due to the swift current at this location, and an incoming tide was sweeping all three into the middle of the bay.

Fire Fighters Felix F. Cosgrove and Richard T. O'Donnell of Engine Company 2 removed their outer clothing and swam out to the three persons approximately two hundred feet from the shore. By this time the boy and his father had gone under the water twice and were being held by the unidentified man, who was calling for help. Fire Fighter Cosgrove, the first to arrive at the scene, took the child from the man and swam to shore. Fire Fighter O'Donnell, meanwhile assisted the father and unidentified man, holding them above water and heading toward the shore. Members of Ladder Company 19 took a ladder from the truck and waded into the water chest high, and then pushed the ladder farther out so that the rescuers could reach the end of the ladder. They were pulled from this point to shore. After being brought to shore, the father and son were administered oxygen and then removed to the Boston City Hospital.

Because of the fact that Fire Fighters Cosgrove and O'Donnell performed an outstanding feat of bravery at great risk in accomplishing this successful rescue operation, the Fire Commissioner is pleased to commend them highly, and their cases are referred to the Board of Merit for further consideration.

At 11.35 P.M., October 26, 1961, Ladder Company 15 responded to University and Bay State roads upon receiving a

report that a man had climbed up the boom of a crane. Upon arrival at the scene, their attention was directed to a man, who was perched on the jib of the boom approximately one hundred feet from the ground. As the aerial ladder of Ladder Company 15 was being extended and placed into position, the man crawled further out on to the jib placing himself at a distance approximately twenty feet from the tip of the aerial ladder. When Fire Fighter Joseph A. Desmond of Ladder Company 15 reached the tip of the ladder, he found the man dangling from the crane by one hand. He told Fire Fighter Desmond not to make any attempt to reach him or he would release his hold on the crane. For approximately two hours, Fire Fighter Desmond talked with the man, gaining his confidence and assuring him that suicide would only be a meaningless end of life. Because of his excellent judgment, courage and perseverance, he was successful in talking the man out of suicide and persuading him to come to

the ground via the aerial ladder, at the same time rendering assistance to the man during the descent.

Because of the fact that Fire Fighter Desmond performed his duty with total disregard for his own personal safety, not knowing whether at any time, the man might attempt suicide and try to take Fire Fighter Desmond with him on spear-like reinforcement bars imbedded in cement one hundred feet below, the Fire Commissioner is pleased to commend him highly, and his case is referred to the Board of Merit for further consideration.

II. FIRE ALARM BOX ESTABLISHED.

In the near future the following fire alarm box will be installed:

Box 139, Boston Common Garage, Charles street.

The assignment of apparatus will be the same as for Box 1385. The circuit number will be announced when the box is installed.

The apparatus stationed in the Boston Common Garage near the Charles Street entrance will be known as Engine 10 Reserve. Maintenance of this piece will be absolutely up to the officers of Engine 10. It should be taken out at 9 A.M. every Sunday for a three-mile run. Oil, gas and water shall be checked, the batteries tested, and tires tested. Hose will be changed at regular intervals.

The first arriving company at an emergency or fire in the garage shall assume command of Reserve 10 and take it to the scene of the fire.

Company commanders shall add above box to assignment cards.

SHERRIN STREET, PRIVATE WAY

The Mayor and Public Improvement Commission have approved the following:

Permission is hereby granted to Frank Losordo Sons, Inc., on behalf of Sevenel, Inc., to open for public travel Sherrin street, Hyde Park district, from Dale street approximately 725 feet southwesterly, as constructed in accordance with the direction, width, lines, and grades, as shown on a plan by Ernest W. Branch, C. E., dated August 12, 1925, revised November 23, 1960, and on file in the office of the Engineering Division, Public Works Department.

MARQUEE PERMIT

The Mayor and Public Improvement Commission have approved the following:

That permission be granted to The Boston Five Cents Savings Bank, 30 School street, Boston Proper, to install and maintain a permanent marquee at 385-387 Washington street, Boston Proper district; substantially as shown on a plan marked "Plan of Proposed Marquee, 385-387 Washington Street, Riskin & Fried, Architects, 262 Washington Street, Boston, October 30, 1961," and on file in the office of the Commissioner of Public Works.

• Contract awarded.

Amended Statement, on Automotive Vehicles.

The Mayor has approved the following:

On July 5, 1961, your Honor authorized the awarding of contracts and orders on several automotive vehicles to various vendors. One such vendor, Cote Motor Company, Inc., was the lowest bidder on Item 6 with a net amount of \$1,772.61 and therefore the award to this company was listed as an order since the amount was under \$2,000.

However the bid as submitted by this company was as follows: list price, \$2,272.61, less trade discount, \$400, less trade-in allowance, \$100, net delivered price, \$1,772.61.

Inasmuch as the list price was over \$2,000, the Auditing Department has notified this office that it will be necessary to execute a contract with Cote Motor Company, Inc., for Item 6.

Authority is therefore requested to amend the original letter dated June 30, 1961, to read an award of a contract to Cote Motor Company, Inc., in the amount as stated above.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT.

Purchasing Division.

Typewriters

DEAR MR. MAYOR:

This office is in receipt of two requisitions from the Library for fourteen Royal typewriters and ten Smith Corona compact electric typewriters and parts for same. Royal McBee Corporation and Smith-Corona Marchant, Inc., manufacturers of the above typewriters and parts, have submitted prices.

Inasmuch as the above-mentioned companies are the manufacturers of the above machines, it is my opinion that no advantage would be gained by publicly advertising for prices. Authority is therefore requested to dispense with publicly advertising for prices and award contracts, without public advertisement, to the

above-mentioned companies. It is my opinion that the best interests of the city will be served by awarding the contracts as requested.

Approximate total amounts of contracts will be:

Royal McBee Corporation, \$2,865.50; less trade-in allowance, \$80—\$2,785.50; Smith-Corona Marchant, Inc., \$2,045, less trade-in allowance, \$70—\$1,975, net.

Respectfully yours,

MICHAEL A. DESIMONE,
Purchasing Agent.

MAYOR'S OFFICE.

Christmas Festival Work

DEAR MR. MAYOR:

On October 28, 1961, the City of Boston by advertisement published in the *City Record* invited proposals for erecting, installing hanging and connecting electric wiring, lamps, ornaments and fixtures throughout the Boston Common in preparation for the 1961 Christmas Festival and including maintenance thereof during the Christmas Festival period, and removing same upon completion of the Christmas Festival.

On November 9, 1961, at Room 21, Quincy Hall Market Building, the following, and only bid received was publicly opened and read, Lentine Electric Service, 50 South street, Jamaica Plain, \$7,473.75.

Through an inadvertence the aforementioned bidder neglected to file a copy of his bid with the City Auditor as required under the terms of the public invitation and which is mandatory under the provision of the applicable statute.

In order that the Christmas Festival electrical installation may be completed prior to its opening date, December 1, 1961, it is most necessary that the work be started at the earliest possible moment. In view of this circumstance it is my urgent request that permission be given to me by your Honor, having first rejected all bids, to dispense with public advertising and to award the subject contract for those services to Lentine Electric Service, Jamaica Plain, Mass., in the sum of not to exceed \$7,473.75.

In my opinion an award of the contract for the 1961 Christmas Festival electrical installation and associated work to this firm will be in the best interest of the City of Boston. It is to be noted that Lentine Electric Service has performed electric work for other city departments and its services have been entirely satisfactory.

Respectfully yours,

PAUL H. HINES,
Christmas Festival Director.

PUBLIC WORKS DEPARTMENT.

Engineering Services

DEAR MR. MAYOR:

On May 29, 1961, the City of Boston entered into a contract in the sum of \$4,800 with the consulting engineering firm of Metcalf & Eddy to provide the services of an experienced and competent engineer at the South Bay incinerator to act in an advisory capacity in regard to operating and maintenance procedures for the period June 1, 1961, to May 31, 1962.

Under the aforesaid contract, an engineer makes two inspection visits a month and is required to spend at least one full day each month at the plant; and, in addition, submits a monthly report of his observation and recommendations with respect to the operation and functioning of the plant.

Under this current contract, we have been able to make some improvements at the South Bay incinerator; but we are, nevertheless, far short of achieving acceptable operating efficiency. It is my opinion that the many problems yet to be solved at the incinerator require the attention of a full-time mechanical engineer experienced in large plant maintenance and operation.

Accordingly, I requested Metcalf & Eddy to secure such a man on a full-time basis for the balance of their contract period. After a careful search, they have offered the services of an engineer who appears to be eminently qualified for the task.

I, therefore, respectfully request your approval to dispense with public advertising and to amend the existing contract with Metcalf & Eddy, Engineers, 1300 Statler Building, Boston, Mass., so as to provide for additional engineer-

ing services for the balance of the contract term commencing December 1, 1961, and which, as aforesaid, terminates May 31, 1962, for an amount not to exceed \$5,750. In amending the contract, however, an \$1,800 allowance to cover certain ancillary engineering services which might be required will be deducted from the present contract sum, thereby making a net increase of \$3,950 for a net total contract cost not to exceed \$3,750.

Respectfully submitted,
JAMES W. HALEY,
Commissioner of Public Works.

SNOW REMOVAL

District 9, East Boston

DEAR MR. MAYOR:

On September 20, 1961, after public advertising in the *City Record* September 9, 1961,

no bids were received for "Removing Snow and Furnishing Labor and Equipment for the Purpose of Supplementing the Department Forces and Equipment in Connection with the Work of Keeping Highways and Streets Open Following Snowstorms," during the 1961-1962 period in District 9, East Boston. On October 11, 1961, after public advertising in the *City Record*, September 30, 1961, one bid was received by Land, Inc., and Milano Brothers, Inc., in the amount of \$40,300.

After careful appraisal of this contract, I deemed some of the items too high, but to readvertise this work would seriously delay the snow removal work in this district. Consequently, I negotiated a contract with Milano Brothers, Inc., 52 Jeffries street, East Boston, in the amount of \$38,187.50. Accordingly, your approval is requested to dispense with

further advertising and to award a contract to Milano Brothers, Inc., 52 Jeffries street, East Boston, in the amount of \$38,187.50.

The contractor recommended has sufficient experience, organization, and equipment to do the required work, and I believe that it is in the best interests of the city that the contract be awarded in this district as recommended.

Respectfully yours,
JAMES W. HALEY,
Commissioner of Public Works.

District 10A, Roxbury

DEAR MR. MAYOR:

On September 20, 1961, and again on October 11, 1961, after public advertising in the *City Record* on September 9, 1961, and on September 30, 1961, no bids were received for "Removing Snow and Furnishing Labor and Equipment for the Purpose of Supplementing

the Department Forces and Equipment in Connection with the Work of Keeping Highways and Streets Open Following Snowstorms," during the 1961-1962 period in District 10A, Roxbury.

In Roxbury in District 10A, I have negotiated therefore with Dooley Brothers, Inc., 39 George street, Roxbury, the District 10A refuse contractor, who have accepted a proposal at the same unit prices for equipment rental and supervision as bid by them in District 1B South, Boston Proper, where they were second low and successful bidder. Accordingly, your permission is requested to dispense with further public advertising and to award this contract to Dooley Brothers, Inc., in the amount of \$35,745.

The contractor recommended has sufficient experience, organization, and equipment to do the required work; and I believe that it is in the best interests of the city that the contract be awarded in this district as recommended.

Respectfully yours,
JAMES W. HALEY,
Commissioner of Public Works.

District 10B, Roxbury

DEAR MR. MAYOR:

On September 20, 1961, and again on October 11, 1961, after public advertising in the *City Record* on September 9, 1961, and on September 30, 1961, no bids were received for "Removing Snow and Furnishing Labor and Equipment for the Purpose of Supplementing the Department Forces and Equipment in Connection with the Work of Keeping Highways and Streets Open Following Snowstorms," during the 1961-1962 period in District 10B, Roxbury.

In Roxbury in District 10B, I have negotiated therefore with Pacella Brothers Corporation, 145 Washington street, Dedham, Mass., to perform this work, at fair unit prices, in the amount of \$43,320. Accordingly, your permission is requested to dispense with further public advertising and to award this contract to Pacella Brothers Corporation in the amount of \$43,320.

The contractor recommended has sufficient experience, organization, and equipment to do the required work; and I believe that it is in the best interests of the city that the contract be awarded in this district as recommended.

Respectfully yours,
JAMES W. HALEY,
Commissioner of Public Works.

District 7, Dorchester South

DEAR MR. MAYOR:

On October 11, 1961, after public advertising in the *City Record* September 30, 1961, no bids were received for "Removing Snow and Furnishing Labor and Equipment for the Purpose of Supplementing the Department Forces and Equipment in Connection with the Work of Keeping Highways and Streets Open Following Snowstorms," during the 1961-1962 period in District 7, Dorchester South.

To secure the necessary assistance for snow removal in District 7, Dorchester South, I have negotiated, therefore, with the James A. Susi Company, 118 Providence street, Hyde Park, who have accepted a proposal at the same unit prices bid by them in District 8, Hyde Park, where they were second low bidder. Accordingly, your approval is requested to dispense with advertising and to award a contract to J. A. Susi & Sons, Inc., in the amount of \$51,225.

The contractor recommended has sufficient experience, organization, and equipment to do the required work; and I believe that it is in the best interests of the city that the contract be awarded in this district as recommended.

Respectfully yours,
JAMES W. HALEY,
Commissioner of Public Works.

District 3, Dorchester North

DEAR MR. MAYOR:

On October 11, 1961, after public advertising in the *City Record* September 30, 1961, no bids were received for "Removing Snow and Furnishing Labor and Equipment for the Purpose of Supplementing the Department Forces and Equipment in Connection with the Work of

Keeping Highways and Streets Open Following Snowstorms," during the 1961-1962 period in District 3, Dorchester North.

To secure the necessary assistance for snow removal in District 3, Dorchester North, I have negotiated, therefore, with A. Lucchetti & Son, 167 Dana avenue, Hyde Park, and B. & R. Construction Company, Inc., 99 Kimball road, Dedham, Mass., as joint venturers who have accepted a proposal at the same unit prices as recommended for District 7, Dorchester South. Accordingly, your approval is requested to dispense with advertising and to award a contract, as a joint venture, to A. Lucchetti & Son and B. & R. Construction Company, Inc., in the amount of \$50,255.

The contractors recommended have sufficient experience, organization, and equipment to do the required work; and I believe that it is in the best interests of the city that the contract be awarded in this district as recommended.

Respectfully yours,
JAMES W. HALEY,
Commissioner of Public Works.

EXTENSION OF EMPLOYMENT

The Mayor has approved the following:

DEAR SIR:

Your approval is respectfully requested for the re-employment of John F. Thornton, for one year, from November 15, 1961, under the provisions of chapter 639 of the Acts of 1950, as amended by chapter 491, Acts of 1953.

Notification has been received from the Boston Retirement Board that Mr. Thornton was retired on November 14, 1961.

He has been attached to Mount Hope Cemetery as a cemetery chapel custodian at \$71.25 a week and is a key employee in this division. He is a man of unusual accomplishments and would be an asset to this department.

Accordingly, I respectfully request that he be re-employed for a period of one year, from November 15, 1961, under the provisions of chapter 639 of the Acts of 1950, as amended by chapter 491, Acts of 1953.

Under the provisions quoted above, this extension can be granted, subject to your approval.

Respectfully yours,
MARTIN F. WALSH,
Commissioner.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for furnishing, delivering, and setting up printing equipment at the Boston Trade School, 550 Parker street, Boston, Mass. Proposals will be received until twelve o'clock noon, Wednesday, December 13, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read.

The proposal submitted to the Superintendent of Construction shall not be separated from the book of specifications. The additional copy of the proposal shall be removed from the book of specifications and after filling out shall be sealed in an envelope and delivered to the Auditor of the City of Boston, at City Hall, School street, Boston, Mass., before the time for the opening of the proposals.

A bid deposit in the form of a certified check, issued by a responsible bank or trust company, payable to the City of Boston, in the sum of five per cent (5%) of the full amount of the bid, except that the minimum amount of check shall be \$50, shall be submitted with the copy of proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

A bond of an approved surety company must be furnished by the successful bidder in the full amount of the contract price.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and forms of proposals may be obtained at the office of the Superintendent of Construction, Department of School Buildings, 26 Norman street, Boston, Mass.

No bidder may withdraw his bid within thirty days after the actual opening thereof (exclusive of Saturdays, Sundays, and legal holidays).

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids or any item or items of a bid.

MAYOR FILES 38 LEGISLATIVE PROPOSALS TO AID BOSTON

Thirty-eight legislative proposals were submitted to the 1962 session of the General Court this week by various members of the House and Senate on behalf of Mayor John F. Collins.

Foremost among the measures is a second attempt on the part of the city to have the state fill in the stagnant waters of upper Fort Point Channel, install a conduit system, thus eliminating a public health menace and source of constant complaint from South End residents. The cost of the project is estimated at \$5 million and under the proposal the improved land would be turned over to the City of Boston for urban development purposes.

Other proposed legislation would have the state take over the annual \$7.5 million fixed charges of the MTA instead of assessing that amount as a deficit against the MTA cities and towns.

Another of the Mayor's bills would make the Traffic Commissioner the authority for site approval and operation of open-air parking spaces.

For second year in a row the city is attempting to obtain passage of legislation which would place fiscal control of the Boston Police Department under the Mayor.

To help the city financially another measure would exempt political subdivisions of the Commonwealth and other state agencies from paying the state tax on gasoline. The Mayor estimated Boston would save \$50,000 a year in its own operations, and the MTA saving would bring about a saving of several hundred thousand dollars on the MTA deficit.

Boston would be saved an estimated \$500,000 annually under another bill by having the state assume 50 per cent of the cost of administering veterans benefits. At present the state pays only 25 per cent.

The city also seeks reimbursement to the MTA by the state for expense incurred for transporting pupils at five cents a ride. This would give the MTA cities and towns a reimbursement under the law which provides reimbursement to municipalities in other parts of the state for the cost of transporting pupils to and from school.

Mayor Collins seeks partial reimbursement, at least, from the Commonwealth to cities and towns for the cost of General Relief.

Clarifying legislation was filed to facilitate transfer of the Boston Sanatorium in Mattapan to the Commonwealth.

Boston would be saved another \$125,000 yearly under another bill of the Mayor to have the interest payment on MDC bonds for capital improvements of parks and reservations assessed on the MDC cities and towns according to population rather than assessed valuation. This would bring one other heavy MDC annual charge against Boston in line with the assessment of MDC maintenance charges which now takes population into account.

Another MDC bill filed for the Mayor would set up an Advisory Board in the Metropolitan Parks District composed of the heads of the local municipal governments with power to approve or disapprove new MDC projects or land acquisitions.

Allocation of expenses for making extraordinary repairs to the Suffolk County Court House, with the Commonwealth contributing a percentage of the costs, is sought in another bill.

For the Boston Health Department a bill was filed requiring tattoo artists to be qualified physicians. Recently tattoo artists were banned by law in New York. The bill aims to curb an "art" which is a possible source of infectious diseases, according to Dr. Robert Freckleton, M.D., Boston Health Commissioner.

The city seeks further to increase its revenue by acquiring legal authority to increase its rental charges for armories, and receive state distribution of income from county services such as excise on deeds, instruments, and writings.

Other bills to facilitate municipal administration were filed for various department heads.

EDITOR'S NOTE.—A complete list of the Boston bills for 1962, together with docket numbers, will appear in a near-future edition of the "City Record."

MAYOR ASKS FOR REPORTS FROM CITY DEPARTMENTS

Mayor John F. Collins, on November 30, requested all department heads to prepare a brief summary-report of the activities and accomplishments of the various city agencies during the year 1961 up to December 15.

All reports, the Mayor stipulated, especially where statistical data is involved, should furnish a comparison not only between 1961 and 1960, but also between 1961 and 1959.

APPEALS FOR VISITS TO CITY HOSPITAL PATIENTS DURING CHRISTMAS SEASON

President William H. Ellis, Jr., of the Boston City Hospital Board of Trustees, on December 5, made an appeal urging persons able to do so during the holiday period to pay a visit to lonely patients at the hospital.

"We have many patients bereft of family and friends through no fault of their own," said Mr. Ellis, "who sometimes spend long periods of hospitalization without a visitor from the outside. They see a steady stream of visitors to other bedsides. Their loneliness can be heart breaking.

"In the days just ahead a visit to these patients would not only have a tremendous therapeutic value but the visitor himself would know one of the greatest lifts the holiday season can bring."

Visiting hours at City Hospital are 2 to 3 P.M. and 6 to 7 P.M. for the regular wards; 2 to 7 P.M. for the children's wards. Arrangements may be made with Miss Kathleen H. O'Donnell, R.N., director of volunteers, at the administration building of the hospital.

POLICE DEPARTMENT ORDERS

November 27.

General Order No. 994.

The Boston Retirement Board having approved the same, the following-named police officers are retired from active duty under the provisions of the State-Boston Retirement System, effective at the close of business Thursday, November 30, 1961:

Patrolman Arthur J. Hennessey, Division 6.

Patrolman Thomas F. Mills, Division 16.

November 27.

General Order No. 995.

The Police Commissioner having heard the complaint made by Lieut. Timothy F. Collins, commanding Division 7, against Patrolman Richard P. Slaney, Division 7, on Friday, November 24, 1961, at Police Headquarters, charging him with violation of the rules and regulations of the Police Department, has made a finding of guilty.

Therefore, it is ordered that the said Patrolman Richard P. Slaney be dismissed from the Police Department, effective Friday, November 24, 1961, at 5.45 o'clock P.M.

November 27.

November 28.

General Order No. 997.

Sergt. Paul B. Curtis, Division 1, is hereby commended for meritorious police duty and is granted three days' additional vacation.

At about 1.20 A.M., on Friday, November 17, 1961, Sergt. Hugh B. Mooney, duty supervisor at the station, received a telephone call from the Central Complaint Room that a man had been received at the Massachusetts General Hospital suffering from gunshot wounds. The 1-A car with Patrolmen Daniel J. Sweeney and Joseph J. O'Rourke was immediately dispatched to the Italian Plate Restaurant, 55 Salem street, Boston, to pick up Sergeant Curtis, the patrol supervisor, who was on a detail at that location.

On arrival, the above officers found Sergeant Curtis holding under arrest one Domenic Ciambelli, 48 years, single, of 102 Salem street, Boston, who is known by the alias, "Red Hogan," an ex-convict with a long criminal record, on suspicion of unlawfully carrying a firearm in violation of chapter 269, section 10, of the General Laws. This subject was taken to Division 1 for booking.

After leaving Ciambelli (Hogan) at the station, Sergeant Curtis accompanied by Special Officers Robert P. Maloney and Joseph R. Murphy proceeded to the Massachusetts General Hospital where they observed one Anthony Indelicato, alias George Carney, age 52 years, married, of 66 Decatur street, Charlestown, being treated by Dr. Jens Rosenkrantz for gunshot wounds, one in the left upper chest and another in the lower abdomen near the groin area. At 1.45 A.M., the victim's name was placed on the danger list. Helen Indelicato, wife of the injured man, was notified by Division 15.

It was learned by Sergeant Curtis that earlier that same morning, about 12.45 A.M., Ciambelli (Hogan) was in the Crawford House Cafe, 17-19 Scollay square, Boston, where the injured man, Indelicato, is employed as floor manager. They had engaged in a heated argument which resulted in a fist fight during which five shots were fired by Ciambelli (Hogan) from a .38 caliber revolver wounding Indelicato. Ciambelli, after the shooting, fled out the front door and disappeared. Indelicato was assisted by one Frank Healey of 6 Melrose street, Boston, a

bartender at the Crawford House Cafe, by taxicab to the Massachusetts General Hospital.

Ciambelli, after his flight from the Crawford House Cafe, went to the Italian Plate Restaurant, 55 Salem street, Boston, where Sergeant Curtis immediately placed him under arrest on information he had obtained that this subject was unlawfully carrying a gun. Upon learning the facts in the shooting at the Crawford House Cafe, Ciambelli was then booked on a charge of suspicion of assault with intent to murder.

Sergeant Curtis with Patrolmen Sweeney and O'Rourke made an extensive search of the parking lot adjacent to the Crawford House and at 3.40 A.M., that same morning, recovered a .38 caliber H & R revolver with five (5) discharged shells in the chamber. The weapon was turned over to the Ballistics Unit for tests and fingerprints.

On Saturday, November 18, 1961, Sergeant-Detective Sullivan and Sergeant Curtis with the prisoner, Domenic Ciambelli alias "Red Hogan" appeared before Judge Harold Canavan in Boston Municipal Court and complaints were issued as follows:

1. Assault with intent to murder.
2. Assault and battery by means of a dangerous weapon, to wit, a revolver.
3. Unlawfully carrying a firearm in violation of chapter 269, section 10, of the General Laws.

Ciambelli was bound over in \$5,000 bail for the grand jury and on Monday, November 20, 1961, he was indicted by the grand jury on the above complaints.

The Police Commissioner is pleased to recognize the alertness and devotion to duty displayed by Sergt. Paul B. Curtis in this case who, due to his keen memory, took into custody, on sight, a dangerous criminal on one charge, which resulted in two additional charges being placed against him involving intent to murder, for which he was indicted by the grand jury. Exceptional police work of this type should be acknowledged.

November 29.

General Order No. 998.

A trial board, consisting of Capts. William J. Taylor, Paul J. Sullivan, and Michael F. O'Brien, having heard by reference a complaint made by Capt. Francis X. Quinn, commanding Traffic Division, against Patrolman Gerald E. Mokler, Traffic Division, charging him with violation of the rules and regulations of the Police Department, has reported a finding of guilty, recommending punishment duty of twenty hours.

This recommendation is accepted, and it is ordered that the said Patrolman Gerald E. Mokler perform twenty hours' punishment duty.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT.

Purchasing Division.

Hospital Instrument

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Boston City Hospital for one (1) technician autoanalyzer as per specifications. An informal written quotation was solicited and received from Technicon Instruments Corporation who is the manufacturer of this equipment.

Inasmuch as the aforementioned company is not only the manufacturer but also the only source of supply, it is my opinion that no advantage would be gained by publicly advertising for prices. Authority is therefore requested to dispense with public advertisement and award a contract, without public advertisement, to Technicon Instruments Corporation. By awarding the contract in this way, I feel the best interests of the city will be served.

Approximate total amount of contract will be \$7,217, net, 30 days.

Respectfully yours,

MICHAEL A. DESIMONE,
Purchasing Agent.

VETERANS' RETIREMENTS

The Boston Retirement Board has approved the following veterans' applications for retirement:

Thomas J. Curry, 23 Paige avenue, Kingston Shores, assistant drafter, Highway Division, Public Works Department.

Stephen M. Ryan, 19 Greylock road, Allston, senior building custodian, Donald McKay Junior High School.

VETERAN'S WIDOW ALLOWANCE

The Boston Retirement Board has approved a veteran's widow allowance for Harriet Shulman, 45 Selkirk road, Brighton, whose late husband, Harold I. Shulman, died on October 25, 1961.

BACK BAY 4,000 YEARS AGO

Life as it was in the Back Bay 4,000 years ago, reconstructed from the oldest evidence of civilization in New England, is depicted in one of three dioramas unveiled recently in the lobby of the New England Mutual Life Insurance Company building.

FLY-BY-NIGHT SHELTER BUILDERS

With the demand for shelters rising the problem of proper construction becomes more and more complicated.

In some areas unscrupulous fly-by-night builders are reaping a harvest and even the best efforts of local building departments are not always effective.

HARVARD STREET WIDENING Dorchester

The Mayor and Public Improvement Commission have approved the widening and construction of Harvard street, Dorchester district, at the southeast corner of Fabyan street.

The project is described as follows:

The highway named Harvard street is hereby widened at the southeast corner of Fabyan street, and ordered constructed.

For the making of the aforesaid improvement an easement for highway purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land supposed to belong to James D. Dunne, bounded:

Southwesterly by Harvard street as it existed prior to this order, thirty and 42-100 feet; northwesterly by the southeasterly line of Harvard street as it existed prior to this order by two measurements, twenty-seven and 25-100 feet and thirty-four and 00-100 feet; northeasterly by land hereafter described as being taken from Helen J. Mayer, one and 92-100 feet; southeasterly by the southeasterly line of Harvard street as widened under this order by two measurements, forty-two and 69-100 feet on a curve of one hundred seventy-three and 72-100 feet and thirty-two and 81-100 feet on a curve of twenty-five and 00-100 feet, containing four hundred forty square feet, more or less.

A parcel of land, supposed to belong to Helen J. Mayer, bounded:

Southwesterly by land hereinbefore described as being taken from James D. Dunne, one and 92-100 feet; northwesterly by the southeasterly line of Harvard street as it existed prior to this order, thirty-six and 95-100 feet, and southeasterly by the southeasterly line of Harvard street as widened under this order, thirty-six and 91-100 feet on a curve of one hundred seventy-three and 72-100 feet radius, containing thirty-five square feet, more or less.

Said Harvard street as hereby widened is bounded:

Southwesterly by the northeasterly line of Harvard street as it existed prior to this order, thirty and 42-100 feet; northwesterly by the southeasterly line of Harvard street as it existed prior to this order by three measurements, twenty-seven and 25-100 feet, thirty-four and 00-100 feet, and thirty-six and 95-100 feet; southeasterly by the southeasterly line of Harvard street as hereby widened by two measurements, seventy-nine and 60-100 feet on a curve of one hundred seventy-three and 72-100 feet and thirty-two and 81-100 feet on a curve of twenty-five and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Harvard street, Dorchester district, at the southeast corner of Fabyan street, under an order of the commission of November 16, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

James D. Dunne, 440 square feet, \$1.
Helen J. Mayer, 35 square feet, \$1.

STANBRO STREET EXTENSION Hyde Park

The Mayor and Public Improvement Commission have approved the laying out and construction of an extension of Stanbro street, Hyde Park district, as a public highway, from Meadowview road approximately 254 feet southeasterly.

The project is described as follows:

A highway named Stanbro street is hereby laid out and extended from Meadowview road approximately 254 feet southeasterly, and ordered constructed.

Said highway and the land, exclusive of trees, shrubs, or structures standing upon or affixed thereto, in which an easement for highway purposes is hereby taken, is bounded and described as follows:

Northwesterly by another portion of Stanbro street, forty and 00-100 feet; northeasterly by the northeasterly line of Stanbro street as hereby laid out and extended, two hundred sixty-five and 73-100 feet; southeasterly by the southeasterly line of Stanbro street as hereby laid out and extended, forty-one and 78-100 feet, and southwesterly by the southwesterly line of Stanbro street as hereby laid out, two hundred fifty-three and 67-100 feet radius.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of Stanbro street will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against it; said parcels and the supposed owners thereof being shown on a plan hereinbefore referred to and on file in the office of this commission.

KIERNAN ROAD, PUBLIC WAY Hyde Park

The Mayor and Public Improvement Commission have approved the laying out and construction of Kiernan road, West Roxbury district, as a public highway, from Veterans of Foreign Wars Parkway approximately 540 feet northwesterly.

The project is described as follows:

A highway named Kiernan road is hereby laid out from Veterans of Foreign Wars Parkway approximately 540 feet northwesterly, and ordered constructed.

Said highway and the land, exclusive of trees, shrubs, or structures standing upon or affixed thereto, in which an easement for highway purposes is hereby taken, is bounded and described as follows:

Said Kiernan road as hereby laid out from Veterans of Foreign Wars Parkway to Brook Farm road is bounded:

Southeasterly by Veterans of Foreign Wars Parkway, forty and 08-100 feet; southwesterly by the southwesterly line of Kiernan road as hereby laid out, one hundred eighty-two and 16-100 feet; northwesterly by Brook Farm road, forty and 02-100 feet, and northeasterly by the northeasterly line of Kiernan road as hereby laid out, one hundred eighty-five and 14-100 feet.

Said Kiernan road as hereby laid out from Brook Farm road approximately 270 feet northwesterly is bounded:

Southeasterly by Brook Farm road, forty-two and 01-100 feet; southwesterly by the southwesterly line of Kiernan road as hereby laid out, two hundred seventy-five and 46-100 feet; northwesterly by the northwesterly line of Kiernan road, forty and 00-100 feet, and northeasterly by the northeasterly line of Kiernan road as hereby laid out, two hundred sixty-two and 63-100 feet.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of Kiernan road will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; each of said parcels in the amount hereinafter respectively set against

it; said parcels and the supposed owners thereof being shown on a plan hereinbefore referred to and on file in the office of this commission.

HOSPITAL DEPARTMENT (LONG ISLAND HOSPITAL DIVISION).

INVITATION FOR GENERAL BIDS FOR REMOVAL OF BOILERS No. 1 AND No. 2 AND FURNISHING AND INSTALLING NEW 600-HORSEPOWER SCOTCH MARINE BOILER AT THE LONG ISLAND HOSPITAL, BOSTON HARBOR, BOSTON, MASS.

The City of Boston, acting by the Board of Trustees in charge of its Hospital Department, hereinafter referred to as the Awarding Authority, invites sealed general bids for removal of boilers No. 1 and No. 2 and furnishing and installing new 600-horsepower Scotch Marine boiler at the Long Island Hospital, Boston Harbor, Mass.

General bids will be received up until twelve o'clock noon, Friday, December 22, 1961, at the office of the Awarding Authority, 25 Church street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid furnished by the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$2,000. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the general bids.

No general bid may be withdrawn after the time limit for filing general bids for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Awarding Authority, 25 Church street, Boston, Mass., and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority, 25 Church street, Boston, Mass., upon receipt of a certified check payable to the City of Boston in the amount of \$15 per set of plans and specifications. The amount of the deposit, per set of plans and specifications, will be refunded upon return thereof in good condition to the Awarding Authority with the general bid, or upon return

thereof in good condition to 25 Church street, Boston, Mass., not later than 30 days after the opening of general bids (Saturdays, Sundays, and legal holidays excluded).

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth of Massachusetts and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities. The Awarding Authority also reserves the right to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for highway reconstruction in Alameda road, Avalon road, Burnside avenue, Burwell road, Chellman street, Crehore road, Guernsey street, Lasell street (part), Montclair avenue, Schirmer road (part), Wellsmere road, and Westover street, Public Works District 6, West Roxbury. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, less the amount of \$6,750, will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Highway Reconstruction in Alameda Road, Avalon Road, Burnside Avenue, Burwell Road, Chellman Street, Crehore Road, Guernsey Street, Lasell Street (Part), Montclair Avenue, Schirmer Road (Part), Wellsmere Road, and Westover Street, Public Works District 6, West Roxbury," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of THURSDAY, DECEMBER 21, 1961, with a certified check for SIX THOUSAND (6,000) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics,

teamsters, chauffeurs and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

SALE OF PIGS AT THE HOUSE OF CORRECTION, DEER ISLAND, BOSTON, MASS.

SOLICITATION OF BIDS TO PURCHASE PIGS AT DEER ISLAND, BOSTON, MASS.

Sealed bids for the sale of one hundred (100) surplus pigs, weight about one hundred (100) pounds each, will be received by the Penal Institutions Commissioner, Room 805, City Hall Annex, Boston, Mass., up to 10 A.M. (Eastern Standard Time), December 26, 1961, and shall immediately thereafter be publicly opened and read aloud.

Said pigs were raised at Deer Island and may be seen there any day, except Sundays and holidays, between 8 A.M. and 4 P.M.

The conditions of sale of pigs will be as follows:

1. Bids are to be made on a basis of price per pound for the entire lot.
2. Weighing of pigs to be by a representative of the Sealer of Weights and Measures Department, City of Boston.
3. The delivery of the pigs will be made at the piggery at Deer Island.
4. Any attendant charges in connection with the sale are to be assumed by the successful bidder.
5. Terms of Sale: F.O.B. Deer Island. The sum of two hundred and fifty dollars (\$250), cash or certified check, made payable to the City of Boston, is to be deposited by each bidder together with the bid. The \$250 shall be considered as part payment for the pigs by the successful bidder. The balance, cash or certified check, made payable to the City of Boston, is to be paid on delivery of pigs after being weighed.
6. The bid deposits of all other bidders will be returned immediately following payment of balance of purchase price by the successful bidder. If the successful bidder does not pay the balance of the purchase price and remove the pigs from Deer Island not later than January 2, 1962, the bid deposit shall become the property of the City of Boston as liquidated damages. The next highest bidder will then be designated as the successful bidder by the Penal Institutions Commissioner.
7. The successful bidder will provide the transportation for the pigs from Deer Island and shall remove the pigs from Deer Island not later than 4 P.M. (Eastern Standard Time), January 2, 1962.
8. The Commissioner reserves the right to accept or reject any and all bids.

ANNUAL POLICE AWARDS HONOR 13 MEMBERS OF THE FORCE

December 6.

General Order No. 999.

A Board of Merit, consisting of Superintendent Francis J. Hennessy and Deputy Superintendents John J. Danahy, Andrew Markhard, Francis M. Tiernan, and Dennis F. Dalton, has brought to the attention of the Police Commissioner the following outstanding cases in which police officers of this department have especially distinguished themselves in the performance of their duty during the year 1961.

The Commissioner therefore makes the following awards:

WALTER SCOTT MEDAL FOR
VALOR;

DEPARTMENT MEDAL OF HONOR;
THOMAS F. SULLIVAN AWARD
TO DETECTIVE THIRD GRADE

MICHAEL J. DeSISTO
DIVISION 3

Michael J. DeSisto

Detective Third Grade Michael J. DeSisto of Division 3 is hereby awarded the Walter Scott Medal for Valor, a Department Medal of Honor, and the Thomas F. Sullivan Award for meritorious duty performed on November 1, 1961.

On November 1, 1961, Detective DeSisto, while off duty in civilian clothes and after completing services for the Boston Police Relief Association, went to supper at a restaurant on Cambridge street, Boston. Shortly thereafter, a hold-up man entered the establishment, pointed a revolver at an employee and demanded all the money in

the cash register. The employee complied and after seizing the cash, the gunman fled out a door into Grove street.

At this point, Detective DeSisto was informed of the holdup and although unarmed, the officer without any hesitation raced out and intercepted the robber on Grove street. The officer wrestled the gunman to the street and in so doing received two bullets in the abdomen. Despite his serious wounds, he pinned the robber to the ground, disarmed him and held him until help arrived. Not until then did this courageous officer lapse into unconsciousness. He was removed to the Massachusetts General Hospital for emergency surgery in order to save his life.

DEPARTMENT MEDALS OF HONOR;
THOMAS F. SULLIVAN AWARDS

John J. Ridge

Sergeant-Detective John J. Ridge of the Bureau of Criminal Investigation, Narcotics and Vice Unit, is hereby awarded a Department Medal of Honor and the Thomas F. Sullivan Award for meritorious duty performed on May 15, 1961.

Sergeant-Detective Ridge while proceeding in a radio car on Huntington avenue, near Exeter street, responded to an ADT alarm for a holdup of a branch of the Workingmen's Co-operative Bank, 264 Massachusetts avenue. Upon arrival he was unable to obtain entrance but saw a man inside the door with a gun in his right-

hand pocket. When this man saw the officer, he ran to the rear of the bank.

When admitted, Sergeant-Detective Ridge was informed that the suspect had fled to the lower floor. This officer with gun in hand rushed downstairs, disarmed the robber and forced him to drop a vial which contained potassium cyanide with which he planned suicide.

The suspect was identified by four bank employees as the man who had threatened them with a gun and had stolen a large sum of money which was recovered. The criminal was subsequently prosecuted and sentenced to five to eight years in State Prison.

Charles V. Barry
Philip J. DiNatale
James F. Mellon

Sergeant Charles V. Barry, Detective Third Grade Philip J. DiNatale, and Patrolman James F. Mellon of Division 16 are hereby awarded a Department Medal of Honor and the Thomas F. Sullivan Award for meritorious duty performed on the night of September 13, 1961.

During surveillance of the Public Garden and environs for the purpose of detecting criminal activities in that area, the above officers observed a Ford convertible bearing a Tennessee registration plate parked at the curb in Charles street, near Beacon street. In the car were five young men who

appeared to be observing persons entering and leaving the Public Garden.

Parking the department vehicle nearby, the officers, who were in plain clothes, returned to the vicinity of the Tennessee car and with Sergeant Barry and Detective DiNatale keeping watch on the occupants, Patrolman Mellon entered the Public Garden through the gate at Charles and Beacon streets. When about 50 yards inside the Garden, he heard running footsteps from behind and turning saw the five men approaching. One had a length of chain wrapped around his wrist and brandished it in a threatening manner. Another had a large screw driver in his hand the handle of which was taped. Patrolman Mellon was knocked to the ground and heard one of the youths say, "Get his money." Regaining his footing, the officer identified himself and displayed his badge of office. At this point, he was joined by Sergeant Barry and Detective DiNatale who had followed the youths and assisted in their arrest.

The five perpetrators of this crime were prosecuted in the Boston Municipal Court and held in \$10,000 bail for the grand jury.

Edward J. Walsh
Thomas E. Connolly

Detectives First Grade Edward J. Walsh and Thomas E. Connolly of the Bureau of Criminal Investigation, Special Service Squad, are hereby awarded a Department Medal of Honor and the Thomas F. Sullivan Award for meritorious duty performed on April 6, 1961.

Following a robbery at the Industrial National Bank, Warwick, Rhode Island, on March 23, 1961, by three armed men who stole \$34,123, these officers placed three locations in this city under close observation as the result of information received.

On April 6, 1961, they arrested and questioned two men and from information obtained, these detectives proceeded to Charlestown,

Mass., where, after an extensive search, they found a brown valise containing \$3,706, two boxes of ammunition, an airlines insurance policy covering a flight from Miami to Boston on April 6, 1961, and two keys to a safe deposit box at the Charlestown branch of a Boston bank. It was established that many of the bills tallied with a list sent out by the Rhode Island State Police.

One of the suspects finally admitted ownership of the valise and stated the money was taken in the commission of the bank robbery and that he left for Florida the day of the robbery where he spent about \$4,500 on clothing and gambling.

On April 7, 1961, as the result of further information, another man was taken into custody and in the morning line-up, witnesses definitely established that these men were two of the men participating in the holdup. These two prisoners were turned over to agents of the Federal Bureau of Investigation and have been sentenced to twelve years in the Federal Penitentiary.

Walter J. Fahey

Patrolman Walter J. Fahey of the Traffic Division is hereby awarded the Department Medal of Honor and the Thomas F. Sullivan Award for meritorious duty performed on February 28, 1961.

Patrolman Fahey while on duty was informed that a young girl was perched on a parapet at the edge of the roof of a seven-story building at 515 Washington street, apparently about to jump into the street. The officer proceeded to the roof by a rear stairway and was able to approach the girl before he was observed. At this time, the girl was perilously close to the edge of the roof with her feet dangling over the side. Patrolman Fahey engaged her in conversation, discussing the futility of her action and edged slowly toward the girl. She repeated her threat to jump and raised herself as if to do so. The officer, at the risk of his own safety, made

a lunge for the girl, caught her about the waist and removed her from the parapet.

The girl was identified and committed to the Metropolitan State Hospital for treatment.

Salvatore J. Ingenere
Fred P. Speranzo
Charles A. McManus

Sergeant Salvatore J. Ingenere and Patrolmen Fred P. Speranzo and Charles A. McManus of Division 9 are hereby awarded a Department Medal of Honor and the Thomas F. Sullivan Award for meritorious duty performed on December 26, 1960.

These officers without regard to time spent beyond their normal tours of duty brought to justice a dangerous criminal guilty of robbing and repeatedly stabbing a young girl, necessitating emergency surgery and jeopardizing her life.

After diligent questioning and surveillance in the area of the crime, the officers located the culprit who was positively identified by the victim from her hospital bed.

The perpetrator of this brutal crime was tried in Suffolk Superior Court on March 15, 1961, found guilty and committed indefinitely to the Youth Service Board.

Edward T. Weiler
Phillip M. Coyne
John T. Dolan
Joseph R. Goldrick

Detective First Grade Edward T. Weiler and Patrolmen Phillip M. Coyne, John T. Dolan and Joseph R. Goldrick of Division 17 are hereby awarded a Department Medal of Honor and the Thomas F. Sullivan Award for meritorious service performed on December 13, 1960.

On that date, two men, one carrying a rifle hidden under a blanket, entered the White Liquor Store at 346 Spring street, West Roxbury, and ordered the manager to open the cash register. The men emptied the register and removed two bottles of liquor from the shelf.

Responding to a radio call, these officers pursued the "getaway car"

through streets that were almost impassable from the blizzard of the previous day. The fleeing car skidded and lodged in a snow-bank. The occupants attempted to escape on foot, but were apprehended at gunpoint by the officers. The suspects were immediately searched with the stolen money being found in their possession and the rifle and liquor being found in the car. One of the prisoners had a record of nineteen previous arrests and the other had robbed two liquor stores last June.

The men admitted their part in the armed robbery and were sentenced to three to five years in State Prison.

Law Department Rejects Total of 145 Claims

One hundred and forty-five claims against the city have been disapproved by the Law Department in recent months, according to a report this week from Corporation Counsel Arthur G. Coffey.

A total of 109 of the claims rejected were against the Public Works Department stemming mostly from alleged injuries or damages sustained by reason of defects on streets and sidewalks.

The other disapproved claims were distributed as follows: Assessing Department, 1; Building Department, 1; Fire Department, 10; Health Department, 1; Hospital Department, 2; Mayor's Office, 1; Park Department, 5; Penal Institutions Department, 1; Police Department, 10; Real Property Department, 2; Suffolk County Jail, 1, and Traffic Department, 1.

Reports Filed On Out-of-Town Meetings

Reports are on file in the Mayor's Office on the attendance of key city personnel at out-of-town meetings pertaining to their respective fields of activity, as follows:

White House Regional Conference called by President John F. Kennedy, November 16 and 17, New York City, attended by James A. Travers, Director, Youth Activities Bureau.

Eighty-ninth Annual Meeting of the American Public Health Association held in Detroit, November 12-17, attended by F. Robert Freckleton, M.D., Health Commissioner.

Conference of the Massachusetts Contributory Retirement Boards Association, held October 3 and 4, in Northampton, attended by Thomas J. McGrimley, Board Member, Boston Retirement Board.

The School Committee is in receipt of the following report:

Attendance at the forty-seventh Annual Meeting of the Association of School Business Officials of the United States and Canada, held in Toronto, Canada, October 7-12, attended by Leo J. Burke, Business Manager, and James A. Reardon, Schoolhouse Custodian.

PROVISION MADE FOR UNMARKED CITY VEHICLES GOING THROUGH TUNNEL

Director of Administrative Services Henry A. Scagnoli, on December 11, sent the following directive to all department heads:

¶ Mayor Collins has been advised by the Massachusetts Turnpike Authority that the opening of the Lieut. William F. Callahan, Jr., Tunnel requires some changes to be made in procedure governing the free transit of vehicles of the city, as provided in section 5 (c) of chapter 598 of the Acts of 1958. ¶ The right to toll free passage by statute extends only to vehicles of the city and hence, cars owned by private individuals, even when engaged in official city business, cannot be allowed free use of the tunnel.

¶ There are, however, in some city departments a number of unmarked vehicles. A list of the registration of these unmarked vehicles, along with a brief statement of their use, should be forwarded immediately to this office.

¶ Arrangements will then be made for use of the tunnel by these vehicles. Such listing is unnecessary for vehicles such as fire engines, police cruisers, and Public Works trucks which are readily identifiable to tunnel officials.

Your cooperation and assistance will be greatly appreciated by the Massachusetts Turnpike Authority.

Mayor and Council Make Up School Payroll Deficit

The City Council, on December 11, approved the Mayor's request to transfer funds from other city departments to make up a payroll deficit in the School Department.

The needed funds were taken from five city departments as follows:

Welfare Department.....	\$120,000
Hospital Department.....	75,000
Health Department.....	35,000
Veterans Services Department.....	60,000
Interest on Refunded Taxes.....	75,000

Total.....\$365,000

Of the total amount transferred, \$327,000 will be used to sustain the School Department payroll to the end of the year, and the remaining \$38,000 will go to veterans' pensions, according to the Business Manager of the School Committee.

Sewer Use Tax Approved By Council

The Boston City Council, on December 11, approved an ordinance submitted by Mayor Collins, on November 27, calling for a municipal sewer use tax. The vote was eight to one.

The initial sewer tax bill, to be sent out within a few weeks, will be based on water usage in 1961. Public Works Commissioner James W. Haley informed the Council that about 70,000 users of water will be charged the minimum of \$12 levied on those using 12,000 cubic feet of water or less during the year. An additional one dollar will be charged for every additional 1,000 cubic feet of water used. He estimated the total number of users subject to the tax at 93,000.

Commenting on the sewer tax, Mayor Collins, on December 12, stated the Public Works Commissioner had informed him that

any impression that the sewer charge for 1962 will mean double taxation is erroneous.

According to Commissioner Haley, the Mayor said, the cost of sewers will be excluded from the property tax in 1962 and paid for entirely and only from the sewer service charge. The basis for 1962 payment will be last year's experience of consumption.

EDITOR'S NOTE.—For text of the sewer tax ordinance see "City Record" issue of December 2, 1961, page 915.

POLICE DEPARTMENT ORDERS

December 6.

General Order No. 1,000.

The following reassignments are hereby ordered to take effect on Wednesday, December 6, 1961, at 7.45 o'clock A.M.:

Capt. Edward W. Mannix, Jr., from Central Complaint and Records Bureau to Division 16.

Capt. Patrick J. O'Donnell, from Division 16 to Central Complaint and Records Bureau.

December 11.

General Order No. 1001.

It is hereby ordered that the assignments of vacation periods for members of the Force for 1962, shall be arranged as follows:

1962 Additional Vacation Periods: Only for those members of the Force entitled to more than two weeks' vacation because of length of continuous service.

One week additional vacation to department members who have completed nine years and five months' service and less than nineteen years and five months' service as of June 1 in 1962.

Two weeks additional vacation to department members who have completed nineteen years and five months' service or more as of June 1 in 1962.

Not more than one sixteenth of the whole number attached to any division, entitled to this additional vacation period shall be absent on vacation at the same time.

1962 Additional Vacation Periods to Begin and End as Follows:

No.	To Begin at 7.45 A.M.	To End at 7.45 A.M.
1.	Sunday, Jan. 14 to	Sunday, Jan. 28

3	8	Sunday, Sept. 9 to	Sunday, Sept. 23
6	9	Sunday, Sept. 23 to	Sunday, Oct. 7

Members of the Force with less than one year's service shall be allowed a vacation of one day for each month of service to be taken at such time as may be arranged by the commanding officers.

For the purpose of determining vacation allowance of more than two weeks, strict adherence will be given to the original date of appointment of a member of the Force.

All 1962 vacations shall be completed by December 30, 1962, at 7.45 A.M., and no officers will be allowed to take more than two weeks' vacation during the summer vacation periods.

Five days before each vacation begins, commanding officers shall forward to the superintendent, a list, in triplicate, giving the names of all officers who will be on that vacation. Commanding officers of divisions and units shall maintain a file containing the names and vacation addresses of the officers who are going on each vacation period for ready reference.

Commanding officers of divisions and units shall not allow vacations to interfere with the proper operation of their organization, making shifts in the day and night duty and taking such other steps as may be necessary to provide adequate protection and proper functioning of the Force under their control.

Two copies of this General Order are sent to each division and unit so that one copy may be placed on the bulletin board for the direct notice of all officers.

IMPROVEMENTS VOTED

The Mayor and Public Improvement Commission have approved the following:

Marquee Permit

That permission be granted to White Fuel Corporation, 900 East First street, South Boston, to install and maintain a permanent marquee (8 feet long by 6 feet wide by 14 inches high; 7 inches for marquee and 7 inches for sign) at 900 East First street, South Boston district, as shown on a plan marked "Proposed Marquee at White Fuel Corporation, November 14, 1961, R. S. Slayter, Engineer," and on file in the office of the Commissioner of Public Works.

SUBWAY VIEWED AS DEFENSE AID

Role of civil defense aid for the proposed Los Angeles metropolitan rapid transit system was described to Southern California county officials recently.

The rapid transit system would provide means for efficient, quick evacuation throughout the area, it was pointed out. The subway portion of the proposed route, it was said, would be the largest fall-out shelter in the West.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

PUBLIC WORKS DEPARTMENT.

Water Division.

Cast Iron Fittings

DEAR MR. MAYOR:

Invitation to bid on proposals for furnishing cement-lined cast-iron fittings to the Water Division of the Public Works Department from November 15, 1961, to March 31, 1962, inclusive was advertised in the *City Record*. Subsequently, bids received were publicly opened and read in this office on October 31, 1961.

Both bids received were irregular in that they qualified their bids. Permission is therefore requested to reject both bids and award a contract, without further public advertisement, to United States Pipe and Foundry Company for approximately 30,000 pounds of cement-lined cast-iron fittings to be delivered to the Water Division of the Public Works Department. This company was the lower bidder on the publicly opened bid which is indicated on the accompanying tabulation. By awarding the contract as requested, it is my opinion that the best interests of the city will be served.

Approximate total amount of contract will be \$5,595, net, 30 days.

Respectfully yours,
MICHAEL A. DESIMONE,
Purchasing Agent.

The bids were as follows:

Requisition No. 939.

Approximately 30,000 Pounds Cast-Iron Fittings, Cement Lined, Delivered As Requested, In Accordance With Specifications, Per Pound.—United States Pipe and Foundry Company, 18.65 cents,* total \$5,595, discount, net, 30 days; R. D. Wood Company, 19 1/2 cents, total, \$5,775, discount, net, 30 days, half of 1 per cent, cash, 10 days.

* Contract awarded.

WESTMOOR ROAD SEWER

West Roxbury

The Mayor and Public Improvement Commission have approved a new sewer for Westmoor Road-Westmoor Circle, West Roxbury.

The project is described as follows:

A parcel of land, owners unknown, being the private way known as Westmoor Circle, bounded:

Easterly by Westmoor road, sixty-two and 31-100 feet; southerly by the southerly line of Westmoor Circle, forty-three and 89-100 feet on a curve of twenty and 00-100 feet radius; westerly by the westerly line of Westmoor Circle, one hundred ninety-one and 44-100 feet on a curve of forty and 00-100 feet radius, and northerly by the northerly line of Westmoor Circle, forty-four and 97-100 feet on a curve of twenty and 00-100 feet radius, containing six thousand one hundred twenty-nine square feet, more or less.

The sewerage works to be constructed are as follows: 100 linear feet of 10-inch pipe sewer and 118 linear feet of 10-inch pipe surface drain at an estimated cost of \$1,540.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on said Westmoor Circle will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; said parcels in the amounts hereinafter respectively set against them; said parcels and the supposed owners thereof being shown on the aforesaid plan and on file in the office of this department.

JO-ANNE TERRACE, PUBLIC WAY

Dorchester

The Mayor and Public Improvement Commission have approved the laying out and construction of Jo-Anne terrace Dorchester District, as a public highway, from Adams street approximately 300 feet westerly.

The project is described as follows:

A highway named Jo-Anne terrace is hereby laid out from Adams street approximately 300 feet westerly, and ordered constructed.

Said highway and the land, exclusive of trees, shrubs, or structures standing upon or affixed thereto, in which an easement for highway purposes is hereby taken, is bounded and described as follows:

Easterly by Adams street, by two measurements, thirty and 89-100 feet and twenty-four and 30-100 feet on a curve of two hundred seventeen and 00-100 feet radius; southerly by the southerly line of Jo-Anne terrace as hereby laid out, by five measurements, sixteen and 94-100 feet on a curve of ten and 00-100 feet radius, sixty-eight and 98-100 feet, one hundred eighty-three and 06-100 feet, fifteen and 71-100 feet on a curve of ten and 00-100 feet radius, and twenty and 00-100 feet; westerly by the westerly line of Jo-Anne terrace as hereby laid out, fifty-four and 88-100 feet, and northerly by the northerly line of Jo-Anne terrace as hereby laid out, by five measurements, twenty and 00-100 feet, fifteen and 71-100 feet on a curve of ten and 00-100 feet radius, one hundred seventy-six and 09-100 feet, seventy-three and 74-100 feet, and fifteen and 59-100 feet on a curve of ten and 00-100 feet radius.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of Jo-Anne terrace will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered, each of said parcels in the amount hereinafter respectively set against it, said parcels and the supposed owners thereof being shown on a plan hereinafter referred to and on file in the office of this commission.

PEDESTRIAN INVOLVED IN DALLAS PLANS

The pedestrian has an important place in the plans for downtown rejuvenation in Dallas, Texas. Pedestrians truly are the lifeblood of the central area, the master plan committee explained in its report on the two-year study of downtown problems. Despite complex and difficult motor vehicle and transit problems, emphasis should be placed on the problems of the pedestrian, the committee continued.

FIRE DEPARTMENT ORDERS

December 6.

General Order No. 49.

I. DISTRICT FIRE CHIEF CARL S. BOWERS.

It is with deep regret that the Fire Commissioner announces the death on November 30, 1961, of District Fire Chief Carl S. Bowers of the Headquarters Division. District Fire Chief Bowers was appointed to the department on April 5, 1907. He was promoted to the grade of Fire Lieutenant on May 1, 1922; to Fire Captain on May 31, 1929; and to District Fire Chief on September 17, 1947.

The funeral was held from the O'Connor Funeral Home, 740 Adams street, Dorchester, at 8.15 A.M., Monday, December 4, 1961, followed by a Solemn Requiem High Mass at St. Brendan's Church, Gallivan Boulevard at 9 A.M.

The Chief of Department made the customary detail to act as funeral escort, and members of the Headquarters and Fire Prevention Divisions were excused from duty in order to attend the services.

II. RETIREMENTS.

The following retirements in accordance with section 7 of chapter 32 of the General Laws, and section 94 of said chapter, which became effective at 8 A.M., Friday, December 1, 1961, are hereby announced:

Fire Fighter Robert D. Healy, 16 Newbern street, Jamaica Plain, of Ladder Company 10.

Fire Fighter John P. Hennessey, 147 Hancock street, Dorchester, of Engine Company 21.

Fire Fighter Healy was appointed to the department on January 22, 1947, and Fire Fighter Hennessey was appointed on September 1, 1943. Both these men leave the department with the best wishes of their associates.

III. CHANGE IN DESIGNATION OF FIRE ALARM BOX.

The designation for the following fire alarm box will be changed to read:

12-369, Ledgewood Home, 1000 Harvard street.

The designation of this box was formerly "Prendergast Preventorium, 1000 Harvard street."

Company commanders will make the above change on assignment cards for Box 12-369.

IV. A.D.T. ASSIGNMENT.

Company commanders shall add the following signal number to running cards of the American District Telegraph Company in this department:

Signal 3116, Modern Blue Print Company, 90 Berkeley street. (Sprinkler.) Apparatus to respond: Engine 7, Ladder 17, District 4. Nearest box is 1524.

V. BOSTON AUTOMATIC ASSIGNMENTS.

Company commanders shall add the following signal numbers to running cards of the Boston Automatic Fire

Alarm Company in this department:

VIII. HIGH COMMENDATION.

At 9.07 P.M., September 20, 1961, the Chief of District 9 and Ladder 10 responded to the Veterans' Administration Hospital at 150 South Huntington avenue, Jamaica Plain, upon report that a mentally disturbed patient had climbed the smokestack in the rear of the hospital. Upon arrival it was found that the man had climbed the chimney on the iron rounds to a height of approximately 150 feet. The stack extends upward to a height of 225 feet.

After members of the hospital staff and others had endeavored to talk the patient down without success, Fire Fighter James J. Loftus of Ladder Com-

pany 10 volunteered to climb the stack and endeavor to bring the patient safely to the ground.

Fire Fighter Loftus climbed the stack, encountering a stiff breeze, with a life belt fastened about his waist and with a second life belt over his shoulder for use in assisting the patient to the ground, if the opportunity presented itself.

Meanwhile, the patient had climbed to the top of the stack. When reaching a height of 200 feet, Fire Fighter Loftus was close enough to talk to the patient in an attempt to sway him from his intent to jump from the stack. During this conversation, Fire Fighter Loftus gained the man's confidence to the extent that the man decided that he did not want to jump.

About this time Fire Fighter Loftus showed the patient the life belt and explained its purpose. The man evidently thinking it was a strait jacket became alarmed and threatened Fire Fighter Loftus. In order to disprove this, Fire Fighter Loftus placed the belt on one of the iron rungs below the patient and told him to examine it while he descended the ladder approximately 50 feet. The patient spent considerable time examining the belt, and, after much persuasion on the part of Fire Fighter Loftus, he was convinced that the equipment was for his own safety.

During the operation there was a light drizzle which turned into rain making footing on the chimney for both men extremely hazardous. Fire Fighter Loftus having regained the man's confidence again approached him and placed the life belt around the patient, who, at this time, was practically paralyzed with fear and exhaustion having been perched on the chimney for approximately two hours. The patient then refused to descend the chimney claiming his feet were cold inasmuch as he had no shoes. Fire Fighter Loftus placed his own shoes on the feet of the man and protecting him at every step, Fire Fighter Loftus brought him down the chimney to a point approximately 125 feet from the ground.

Ladder Company 26, which had been notified to report to the scene, raised its 100 foot aerial, fully extended, to the smokestack. A member of that company ascended the aerial ladder to the tip, carrying a life line. Fire Fighter Loftus then locked the patient in position at the 125 foot chimney level, descended and took the life line from the man on the aerial ladder, passed it through a rung above the patient and secured the line to the man's life belt. With great difficulty, Fire Fighter Loftus then guided the patient to a point where the man on the aerial ladder could render aid. The transfer from the rungs of the stack to the aerial ladder was accomplished under very hazardous conditions due to the fact that the tip of the ladder could not be placed in line with the iron rungs of the stack.

At this point, the man again froze and could not come down the aerial ladder

unless accompanied by Fire Fighter Loftus. Although Fire Fighter Loftus was exhausted after reaching the ground, he ascended the aerial ladder and aided in removing the patient to the ground.

The total time involved in carrying out this rescue operation was approximately three hours, and it appears that without the heroic action of Fire Fighter Loftus the man would have plunged to his death.

Because of the extreme and prolonged risk to which Fire Fighter Loftus exposed himself without any regard for his own safety, the Fire Commissioner is pleased to commend him highly and his case is referred to the Board of Merit for further consideration.

IX. COMMENDATIONS.

Fire Fighter John C. Murphy of Ladder Company 14 is hereby commended for responding to and working at fire, Box 5138, on November 20, 1961, while off duty.

Fire Fighter John P. McLaughlin of Ladder Company 7 is hereby commended for responding to and working at fire, Box 2445, November 28, 1961, while off duty. Fire Fighter McLaughlin was at the scene of the fire before the arrival of Ladder Company 30 and had removed an elderly couple from the first floor of the fire building and had made a search for other occupants.

The Fire Commissioner is pleased to commend all members of the Fire Department's Underwater Recovery Team for responding to and working at fire, Box 735, 4 alarms, November 30, 1961. These men rendered valuable assistance, under very hazardous conditions, in bringing hose lines to locations under the pier which were inaccessible both to land companies and the fireboats. Members of the Underwater Recovery Team also performed service at the scene on December 1, 2, and 3. Part of this service was rendered during their off-duty periods.

CLAIMS APPROVED

The Mayor has approved the following votes of the City Council Committee on Claims, on recommendation of the Corporation Counsel:

INVITATION FOR PROPOSALS FOR LEASING OF PUBLIC PARKING FACILITY AT SULLIVAN SQUARE, ON MAIN STREET, CHARLESTOWN.

The Real Property Board of the City of Boston, hereinafter called the Board, invites from individual citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, proposals for leasing for a term of thirty-six (36) months beginning January 1, 1962, and ending December 31, 1964, unless earlier terminated at the will of the Real Property Board by a thirty-day notice to the Lessee, the public parking facility situated in Charlestown at Sullivan square, on Main street, and containing approximately thirty-six thousand, five hundred forty-one (36,541) square feet of land, upon the covenants, agreements and conditions contained in the form of lease which with the form of proposal, may be obtained daily (except Saturdays, Sundays, and holidays), between 9 A.M., and 5 P.M., at the office of the Board, Room 811, City Hall Annex, Court street, Boston. The covenants and agreements contained in the lease will require, among other conditions, that the Lessee will maintain and operate the parking facility at all times in a manner fully satisfactory to the Real Property Board of the City of Boston and to cause such improvements to be installed in said parking facility as in the opinion of the Real Property Board, will preserve and enhance the facility in the best interests of the city.

Proposals shall be submitted in duplicate on forms obtained as aforesaid. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed and marked "Proposal for Leasing of Public Parking Facility at Sullivan Square, on Main Street, Charlestown." One copy of the proposal, accompanied by a bid deposit of two thousand dollars (\$2,000), made under the terms stated in the form of proposal, in the form of CASH or a CERTIFIED CHECK payable to the City of Boston, shall be filed with the Board at its said office on or before twelve o'clock noon, Tuesday, December 26, 1961, at which time and place all proposals will be publicly opened and read. The other copy of the proposal shall be filed by the bidder before said day and hour at the office of the City Auditor, City Hall, School street, Boston.

No proposal shall be withdrawn after the day and hour hereinbefore set for the opening of proposals.

The Board reserves the right to reject any and all proposals.

PUBLIC WORKS DEPARTMENT.

Proposals for Furnishing and Installing One 5-Inch Centrifugal Pump (Submerged Type) at Symphony MTA Station.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for furnishing and installing one 5-inch centrifugal pump (submerged type) at Symphony MTA Station. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, less the amount of \$250, will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Furnishing and Installing One 5-Inch Centrifugal Pump (Submerged Type) at Symphony MTA Station," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M., of THURSDAY, DECEMBER 28, 1961, with a

certified check for ONE HUNDRED FIFTY (150) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. *There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out.* If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

Mayor Announces Pay Raises For 4,100 Employees

Mayor John F. Collins, on December 21, announced wage increases for approximately 4,100 city employees in the low wage brackets. The raises will take effect January 3, 1962.

¶ Those to whom the pay raises will be given are employed principally in the Public Works Department, Hospital Department, and the Park Department, as laborers.

¶ The lowest salaried workers in this category will be given a pay boost equivalent to two pay grades and will amount to \$5 a week. About 2,600 are in this category and are listed in pay grades 8 to 11. The cost of the raise to this group will amount to approximately \$680,000 a year.

¶ A single grade increase will be given to about 1,500 employees in the labor service group. It will amount to \$2.50 a week and will affect those in pay grades 12 through 15 at a cost estimated at \$195,000 a year.

Total Cost \$875,000

¶ The total cost of the pay raise to the city will be about \$875,000 annually. To meet any possible deficiencies in the budgets of the departments affected, City Council permission to exceed personnel expenses for the first quarter of 1962 must be sought by the various department heads.

¶ The Mayor said that an order is pending before the City Council calling for an appropriation of \$35,000 to engage the services of a management consultant firm to re-evaluate all positions in the city's classification plan. Until this report is received and the cost determined, no further pay raises will be granted.

¶ The Mayor said it is the city's present intention to institute a hospital and group insurance program for all employees in 1962. The cost of this program will be shared equally by the city and employees.

The Christmas Message of Mayor Collins

To all the citizens of Boston I wish a Holy and Happy Christmas and a Prosperous, Healthy New Year.

It is my sincere hope that the spirit of Christmas will remain with each of us throughout the entire year.

During the Festive Yule Season, it is my prayer that the bright star which guided the Wise Men 1,961 years ago may again show the way today to the leaders of the world in their quest for peace.

And may the bright light of that star penetrate the bricks and mortar of hastily erected walls and iron curtains and bring an honorable peace and justice and new hope to lands where the ears of a beleaguered people strain to hear even the faintest note of a joyous "Noel."

GAS MAIN PERMITS

The Mayor and Public Improvement Commission have approved the following:

That permission be granted to Worcester Gas Light Company, to lay and maintain an underground structure (35 feet of 4-inch welded steel semi-high pressure gas main) in Garfield avenue, Hyde Park district, from the existing end opposite Faraday street north-easterly, substantially as shown on a plan marked "Plan Showing Proposed Extension of 35 Feet of 4-Inch Welded Steel Semi-High Pressure Gas Main in Garfield Avenue, Hyde Park, from the Existing End Opposite Faraday Street, Northeastly, Worcester Gas Light Company, 1176 River Street, Hyde Park, Mass., December 1, 1961," and on file in the office of the Commissioner of Public Works.

That permission be granted to Boston Gas Company to abandon an underground structure (existing 3-inch gas main) in Amory street, Roxbury and West Roxbury districts, and to lay and maintain an underground structure (725 feet of 12-inch low pressure steel main) in Amory street, Boylston street, and Marbury terrace, Roxbury and West Roxbury districts, easterly from the existing 8-inch gas main in Amory street, substantially as shown on a plan marked "Proposed Location of 12-Inch Gas Mains in Marbury Terrace, Amory Street, Boylston Street, Roxbury and West Roxbury; Boston Gas Company, September 12, 1961," and on file in the office of the Commissioner of Public Works.

Mayor Steps Up Opportunities for Handicapped

The Mayor, on December 18, sent the following communication to the heads of city departments and agencies:

"Utilization of handicapped persons in productive employment is sound and necessary, both for the contribution handicapped citizens can make to our national, state, and local productivity and for the sense of independence and well-being which they can derive from doing a job.

"It is fitting that in all branches of city government, we should lead the way in selective placement of handicapped persons so as to utilize their skills and abilities, and I therefore affirm that it is the policy of my administration that those persons who are handicapped should be given equal opportunity in consideration for placement with the thought in mind that the handicap should not deter them in being given employment if it appears that they can perform the duties of the position. It is requested that each department of the city government observe these points in carrying out the administration's policy.

"1. Physical standards will be fair, reasonable, and adapted to the realistic requirements of jobs. Such standards will be based on complete, factual information regarding working conditions, hazards, and essential physical requirements of each job. Physical standards will not be used to eliminate arbitrarily the handicapped person from consideration.

"2. An opportunity will be provided for a fair appraisal of pertinent qualifications of handicapped applicants and employees.

"3. Physical abilities of handicapped persons being considered for appointment or reassignment will be appraised in relation to the essential physical requirements of jobs. Particular attention will be given to the degree to which handicapped applicants or employees have compensated for their impairments by the development of special skills or methods, by the sharpening of unimpaired senses, or by the use of prosthetic devices.

"It is requested that all levels of the administration take part in coordinating all phases of this program and, thereby increase employment opportunities to those who are handicapped.

FALLOUT SHELTER IN BANK CELLAR

Cleveland's Federal Reserve Bank has converted its basement into a vast fallout shelter, stocked with sufficient food, water, and other necessities to care for 900 persons for fifteen days.

In addition, the bank is purchasing food concentrates, distilled water, and canned heat cooking stoves which employees may order for stockpiling in their own homes. The bank has indicated that it expects its 800 employees to remain in the downtown shelter in event of attack to help keep the area's economy functioning.

COMPETITION FOR DESIGN OF NEW CITY HALL EVOKES WIDE INTEREST

Mayor John F. Collins announced, on December 20, that some 540 registrations have been received for participation in the architectural competition for the design of the New City Hall in Boston.

¶ Since the average registration lists the names of at least three collaborating architects, at the present time more than 1,500 architects throughout the United States are now at work on this venture.

¶ The Government Center Commission of the City of Boston launched the competition on October 16, 1961, when the program and conditions prepared by the professional adviser, Lawrence B. Anderson, came off the press and a formal announcement appeared in the professional architectural journals.

2,500 Requests

¶ More than 2,500 copies of the program were mailed, mostly in response to requests from potential competitors, who were required to return the registration form by December 11, 1961, if they intended to compete.

¶ The preliminary entries for the competition must be completed by January 17, 1962. These will be judged in Boston by a panel of distinguished architects and local citizens consisting of Pietro Belluschi, FAIA, Dean of the School of Architecture and Planning, MIT; Harold D. Hodgkinson, chairman of the Board of Wm. Filene's Sons; Walter A. Netsch, AIA, Chicago; Ralph Rapson, AIA, Minneapolis; William W. Wurster, FAIA, San Francisco.

To Select Eight Finalists

¶ This jury for the preliminary stage will select eight finalists who will be awarded \$5,000 for preparing a final entry in much greater detail for judgment early in May, 1962. At this time the winner will be

selected and in all probability will become the executing architect for the building, which is to be part of Boston's new Government Center.

¶ The jury for the final stage will consist of the five members above mentioned to whom will be added: O. Kelley Anderson, President, New England Mutual Life Insurance Company, and Sidney R. Rabb, Chairman of the Board, Stop and Shop.

Forty-two States

¶ The geographical distribution of registrants in the competition indicates the wide general interest that the competition has attracted among architects all over the nation. Each competing team must have at least one member registered as an architect in the United States. Although Massachusetts leads in the number of registrants, New York, California, and Illinois are close behind. In fact, no large city in the United States is without representation, with registrations from 42 different states. Several registrations have come from qualified architects who are temporarily living abroad, presumably either on business, on military assignment, or on scholarship study.

¶ A month from now entries will begin to arrive from all of these distant points. The City Hall competition will realize its objective, to search far and wide for the best architectural design talent for its most important civic building.

¶ Mayor Collins paid tribute to the members of the unpaid Boston Government Center Commission which is headed by Robert M. Morgan, President of the Boston Five Cents Savings Bank, for their imaginative spirit and dedication to their native city in launching the competition which is national in scope but reaching the architectural media throughout the world.

Mayor Challenges Boston's Critics

Mayor John F. Collins, on December 17, stated as follows:

¶ I am at a loss to understand the motive of Mr. Louis Perini if he was correctly quoted today. The City of Boston is not floundering. It has been given strong-handed, sure leadership for the last two years. We have stabilized our monetary status and are moving ahead.

¶ Boston's improvement has been widely noted. But some of its most severe critics are those that prospered here and spend elsewhere.

¶ If Boston, until recently, has "not gone anywhere" to quote Mr. Perini, may I ask what have you done, Mr. Perini, to help?

¶ Boston is entitled to one last chance to fulfill its destiny.

¶ Bedeviled by the Commonwealth, which has denied it fair treatment—abandoned by the aristocracy of wealth except when it seeks aid—the decent people of Boston and its metropolitan area will by sheer determination, carve out the city's future while its critics prepare statements, view drawings, and clip coupons.

¶ On behalf of the people of Boston, I cannot permit anyone on any level to criticize our city unjustly from this moment on. You are the first, Mr. Perini. I am compelled to say—Boston here she stands—who dares unjustly assault her next?

Mr. Perini Explains

Mr. Perini called on Mayor Collins at City Hall, on December 20. He and the Mayor literally threw away the boxing gloves (props) before grinding television cameras. He told the Mayor he had not intended to downgrade Boston in a speech before the Engineers Club on December 16 in which he was quoted as saying Boston is "floundering" and "must be saved before it sinks."

"Boston is not floundering," Mr. Perini said. "Boston is on its way only we must get rid of obstructionists." He said "the

Perini Company is prepared to spend millions in Boston. We have been waiting for things to develop and they are on the way," he declared.

Denying he ever had held that Boston is sliding downhill, the contractor urged everyone to "get behind the Mayor."

Top-Level Promotions in Assessing Dept.

Adolph H. Brauneis of Jamaica Plain took over the duties of commissioner of assessing last week succeeding Robert A. Grimes who resigned to return to private practice of the law.

¶Replacing Commissioner Brauneis as associate commissioner is Francis X. Cuddy of Dorchester.

¶The commissioner of assessing receives \$13,500 a year, the associate commissioner, \$12,000.

¶Commissioner Brauneis has been in the city service for a total of 37 years. From 1925 through 1959 he was an assistant part-time assessor in the downtown area. Since then he filled the jobs of deputy assessor and associate commissioner. Mr. Brauneis is 67 years of age. He is past president of Smith Insurance Service, Inc., a firm with an appraisal record exceeding \$250 billion.

¶Associate Commissioner Cuddy had been a part-time assessor for five years, and deputy assessor for one year. In addition to being an attorney at law, he was, for five years, principal appraiser for the State Housing Board and for six years a V.A. appraiser. He is 44 years of age.

STREET REPAIRS APPROVED FOR DORCHESTER

The Mayor and Public Improvement Commission have approved the following:

TREADWAY STREET

That this commission, having passed the order of notice relating to the public improvement hereinafter described, and having caused a copy of said order to be published September 23 and September 27, 1961, in the *Boston American* and the *Boston Herald*, two daily newspapers published in the City of Boston, and having given the public hearing, notice of which was given in said order, and being of the opinion that public necessity and convenience require, does hereby order that specific repairs be made in Treadway road, Dorchester

district, at the easterly and westerly corners of Savin Hill avenue, consisting of increasing the curb radii, as shown on a plan marked "City of Boston, Treadway Road, Dorchester, October 31, 1914, F. O. Whitney, Chief Engineer, Street Laying-Out Department," amended December 4, 1961, and on file in the office of said department.

SUFFOLK COUNTY.

COURT HOUSE.

Engineering Services

DEAR MAYOR COLLINS:

On behalf of the Court House Commission, I respectfully request the written approval of your Honor to dispense with public advertising and to enter into a contract with Gilbert Small & Co., Inc., engineers, 10 State street, Boston, to prepare plans, specifications for substantial alterations, repairs and renewals, which need to be carried out at the New Suffolk County Court House Building, Pemberton square, Boston.

This firm is particularly well equipped to prepare the plans and specifications for, as well as to supervise, the construction of this work. In fact, as recently as within the past two years this engineering firm conducted a thorough survey of the New Court House Building with a view to locate the areas of leakage which were and still are damaging the building and its furnishings.

The firm submitted a written report to the Court House Commission after its survey and the proposed alterations, repairs and renewals will be based primarily on the findings and recommendations as contained in that report.

Gilbert Small & Co., Inc., will be paid a fee equal to four (4) per cent of the actual construction cost. The estimated construction cost is \$950,000.

In view of the foregoing and because of the professional nature of the services involved, it is felt that public advertising would not be in the best interest of the County of Suffolk.

Respectfully yours,

COURT HOUSE COMMISSION,

By ARNO I. DREW,
Chairman.

EXTENSION OF CONTRACT

The Mayor has approved the extension of the time limit on completion of the following contracts:

DEPARTMENT OF SCHOOL BUILDINGS.

Contract with Mass. Supply Company for repairing and retubing boilers in various schools in Districts A and B from November 15, 1961, to December 29, 1961, because of additional work not called for in contract.

The above-mentioned firm has been directed to do additional work in ten separate schools at an added cost of \$1,092.61 in two separate contracts.

REGIONAL CONFERENCE

Municipalities of the greater Philadelphia area have formed a voluntary regional organization made up of elected officials from eleven counties in New Jersey and Pennsylvania. The aim is to develop solutions to common problems which are regional in nature.

POLICE DEPARTMENT ORDERS

December 15.

General Order No. 1,003.

Patrolmen Edmund H. Kasianowicz and Robert P. Faherty, Division 9, are hereby commended for the performance of meritorious police duty, and each is granted three days' additional vacation.

About 4.10 A.M., December 2, 1961, Patrolmen Kasianowicz and Faherty in uniform and assigned to radio car 9-R, while cruising in Copeland street, Roxbury, observed two men walking toward Warren street. On inquiring of these men what they were doing out at that hour, both stated they were on their way to 11 Copeland street. The officers, suspicious of these men, decided to observe their actions, circled around the block and at the corner of Copeland and Warren streets observed one of them standing next to a parked Mercury sedan, the property of a resident of Copeland street. As the officers approached this car, the other subject was seen ducking down inside the vehicle, while the man who had been standing beside it ran away on foot down Copeland in the direction of Moreland street. Inside the vehicle the officers apprehended one Ronald A. Strother, single, of 66 Blue Hill avenue, Roxbury, at which time they observed that the ignition had been tampered with.

Ronald A. Strother was taken to Station 9 by Patrolmen Kasianowicz and Faherty and when being questioned stated that his companion was Charlie Johnson, 21 years, 11 Copeland street, Roxbury; that a short time prior to his apprehension he and Johnson had broken into the Folger Liquor Store, 2662 Washington street, Roxbury, by kicking in a front window; that they stole a safe from this location and dragged it out the rear door and placed it next to a vacant dwelling in Ray street; and that he and Johnson were attempting to steal the Mercury sedan for the purpose of picking up the stolen safe.

Accompanied by Lieutenant Francis J. Gannon, Patrolmen Kasianowicz and Faherty took Ronald A. Strother to Folger's Liquor Store, 2662 Washington street, Roxbury, where they found the premises had been entered as stated by Strother. He then directed the officers to a vacant dwelling at Ray street, where they found the stolen safe. This was brought to Station 9 and the owner of Folger's notified.

The officers then proceeded to 11 Copeland street with Strother in an effort to locate Charlie Johnson. After making an intensive search at that location they found no such person residing there. While checking apartment 6 at that address, occupied by one Willie J. Burton, 21 years old, Strother was asked by the officers if he knew Burton. After some hesitation he admitted that Willie J. Burton was the person the officers were looking for and that Charlie Johnson was a fictitious name. In Burton's apartment the officers observed a typewriter,

a portable radio and a pen set with the name of Margaret C. Carroll inscribed on it and, having knowledge of a burglary at the Boston School of Business Education, 220 Warren street, Roxbury, where Miss Carroll is head master, questioned Burton as to where he had obtained the property. He stated that he received the typewriter from a firm in Washington, D.C., by whom he is employed, and that he was holding the other articles for a friend. He was placed under arrest on suspicion of breaking and entering in the nighttime at the Boston School of Business Education. At the same time Ronald A. Strother was arrested on suspicion of attempted larceny of a motor vehicle.

The officers further recovered in Burton's apartment a projector, portable radio, portable record player, a stapling machine, a hand punch and 42 table-spoons, all of which had been stolen in the break at the Boston School of Business Education.

Both prisoners were questioned at Station 9 and admitted to breaking and entering the Boston School of Business Education and stealing the above-mentioned property. They stated that one James W. Diggs, 19 years, single, 66 Blue Hill avenue, Roxbury, had broken into the school with them. On receipt of this information the officers went to that address and arrested one James W. Diggs on suspicion of breaking and entering in the nighttime. They then recovered in the apartment of Ronald A. Strother an Ambassador combination radio and phonograph which he had stolen from the above school, and two pairs of hair clippers stolen in a break at the Marvel Beauty Shop, 1900A Washington street, Roxbury. Further interrogation of the prisoners resulted in recovery at the Lenox Loan Company, 1895 Washington street, Roxbury, of a second typewriter stolen from the School of Business Education and pawned for \$10 by Ronald A. Strother on November 29, 1961.

Margaret C. Carroll came to Division 9 and with the exception of the hair clippers positively identified all the recovered property as having been stolen from the school.

Ronald A. Strother admitted to eight breaks into business establishments since September 30, 1961. He stated that he was accompanied on three occasions by Burton, on one occasion by Burton and Diggs, on another by Diggs, and three accomplished by him alone.

On December 4, 1961, Strother, Burton, and Diggs were arraigned and prosecuted in Roxbury Court before Judge Philip Tracy who ordered that they be bound over for the grand jury, each held in \$2,000 bail. At the same time Strother and Burton were also prosecuted for attempted larceny of a motor vehicle and were bound over for the grand jury on this charge also.

The commissioner is pleased to recognize the devotion to duty displayed by Patrolmen Kasianowicz and Faherty in

their apprehension of these three culprits and the clearing of eight burglaries and one attempted larceny of a motor vehicle.

December 12.

General Order No. 1,002.

The Police Commissioner is pleased to commend the members of the Department Drill Team and Band who participated in the program during the Police Relief Association's Annual Concert and Ball held on the evening of December 5, 1961.

The fine appearance of these men and the precision with which they performed are worthy of the highest praise and reflect great credit on the department.

December 15.

General Order No. 1,004.

Patrolmen Daniel L. Shea and Francis J. Ryan, Division 4, are hereby commended for the performance of meritorious police duty and each is granted three days' additional vacation.

About 6.05 P.M., Monday, December 4, 1961, Patrolmen Shea and Ryan assigned to plain-clothes duty and patrolling on foot on Dwight street heard a woman screaming for help. The officers responded immediately in the direction from which the sounds were emanating and saw a man emerge from the doorway of 58 Dwight street and run along the street in the direction of Shawmut avenue. As the officers reached this doorway a man later identified as Augustino Navaroli, 60 years, shouted that his wife, Maria L., 62 years, had just been assaulted in their third floor apartment above and that the fleeing man was the assailant.

Patrolmen Shea and Ryan pursued this subject on foot along Dwight street to Shawmut avenue and thence into Bradford street, shouting for him to halt. He was finally brought to a halt by means of a flying tackle by Patrolman Ryan at Waltham and Washington streets and after a brief struggle taken into custody by both officers. This man, identified as Ralph Farmer, 32 years, single, of 471 Massachusetts avenue, Boston, was returned to 58 Dwight street for further investigation.

Maria L. Navaroli stated that at about 6 P.M., she had entered her apartment, left the door partially ajar for her husband, whom she expected momentarily, and went to the front bedroom window and opened it to watch for his arrival. Very shortly she heard sounds behind her and on turning was confronted by an unknown man who suddenly struck her with his fists about the face, picked her up and threw her on the bed and attempted to criminally assault her. At this time her husband arrived, hearing her screams as he ascended the stairs. Although slight of stature, he beat off the assailant with a broomstick and then pursued him to the street, where he met Patrolmen Shea and Ryan. Maria Navaroli was removed to Boston City

Hospital where she was found to be suffering from fractured upper right incisor and contusions of the face, for which she was treated and later released.

Ralph Farmer was arrested on suspicion of assault with intent to commit rape. On December 5, 1961, before Judge Riley in Boston Municipal Court he was charged with assault to commit rape and ordered held for the grand jury in \$10,000 bail.

Farmer has an extensive criminal record in this and other states. In 1956, he was sentenced to State Prison for assault with intent to rape, for a term of seven to nine years, and for armed robbery, three to five years. In February, 1961, he was returned to State Prison for violation of parole and had been released only at 9 A.M. on December 4, the very day of his arrest.

The commissioner is pleased to recognize the devotion to duty displayed by Patrolmen Daniel L. Shea and Francis J. Ryan in this case. By their alert response to a citizen's cry for assistance and their vigorous pursuit and apprehension of her assailant, they have prevented possible future similarly vicious attacks on women by this dangerous criminal.

PUBLIC WORKS DEPARTMENT.

Proposals for Rebuilding Collapsed
10-Foot 6-Inch Circular Brick
Sewer at Mt. Vernon Street, Dorchester.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for rebuilding collapsed 10-foot 6-inch circular brick sewer at Mt. Vernon street, Dorchester. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, less the amount of \$2,000, will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Rebuilding Collapsed 10-Foot 6-Inch Circular Brick Sewer at Mt. Vernon Street, Dorchester," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of TUESDAY, JANUARY 16, 1962, with a certified check for FOUR HUNDRED (400) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. *There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out.* If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JAMES W. HALEY,
(Dec. 23.) Commissioner of Public Works.

ANOTHER PLAZA PLANNED

New York City's first office building to be built under the new zoning law is a 33-story tower, uninterrupted by setbacks, at 39th street and Third avenue. Included in plans will be an open plaza area, encouraged by the zoning law, and affording an extension in height.

STREET, AND SURFACE STREET, BOSTON.

The Real Property Board of the City of Boston, hereinafter called the Board, invites from individual citizens of the United States and corporations or other legal associations

wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, proposals for leasing for a term of three (3) years, beginning January 1, 1962, and ending December 31, 1964, unless earlier terminated at the will of the Real Property Board by a thirty-day notice to the Lessee, the public parking facility situated in Boston on the northerly side of Atlantic avenue, westerly side of Congress street, and the northeasterly side of Surface street, and containing approximately thirty thousand, seven hundred forty-seven (30,747) square feet of land, upon the covenants, agreements and conditions contained in the form of lease which with the form of proposal, may be obtained daily (except Saturdays, Sundays, and holidays), between 9 A.M. and 5 P.M., at the office of the Board, Room 811, City Hall Annex, Court street, Boston. The covenants and agreements contained in the lease will require, among other conditions, that the Lessee will maintain and operate the parking facility at all times in a manner fully satisfactory to the Real Property Board of the City of Boston and to cause such improvements to be installed in said parking facility as in the opinion of the Real Property Board, will preserve and enhance the facility in the best interests of the city.

Proposals shall be submitted in duplicate on forms obtained as aforesaid. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed and marked "Proposal for Leasing of Public Parking Facility at Dewey Square, on Atlantic Avenue, Congress Street, and Surface Street, Boston." One copy of the proposal, accompanied by a bid deposit of two thousand dollars (\$2,000), made under the terms stated in the form of proposal, in the form of CASH or a CERTIFIED CHECK payable to the City of Boston, shall be filed with the Board at its said office on or before twelve o'clock noon, Tuesday, December 26, 1961, at which time and place all proposals will be publicly opened and read. The other copy of the proposal shall be filed by the bidder before said day and hour at the office of the City Auditor, City Hall, School street, Boston.

No proposal shall be withdrawn after the day and hour hereinbefore set for the opening of proposals.

The Board reserves the right to reject any and all proposals.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 53

SATURDAY, DECEMBER 30, 1961

No. 52

BOSTON COOPERATION ASSURED U. S. ATTORNEY GENERAL

Mayor John F. Collins has signified his intention of according complete cooperation with the request of the Attorney General of the United States in reference to the President's Executive Order No. 10,936, dated April 24, 1961. The directive detailing Boston's official position has been sent to all department heads and is as follows:

By letter dated November 1, 1961, the Honorable Robert F. Kennedy, Attorney General of the United States, wrote to his Honor the Mayor of Boston requesting his cooperation in attaining the objectives of the President's Executive Order No. 10936 of April 24, 1961, which are to discourage collusion and encourage genuinely competitive bidding in the procurement by Federal, State, and local officials of property and services and in the public sale of property; and to aid in the enforcement of the Federal Anti-Trust Laws by the reporting to the Attorney General of identical bids affecting Federal, State, and local procurement. Under the Executive Order, the Attorney General is required to make regular reports to the President and to the Congress summarizing the information reported by Federal, State, and local procurement officials.

The Mayor of Boston has assured the Attorney General of the United States of his utmost cooperation in assisting in the achievement of the objectives of the President's Executive Order and informed him that a directive would be prepared and sent immediately to the officials of

each department within the City of Boston instructing them to comply with the said Executive Order.

Therefore, you are hereby directed henceforth to file a report, in duplicate, on form DJ-1510, with the Attorney General of the United States whenever bids have been received in response to an advertisement published in the *City Record*, or otherwise, for the procurement of property or services (including construction) or the disposal of property and the bid value of the line item affected is *in excess of \$1,000*.

Attached is a copy of detailed instructions relating to the content, preparation, and filing of the aforementioned DJ-1510 IDENTICAL REPORTING BID FORM, together with one copy of FORM DJ-1510. Additional copies of this form can be obtained by addressing a request to the Attorney General of the United States, Ref. AT-IBR.

Your particular attention is called to Item 7-E. I number of the instructions. This number is regularly used by companies when filing their "Employer's Quarterly Federal Tax Return" and, so that you may be able to furnish this information on Form DJ-1510, it will be necessary for the Awarding Authority to request each bidder to fill in the employer's identification number assigned to his firm and also to provide a space therefor on the proposal or bid form.

In the event that questions arise from time to time in the process of complying herewith, please contact the Law Department for guidance.

Very truly yours,
HENRY A. SCAGNOLI.

INSTRUCTIONS FOR FORM DJ-1510.

I. GENERAL:

Executive Order 10936 dated April 24, 1961 (26 Federal Register 3555) requests State and local governmental bodies to report to the Attorney General of the United States information on identical bids received in response to invitations for competitive bidding. The purpose of the Executive Order is to discourage identical bidding to the Federal, State, and local governmental bodies in the procurement of property and services and in the sale of property pursuant to public invitations for bids; to reduce the costs of Government; the maintenance of a competitive economy; to aid in the enforcement of the antitrust laws by providing the Attorney General with such information as may tend to establish the presence of restraints of trade.

To facilitate uniformity in the reporting and the compilation of data on identical bids, State and local governmental bodies are urged to complete Form DJ-1510 in accordance with instructions outlined below.

II. WHAT ARE IDENTICAL BIDS?

For purposes of this report, "identical bids" means two or more bids received for the same line item of an invitation for bids (issued under formal advertising procedures) which

1. Appear on the face of the bids to be identical as to unit price or total amount; or
2. Are found, in the contracting agency's normal process of evaluating bids for award, to be identical as to unit price or total amount.

The term "line item" means each object of procurement specified in an invita-

However, the reporting requirements herein established for line items are applicable to invitations calling for line item bidding even though the invitations or bids contain qualifying or restrictive limitations on award (e.g., all or none bids or award on one item being conditioned on award of other items).

III. BIDS TO BE REPORTED:

A report on Form DJ-1510 should be submitted whenever identical bids have been received in response to an advertisement or other public invitation calling for the procurement of property or services (including construction) or the disposal of property, and the bid value of the line item affected is in excess of \$1,000.

IV. EXEMPTIONS:

Identical bids need not be reported on Form DJ-1510 where

1. Bids or offers are solicited under other than formal advertising procedures;
2. No identical bids are discovered in the normal process of evaluating bids for award;
3. Only nominal or token bids are involved; or
4. The bid value of the line item, based on the apparent low bid, is not more than \$1,000.

V. WHEN TO FILE AN IDENTICAL BID REPORT:

Reports should be made within 30 days following the disposition of all bids received in response to the invitation for bids, whether by the awarding of contract(s) or other action.

VI. WHAT TO REPORT:

A. General. When a procurement or disposal of property invitation results in the submission of identical bids, a separate report on Form DJ-1510 should be filed for each line item affected by identical bids and all the bids received for that line item should be reported. In addition, a copy of the invitation for bids and copy of the completed abstract of bids should be enclosed with the report, except that the abstract of bids need not be furnished whenever the number of line items on an invitation for bids exceeds 100, in which event, the DJ-1510 report should be annotated to indicate (1) the number of line items and (2) the number of bidders on the invitation. Two completed copies of the report with attachments should be sent to the Attorney General, Washington 25, D.C., Ref: AT-IBR. One copy of the report should be retained by the reporting activity. Additional copies of the reporting forms can be obtained by addressing a request to the Attorney General, Ref.: AT-IBR.

B. Specific Instructions for Competing Each Block on the Form:

1. Issuing Agency. Enter the name and location of the agency and bureau issuing the invitation.

2. Invitation No. Enter from the agency's invitation form.
3. Bid Opening Date. Insert the date bids were opened, entering the number equivalent of the day in the "DAY" box, the month in the "MONTH" box and the last two digits of the year in the "YEAR" box.
- 4a. Item No. Enter the line item number affected by identical bids as it appears on the bid invitation.
- 4b. Property or Service. Insert a description of the property or service affected by the identical bids. If known, enter in the "Code Number" box the 11 digit Federal Stock Number assigned to the line item in the Federal Supply Catalog System. If this information is not available leave this code box blank.
- 4c. Quantity (No. of Units). Enter the quantities requested for line item in the invitation for bids.
- 4d. Unit. Enter the unit of measure shown in the invitation.
- 4e. Number of Bidders. Enter the number of bidders submitting bids for the line item.
- 4f. Action. Insert one of the following codes to show the basis of the final procurement or disposal action taken on the line item:

CONTRACT AWARDS:

Low Bidder.....	1
The low bid lottery.....	2
Other basis.....	3

ACTION OTHER THAN CONTRACT

AWARD:

- | | |
|-------------------------------|---|

5. Bidder's Name, City, and State. Enter the name, city and state of each bidder.
 6. Bidder's Status. Check appropriate block from bid.
 7. E. I. Number. Enter the Federal Social Security Identification Number of the bidder (the number used

on Employer's Quarterly Federal Tax Return, U. S. Treasury Department Form 941).

8. Prompt Payment Discount. For each bidder enter the prompt payment discounts (e.g., net 30 days, 1%, 30 days, etc.) as shown in the bid. Do not show trade discounts (e.g., 30% off list) under this item.
9. Name of Manufacturer and Manufacturer's Catalog No. Enter the name of the manufacturer if other than bidder, if available, enter the manufacturer's catalog number for the line item.
- 10a. Award. Enter a check mark if the bidder was awarded contract for the line item.
- 10b. Unit Price. For each bidder show the unit price(s) in terms of the invitation's unit of measure for the line item. Report on separate lines (a) each unit price bid for the line item and (b) the net price (after evaluation), if calculated in the contracting agency's normal process of evaluating bids for award. Encircle all identical bids.
- 10c. Total Amount. For each bidder show the total amount for the line item. Report on separate lines (a) the total amounts bid for the item and (b) the net total amount (after evaluation), if calculated in the contracting agency's normal process of evaluating bids for award. Encircle all identical bids.
- 10d. Price Basis. Enter the following codes to indicate the basis of each of the prices shown in Columns 10b or 10c for each line item:

FIRE DEPARTMENT ORDERS

December 21.

General Order No. 51.

I. RALPH L. MULLEN.

It is with deep regret that the Fire Commissioner announces the death on December 5, 1961, of Fire Fighter Ralph L. Mullen of Engine Company 54. Fire Fighter Mullen was appointed to the department September 1, 1943.

The funeral was held from the Milton Funeral Home, 1126 Washington street, Dorchester, at 8 A.M., Saturday, December 9, 1961, followed by a Solemn High Mass of Requiem in St. Gregory's Church, Dorchester, at 9 A.M.

The chief of department made the customary detail to act as funeral escort, and members of Engine 3 and Ladder 3 were excused from duty to attend the services.

II. WILLIAM J. McMAHON.

It is with deep regret that the Fire Commissioner announces the death on December 16, 1961, of Fire Fighter (2nd Engineer) William J. McMahon of Engine Company 47. Fire Fighter McMahon was appointed to the department on February 3, 1947.

The funeral was held from Robert J. Lawler Funeral Home, 363 South Huntington avenue, Jamaica Plain, on December 19, 1961, followed by a Solemn High Mass of Requiem in the Blessed Sacrament Church, Jamaica Plain, at 9 A.M.

The chief of department made the customary detail to act as funeral escort and some members of Engine 47 were excused from duty to attend the services.

III. RETIREMENT.

The following retirement in accordance with section 7 of chapter 32 of the General Laws, as amended, is hereby announced to become effective at 8 A.M., January 1, 1962:

Fire Lieutenant Arthur I. Downing, 31 Patterson street, Dorchester, Engine Company 21.

Fire Lieutenant Downing was appointed to the department February 10, 1943, and was promoted to the grade of fire lieutenant April 13, 1949. He leaves the department with the best wishes of his associates.

IV. CHANGE IN DESIGNATION OF BOSTON AUTOMATIC SIGNAL.

Notice has been received from the Automatic Fire Alarm Company of the following change in designation of signal.

Signal 1637, 296 Allston street, drop Haynes Memorial; add St. John of God Hospital.

V. DISCONTINUANCE OF A.D.T. SIGNAL.

Notice has been received from the American District Telegraph Company that the following signal has been discontinued:

Signal 653, C & G Realty, 263-267 Atlantic avenue.

VI. LETTER OF COMMENDATION.

The following letter of commendation from the Massachusetts Port Authority to the Fire Commissioner is hereby published for the information of members:

December 11, 1961.

Dear Commissioner Griffin:

May I personally and officially, for the Massachusetts Port Authority, express our wholehearted appreciation and admiration to the Boston Fire Department in its handling of the fire at Castle Island under the most trying circumstances.

For fear that I might leave some member of the department's official family out, I will make no comment on the individuals who were present and who cooperated with the Authority and its lessee to the fullest possible extent. However, I am asking you to express the appreciation of the Massachusetts Port Authority to Chiefs Martin, Clougherty, Howard, Dalton, and Jeffers and to every member of the department.

Thank you and congratulations to a fire department of which the City of Boston may well be proud.

Very truly yours,

MASSACHUSETTS PORT AUTHORITY,
By: JOHN F. O'HALLORAN,
Executive Director.

VII. HIGH COMMENDATION.

On November 30, 1961, the department responded to an alarm from Box 735 (4 alarms) for a fire at Castle Island Pier.

While working at this fire, Fire Fighter Warren J. Cudmore of Ladder Company 18 saw a man fall through a large opening in the pier. He called to other members of Ladder Company 18 to follow him as he lowered himself into the opening in the pier which was filled with dense smoke and, without any thought of his own safety, he groped his way through the smoke looking for the man who had fallen into the hole. Because of conditions he was unable to see, but finally he found an unconscious man floating face down in the water under a pipe. He pulled the man from the water and, with the assistance of Fire Fighter Hugh F. O'Brien of Ladder Company 18, the victim was passed to other members of that company and removed from the hole in the pier. He was placed on a stretcher and removed to the Boston City Hospital for treatment.

Inasmuch as Fire Fighter Cudmore performed this rescue work under extremely difficult conditions and without any regard for his own safety, the Fire Commissioner is pleased to commend him highly and his case is referred to the Board of Merit for further consideration.

VIII. CHANGES IN RULES AND REGULATIONS.

Effective at 8 A.M., Friday, December 22, 1961, the following changes shall be made in Rules and Regulations of the Boston Fire Department:

Rule 406 (i), delete the first sentence, which reads: "Be employed in or give personal attention to any other business."

Rule 406 (j) is established. Rule 406 (j) will read:

"Except that members of the department will be allowed to engage in part time or supplemental employment that is not in conflict with or in association with their official duties; or that does not conflict with or jeopardize the livelihood of other professions or trades, and not in a trade or job that does not pay the prevailing union wage rate when such rates have been established."

WATER SHORTAGE

A shortage of water for basic needs will develop within 20 years unless ways are found to conserve the present supply and to convert salt water into fresh. Secretary of the Interior Stewart Udall told a Reclamation Association conference in Billings, Montana.

Medical Bills Boost November Welfare Costs

Following is a summary of the Welfare Department report for November:

A continued increase in expenditures for medical care and a larger caseload resulted in a rise of \$175,269 as compared to October. The total amount expended was \$3,688,818, of which 60 per cent was paid directly to the client and the balance to vendors for services. There were 1,136 applications approved and 953 cases closed; a net increase of 183. In addition to applications approved, there were 381 requests for assistance which were rejected or withdrawn. The total caseload as of the end of the month was 26,937.

Old Age Assistance: This category continued its downward trend. However, this does not mean that fewer aged persons are receiving assistance since there were 63 transfers to Medical Assistance for Aged. There were 12,356 clients who received a total of \$1,176,882 for an average of \$92.94 for the month. Of the 211 applications processed, 172 were approved and 39 rejected.

Medical Assistance for Aged: Costs for this program rose \$96,073 or almost 12 per cent over the previous month. This accounts for more than half the departmental increase and was primarily for medical expenses. Payments for acute hospital care nearly doubled as did those for physicians and drugs. The rise in the caseload was to be expected since this category was designed to care for aged people with medical expenses even though normally self-sufficient.

Aid to Dependent Children: Expenditures and caseload continued an upward movement with costs amounting to \$1,069,653 and 6,196 cases being aided during the month. There were 281 approvals and 197 closings, for a net increase of 84 cases. Within this category, there were 21,650 individuals, including 5,914 adults and 15,736 children. The average monthly cost per case was \$172.64 and is exclusive of deductible resources.

Disability Assistance: Even though there was practically no change in the caseload, higher medical payments forced upward the cost of the program to \$464,860, an increase of \$29,194 compared to the previous month. There were 3,002 recipients with an average grant of \$154.78 for the month with more than half being spent for medical care.

General Relief: The turnover in this category was the highest even though its caseload is the lowest. For the most part, this category is composed of "unattached" persons, ineligible for other types of assistance. This is especially so since the inclusion of unemployed parents in the Aid to Dependent Children program. The cost for November was \$160,516 for assistance to 1,713 cases.

MORE UNDERGROUND PARKING

Chicago is planning a second underground parking facility near the present 2,700-car Grant Park below-level garage. A consultant has been hired to make a financial study.

The Grant Park garage, completed seven years ago, has been a financial success since the beginning, officials say. Fees are being raised from 40 to 50 cents for the first hour of self-parking and from 65 to 75 cents for attendant parking. Additional time is at fifteen cents an hour.

The Grant Park facility was financed through an \$8.3 million bond issue. The proposed garage would house 2,000 cars.

VETERANS' RETIREMENTS

The Boston Retirement Board has approved the following veterans' applications for retirement:

James R. Sullivan, 34 Tonawanda street, Dorchester, principal clerk, Water Division, Public Works Department.

Mary H. Bunker, 4889 Washington street, West Roxbury, school nurse, School Hygiene Division, School Department.

John J. Dwyer, 244 Blue Hill avenue, Roxbury, laborer, Highway Division, Public Works Department.

CITY OF BOSTON.

PARKS AND RECREATION DEPARTMENT.

INVITATION FOR GENERAL BIDS FOR REPAIRS TO RECREATORY BUILDING AT FRANKLIN PARK, WEST ROXBURY, MASS.

The City of Boston, acting by the Commissioner of Parks and Recreation, 33 Beacon street, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for repairs to Recreatory Building at Franklin Park, West Roxbury, Mass. General bids will be received until 2 o'clock P.M., Tuesday, January 23, 1962, at the office of the Awarding Authority, 33 Beacon street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on forms obtained at the Engineer's office of the Parks and Recreation Department, 33 Beacon street, Boston, Mass. Each copy of the general bid shall be properly filled out, signed, enclosed in an envelope, sealed and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$3,000. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts, under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids and subbids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Awarding Authority designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

All subbids for a subtrade designated in Item 2 of the general bid form shall be filed with the Awarding Authority at the above address before 12 o'clock noon, Tuesday, January 16, 1962, at which hour and place they will be publicly opened and read. Every such subbid must be submitted in a sealed envelope with the following plainly marked on the outside: title of work; subtrade for which subbid submitted; subbidder's name; subbidder's business address.

All such subbids must be submitted on the form for subbid furnished by the Awarding Authority, and any such subbid not filed on the form for subbid furnished by the Awarding Authority shall be rejected.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount as specified in the following for the various subtrades, as listed below, shall be submitted by each subbidder with his subbid as filed with the Awarding Authority:

Lathing and Plastering.....	\$130
Floor Covering.....	\$130
Painting.....	\$450
Plumbing.....	\$100
Electrical Work.....	\$300

No subbid may be withdrawn after the time limit for the filing of subbids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the day fixed for the opening of the general bids. In addition, neither the subbids filed by the three lowest responsible and eligible subbidders for a subtrade nor the subbids for the same subtrade as shown on the general bids of the three lowest responsible and eligible general bidders, may be withdrawn after the opening of the general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) after presentation of a subcontract to the subbidder selected for that subtrade by the general bidder selected as the general contractor.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority, 33 Beacon street, Boston, Mass., upon deposit of a certified check for \$25 per set of plans and specifications, payable to the City of Boston. The amount of the deposit per set of plans and specifications will be refunded upon return thereof in good condition with the general bid, or upon return thereof in good condition not later than thirty days after the opening of general bids (Saturdays, Sundays, and legal holidays excluded).

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that less than three such subbids were received and that the prices are not reasonable for acceptance without further competition, in accordance with section 44D, chapter 149, of the General Laws, as amended.
